
**DOCTORS OF BC
SCHOLARSHIP FUND CRITERIA**

1. Two scholarships will be awarded for the 2017/2018 year.
2. Each scholarship will consist of \$1000.
3. Applicants must be sons/daughters of Doctors of BC members in good standing.
4. Applicants must be completing, or have completed, high school and plan to continue their studies at a recognized institute of post-secondary education, such as a university, college or technical school. Mature students may also apply.
5. Applicants must send the most **recent** available transcripts with their application, as well as all other documentation, such as proficiency certificates, that will assist the candidate's application and enable the administrator/committee to make their final decision.
6. A copy of acceptance at a recognized institute of higher learning must either accompany the application or be received by the administrator of the scholarship before the funds are released to the student.
7. The application deadline for this scholarship is **4PM on Friday, April 26th, 2018**.
8. Successful applicants will be notified in writing by **May 17th, 2018**.
9. Academic qualifications as well as achievements in music, sports, languages and other accomplishments will be taken into consideration when awarding these scholarships.
10. The decision of the administrator/committee is final.
11. Names of award winners will also be published in the BC Medical Journal.
