- (k) Prior to a hearing before the MSC, the MSC will communicate in writing to the medical practitioner(s) its concerns and provide copies of all relevant documents (except those over which a claim of privilege is advanced and, if challenged, upheld) to the medical practitioner(s) at least 21 days prior to the hearing.

- (b) If the MSC concludes on the basis of a reasonable forecast that the Total Claims Cost for a Fiscal Year is likely to exceed the Available Amount, the MSC will Consult with the Doctors of BC and the Ministry on developing strategies and measures to prevent the overrun of the Available Amount. While the parties agree that there will be no pro-rationing of Fees for the term of this Agreement, the parties recognize that the MSC must exercise its statutory responsibility through the use of reasonable methods within its jurisdiction, subject to the specific provisions agreed to in this Agreement. An integral part of the exercise of that responsibility will be the development of protocols and billing guidelines by the MSC. The Doctors of BC will participate in the development of those protocols and billing guidelines and the medical profession will make every effort to adhere to such protocols and billing guidelines once implemented by the MSC.
- (c) In recognition of the need for all parties to this Agreement to be satisfied that the MSC continues to be effective in managing the Available Amount, the Chair of the MSC will be a non-voting member of the Physician Services Committee and will advise the Physician Services Committee at regular intervals to assess the

management process. The Physician Services Committee will report the results of these meetings to the Minister, the MSC and the Board of Directors of the Doctors of BC on a timely basis.

14.2 Advances

The MSP may, on an individual physician basis, provide an advance to a physician encountering temporary difficulty submitting their Fee for Service Accounts or having those Fee for Service Accounts processed by the MSP. Requests for advances will be submitted to the MSP, which will determine whether or not the advance will be granted. If the MSP denies a request for an advance, the requesting physician may refer the matter to the Physician Services Committee for a final decision on the matter. Such advances will be set off against subsequent remittances to the physician by the MSP until the advance is fully repaid. Interest at the rate provided for in and in accordance with Regulation 214/83 of the *Financial Administration Act* (British Columbia) shall apply to and be paid by the physician on all such advances.

14.4 Changes to Payment Process

The PMRC is composed of three representatives appointed by the Government (including any representatives of Health Authorities) and three physician representatives appointed by the Doctors of BC. The Government and the Doctors of BC have selected an independent Chair for the PMRC. In the event that the Chair resigns or becomes unable to fulfill their role, a replacement will be appointed by agreement of the Doctors of BC and the Government.
- (b) The PMRC makes decisions by majority vote. In this case, a majority vote must consist of all of the representatives of either party and the Chair of the PMRC.
- (c) The PMRC is responsible for:
 - (i) completing the implementation of the redesigned MOCAP program with respect to Surgical Assist call groups by not later than March 31, 2024, in accordance with the guidance provided in the final report issued by the PMRC dated December 5, 2018 (“**Final MOCAP Report**”);
 - (ii) adjudicating appeals and disputes in accordance with section 17.6; and
 - (iii) conducting an evaluation of the redesigned MOCAP program as set out at section 17.7. The Chair of the PMRC will guide the completion of the evaluation by the PMRC and provide an assessment of the degree to which the parties’ interests have been satisfied based on the original evaluation

criteria. The PMRC will issue a final evaluation report by no later than September 30, 2024.

 - (i) first, to provide life and limb support in acute care hospitals, diagnostic and treatment centres, and specified emergency rooms;
 - (ii) second, where required for the operational efficiency of hospitals; and
 - (iii) third, to support Family Physician care of complex patients in the community.
- (b) Pursuant to the 2007 Physician Master Agreement, the Doctors of BC was Consulted on the development of evaluation criteria that support the MOCAP Objectives and their prioritization as required by section 17.4(a).
- (c) By July 1 of each year, each Health Authority will form a MOCAP Contract Review Committee (the “**MCRC**”). The MCRC of each Health Authority will include representatives of the Health Authority, health authority medical advisory committee (HAMAC) (or equivalent), physicians receiving MOCAP and emergency medicine physicians in the Health Authority.
- (d) Each Health Authority will determine the call groups that should exist within its MOCAP Budget and, apply the levels of payment for the call groups in the Health Authority determined by the PMRC. This will form the basis of the Health Authority's annual distribution plan for MOCAP.
- (e) In determining annual distribution plans for MOCAP, the Health Authorities will review call-back expenditures to determine whether groups should be provided with an on-call agreement.
- (f) The annual distribution plan for MOCAP in each Health Authority will be reviewed with the MCRC.

- (g) Each Health Authority will then review this distribution plan with the Ministry by February 1 of each year, who will determine the appropriate funding allocation within the provincial budget for MOCAP for the following Fiscal Year.
- (h) Each Health Authority will then finalize its annual distribution plan for MOCAP. Any physician or physician group may challenge a Health Authority's distribution plan for MOCAP with the Health Authority pursuant to section 17.6 below.
- (i) It is imperative that the time frame to complete this process is limited so that necessary decisions are not delayed.

17.5 Principles of MOCAP

The Government and Doctors of BC adopt the following principles for MOCAP:

- (a) MOCAP is designed to meet the medical needs of new or unattached patients requiring emergency care. By definition, a new or unattached patient is not a patient of any physician participating in a call group. For clarity, in rural communities where a physician or a call group are providing additional services such as emergency, obstetrics/gynecology, anesthesia or general surgery, then patients of the physician or call group presenting for such additional services will be considered as a new patient of that additional service.
- (b) The Health Authorities are responsible for managing within their MOCAP allocation and decisions as to the specific nature and quantity of on-call availability services required rests ultimately with the Health Authorities. A Health Authority's decision to establish a MOCAP arrangement is made following consultation with physicians.
- (c) MOCAP arrangements may require availability to attend more than one site where clinically appropriate and may permit the availability to be provided in a manner consistent with advancements in technology.
- (d) MOCAP provides compensation for physician availability according to the relative burden of providing such availability. MOCAP is not meant to compensate physicians for actual services to patients.
- (e) Physicians who are on-call must respond to telephone calls in a timely way to determine clinical urgency and attend to the emergent needs of patients.
- (f) Physicians who are on-call must respond to telephone calls not just from the location(s) where they are on-call, but from other locations and physicians.
- (g) Decisions on MOCAP should reflect a consistent rationale across all Health Authorities and payments for being on-call should be based on objective data and information that reflect the burden of providing on-call services.

- (h) MOCAP arrangements must be sustainable and must not contribute to physician burnout. In some circumstances, physicians may provide partial on-call availability to meet this principle.
- (i) Health Authorities must appropriately fund the call groups that are established under MOCAP. Health Authorities should not prorate MOCAP payments (i.e. pay a lesser amount for the coverage required than is appropriate) in order to try to extend their MOCAP budget.
- (j) There are separate and independent obligations through Health Authority by-laws and rules and the College of Physicians and Surgeons of BC's professional standards that require physicians to provide call, including call for new and unattached patients. When a Health Authority requires physicians to provide call for new and unattached patients, the Health Authority will provide payment under MOCAP in accordance with this Agreement.

17.6 Review of Call Groups

- (a) If a Health Authority can demonstrate to the PMRC that it is necessary to maintain or establish a particular call group or an assigned level of call in a manner inconsistent with the application of those factors identified in Attachment C of the Final MOCAP Report, they may seek approval from the PMRC that an exception may be created for the call group. The PMRC will only review requests based on the issue of providing a necessary service where the application of Attachment C of the Final MOCAP Report does not justify the assigned level of call on a normal basis.
- (b) If a Health Authority or a physician group considers that, based on those factors identified in Attachment C of the Final MOCAP Report, there have been material changes impacting the provision of patient care in a manner requiring a review of the assigned level of call, or in the case of a newly established call group, that the factors identified in Attachment C of the Final MOCAP Report have been incorrectly applied, a Health Authority or a physician group can bring an application to the PMRC (which will determine its procedures to consider such applications) to initiate such a review, following which:
 - (i) The PMRC will consider such applications.
 - (ii) Any changes in the payment level for call groups arising from such a review will be effective after 90 days' written notice is provided to physicians in accordance with the terms of existing MOCAP contracts.
- (c) If a physician group wishes to dispute either the nature of the call or a Health Authority decision that certain physicians do not need to provide on-call services under MOCAP, they must first provide notice to the Health Authority. Such notice must be in writing and include the facts, upon which the physician or physician group relies, an outline of argument supporting the physician(s)'s position and the remedy sought. In the event that the physician group and Health Authority are unable to reach agreement, the physician group may refer the

dispute to the PMRC at PMRC.secretariat@gov.bc.ca (which will determine its procedures to consider such applications) for binding adjudication, following which:

- (i) The PMRC will consider such applications.
- (ii) In considering the dispute, the PMRC must only determine only whether the process of establishing the call group and establishing the nature of call were consistent with the MOCAP principles listed at section 17.5 above and the applicable provisions of the PMA.
- (iii) The PMRC will not be entitled to disturb a final decision of a Health Authority that certain physicians do not need to provide on-call services under MOCAP unless MOCAP principles referenced in paragraph (ii) above are breached..
- (iv) In the event the PMRC disturbs a final decision of a Health Authority under (iii) above, such financial consequences will be effective in the subsequent fiscal year but will, at the discretion of the PMRC, have a retroactive effect that that time back to the date of the adjudication.
- (v) Any changes in the nature of call for call groups arising from such a PMRC adjudication process will be effective 90 days' after written notice is provided to physicians in accordance with the terms of existing MOCAP contracts.

17.7 Evaluation

The Government, the Doctors of BC, and the Chair of the PMRC will conduct an evaluation of the redesigned MOCAP through the PMRC in the fiscal year commencing April 1, 2023. Such evaluation will consider:

- (a) whether the changes to MOCAP have improved or reduced the ability to determine call levels and whether the Final MOCAP Report is sufficiently clear in providing guidance for evaluating level assignments;
- (b) the number of disagreements arising between Health Authorities and call groups and the reasons for those disagreements; and

21.2 The Adjudicator and the Adjudication Committee

- (a) The Government and the Doctors of BC will refer Provincial Disputes, Local Disputes, Local Interest Issues and other issues in accordance with this Agreement to a single arbitrator, appointed from the Roster, on a rotating basis in the order in which the members of the Roster are listed in Appendix H starting with the first member listed (unless the Government and the Doctors of BC otherwise agree in writing) at the time a reference is made to adjudication (the “**Adjudicator**”). If any member of the Roster to be appointed as the Adjudicator is not able to hear the matter within a reasonable time the next named member who is able to do so will be appointed, and the rotation will continue from the member actually appointed. Either the Government or the Doctors of BC may elect to have Provincial Disputes, Local Disputes, Local Interest Issues and other issues in accordance with this Agreement heard by an Adjudication Committee as described in section 21.2(b).
- (b) Notwithstanding section 21.2(a), the Government and the Doctors of BC will maintain an adjudication committee (the “**Adjudication Committee**”) to resolve, Provincial Disputes, Local Disputes, Local Interest Issues and other issues in accordance with this Agreement if either the Government or the Doctors of BC so elect to use the Adjudication Committee as an alternative to a single Adjudicator as provided in this Agreement. The Adjudication Committee will be composed of one Doctors of BC representative and one Government representative. In addition, a chair will be appointed from the Roster, on a rotating basis in the order in which the members of the Roster are listed in Appendix H starting with the first member listed (unless the Government and the Doctors of BC otherwise agree in writing), at the time a reference is made to adjudication. If any member of the Roster to be appointed to the Adjudication Committee is not able to hear the matter within a reasonable time the next named member who is able to do so will be appointed, and the rotation will continue from the member actually appointed. The Government and the Doctors of BC will each be entitled to appoint one alternate representative to the Adjudication Committee.
- (c) All arbitrations conducted by the Adjudicator or by the Adjudication Committee will be conducted pursuant to the British Columbia *Arbitration Act*. The Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor) will apply unless modified by this Agreement or any other agreement between the Government and the Doctors of BC from time to time.

- (d) In resolving any matter referred to it, the chair of the Adjudication Committee will work with the other members of the Adjudication Committee in an attempt to achieve a unanimous decision, which will be binding. If, after a reasonable time, a unanimous decision is not achieved, the majority decision of the Adjudication Committee will be binding. If there is no majority decision of the Adjudication Committee, the chair of the Adjudication Committee will not decide the matter and the arbitration will terminate.

21.3 Trouble Shooter

- (a) A Trouble Shooter (the “**Trouble Shooter**”) will be appointed by agreement of the Doctors of BC and the Government to facilitate the early and voluntary settlement of certain Disputes and Issues in accordance with this Agreement, without withdrawals of services, and to facilitate agreement between a physician or group of physicians and an Agency on matters of workload pursuant to the terms of a Service Contract or a Salary Agreement between them.
- (b) Subject to section 21.3(c), the Trouble Shooter will be appointed for a three year term and may only be reappointed by agreement of the Doctors of BC and the Government.
- (c) The Trouble Shooter may be removed and replaced at any time by agreement of the Doctors of BC and the Government. In the event that the Trouble Shooter resigns or becomes unable to fulfill their role during the term of their appointment, a replacement will be appointed by agreement of the Doctors of BC and the Government.
- (d) In the event that a matter referred to the Trouble Shooter raises an aspect of quality of care, the Joint Agreement Administration Group may request one or more additional people with relevant expertise to provide informed advice to the Trouble Shooter. Such additional people will not directly contribute to the Trouble Shooter’s findings or recommendations.
- (e) The Trouble Shooter will consider only those matters referred to them in accordance with this Agreement and will at all times act in a manner consistent with this Agreement.
- (f) The Trouble Shooter may:
 - (i) assist in attempting to effect a voluntary resolution of the matter referred to them;
 - (ii) conduct fact finding in relation to the matter referred to them; and
 - (iii) issue recommendations regarding the matter referred to them.
- (g) Any facts found and/or recommendations made by the Trouble Shooter will be treated as confidential by the parties unless otherwise agreed by the Joint Agreement Administration Group.

ARTICLE 22 - DISPUTE RESOLUTION PROCESS

22.1 Provincial Disputes

- (a) In the event that a Provincial Dispute is initially raised by an Agency, the Agency will refer the matter in writing to the Government, with a copy of the reference to the Joint Agreement Administration Group. In the event that a Provincial Dispute is initially raised by a physician or group of physicians, the physician or group of physicians will refer the matter in writing to the Doctors of BC, with a copy of the reference to the Joint Agreement Administration Group.
- (b) If the Government or the Doctors of BC raises a Provincial Dispute or has a Provincial Dispute referred to it as contemplated by section 22.1(a), that party must notify the designated representative of the other party. The notice must be in writing, with a copy to the Joint Agreement Administration Group, and must include the following information:

 - (ii) the facts upon which the complaining party relies;
 - (iii) an outline of argument demonstrating how the facts and law support the complaining party's position; and
 - (iv) the remedy sought by the complaining party.
- (c) Within 15 days of the receipt of the notice referred to in section 22.1(b) by the other party, the designated representatives of the parties will meet informally in an attempt to resolve the matter or to narrow the issues.
- (d) If there is no resolution of the matter within 15 days of the meeting referred to in section 22.1(c), or longer period as agreed by the parties, either the Government or the Doctors of BC may refer the matter to the Adjudicator, or to the Adjudication Committee with notice to the Joint Agreement Administration Group.
- (e) If the Government or the Doctors of BC initially refers the matter to an Adjudicator under section 22.1(d), the opposing party may, at their election and within 10 days of the receipt of the notice by the Joint Agreement Committee, advise the Joint Agreement Administration Group that it wishes to have the matter referred to the Adjudication Committee instead of an Adjudicator and in such case the matter will be dealt with by the Adjudication Committee.
- (f) Upon receipt of the notice in section 22.1(d), the Joint Agreement Administration Group will appoint the Adjudicator or a chair of the Adjudication Committee, as the case may be, from the Roster in accordance with sections 21.2(a) and (b). The Adjudicator or the Adjudication Committee will attempt to assist the parties to resolve the matter on a voluntary basis through a mediation process which will be conducted by the Adjudicator or the chair of the Adjudication Committee, or, if

either the Doctors of BC or the Government stipulates so in writing within five business days of the referral to the Adjudication Committee, by the full Adjudication Committee.

- (g) Where no voluntary resolution is achieved pursuant to section 22.1(f) within 45 days of the first date the parties meet to mediate the matter as contemplated in section 22.1(f), or such longer period as may be directed by the Joint Agreement Administration Group upon the recommendation of the mediator, the Adjudicator or the Adjudication Committee will arbitrate the matter in accordance with section 21.2.

- (b) Within 15 days of receipt of the notice referred to in section 22.2(a) by the other party to the Local Dispute, the designated representatives of the parties to the Local Dispute will meet informally in an attempt to resolve the matter or to narrow the issues.
- (c) In the event that the meeting referred to in section 22.2(b) results in a proposed agreement between the parties to the Local Dispute to settle the Local Dispute, they will jointly submit the proposed agreement to the Joint Agreement Administration Group. Within 15 days of receiving a proposed agreement, the Joint Agreement Administration Group will advise the parties to the Local Dispute of whether or not the proposed agreement is consistent with this Agreement and the Physician Master Subsidiary Agreements. If the Joint Agreement Administration Group advises that:
 - (i) the proposed agreement is so consistent, the proposed agreement will be binding on the parties to the Local Dispute;
 - (ii) the proposed agreement is not so consistent, the proposed agreement will not be implemented and section 22.2(e) will apply;
 - (iii) the Joint Agreement Administration Group cannot reach a consensus decision with respect to the consistency of the proposed agreement with this Agreement and the Physician Master Subsidiary Agreements, then,

within 30 days of the Joint Agreement Administration Group advising that it cannot reach a consensus decision, either the Government or the Doctors of BC may refer the question of the consistency of the proposed agreement with this Agreement and the Physician Master Subsidiary Agreements to the Adjudicator or the Adjudication Committee with notice to the Joint Agreement Administration Group;

- (iv) If the Government or the Doctors of BC initially refers the matter to an Adjudicator under section 22.2(c)(iii), the opposing party may, at their election and within 10 days of the receipt of the notice by the Joint Agreement Committee, advise the Joint Agreement Administration Group that it wishes to have the matter referred to the Adjudication Committee instead of an Adjudicator and in such case the matter will be dealt with by the Adjudication Committee.
- (v) The Adjudicator or the Adjudication Committee will arbitrate the question of whether the proposed agreement is consistent with this Agreement and the Physician Master Subsidiary Agreements in accordance with section 21.2; and if the Adjudicator or the Adjudication Committee decides that the proposed agreement is so consistent, it will be binding on the parties to the Local Dispute; and if the Adjudicator or the Adjudication Committee decides that the proposed agreement is not so consistent, the proposed agreement will not be implemented and section 22.2(e) will apply.
- (d) If the Joint Agreement Administration Group does not provide a response within the time limit referred to in section 22.2(c), the proposed agreement will be deemed to be consistent with this Agreement and the Physician Master Subsidiary Agreements.
- (e) If the meeting referred to in section 22.2(b) does not result in a proposed agreement between the parties to the Local Dispute to settle the Local Dispute within 15 days of the meeting or a longer period agreed to by the local parties; or if the Joint Agreement Administration Group advises, in accordance with section 22.2(c)(ii), that the proposed agreement is not consistent with this Agreement and/or the Physician Master Subsidiary Agreements; or if the Adjudicator or the Adjudication Committee decides, in accordance with section 22.2(c)(v), that the proposed agreement is not consistent with this Agreement and/or the Physician Master Subsidiary Agreements, then:
 - (i) the parties to the Local Dispute will submit the Local Dispute to the Government and the Doctors of BC, and will agree to be bound by the resolution of the Local Dispute pursuant to this Agreement;
 - (ii) either the Government or the Doctors of BC may refer the Local Dispute in writing to the Joint Agreement Administration Group; and
 - (iii) the parties to the Local Dispute may agree to be bound by recommendations from the Trouble Shooter with respect to the Local

Dispute in the event that the Joint Agreement Administration Group refers the Local Dispute to the Trouble Shooter.

- (f) In the event that the Government or the Doctors of BC refers the Local Dispute to the Joint Agreement Administration Group under section 22.2(e), the Government and the Doctors of BC will thereafter have exclusive carriage of the Local Dispute.
- (g) Upon a Local Dispute being referred to the Joint Agreement Administration Group under section 22.2(e), the Joint Agreement Administration Group may direct the Trouble Shooter to attempt to facilitate a settlement of the Local Dispute.
- (h) If the parties to the Local Dispute agree to be bound by recommendations from the Trouble Shooter with respect to the Local Dispute, the Trouble Shooter will make recommendations and will provide a copy of such recommendations to the Joint Agreement Administration Group. Within 15 days of receiving such recommendations, the Joint Agreement Administration Group will advise the parties to the Local Dispute of whether or not the recommendations are consistent with this Agreement and the Physician Master Subsidiary Agreements. If the Joint Agreement Administration Group advises that:
 - (i) the recommendations are so consistent, they will be binding on the parties to the Local Dispute;
 - (ii) the recommendations are not so consistent, they will not be implemented and section 22.2(j) will apply; and
 - (iii) the Joint Agreement Administration Group cannot reach a consensus decision with respect to the consistency of the recommendations with this Agreement and the Physician Master Subsidiary Agreements, then, within 30 days of the Joint Agreement Administration Group advising that it cannot reach a consensus decision, either the Government or the Doctors of BC may refer the question of the consistency of the recommendations with this Agreement and the Physician Master Subsidiary Agreements to the Adjudicator or the Adjudication Committee with notice to the Joint Agreement Administration Group;
- (iv) If the Government or the Doctors of BC initially refers the matter to an Adjudicator under section 22.2(h)(iii), the opposing party may, at their election and within 10 days of the receipt of the notice by the Joint Agreement Committee, advise the Joint Agreement Administration Group that it wishes to have the matter referred to the Adjudication Committee instead of an Adjudicator and in such case the matter will be dealt with by the Adjudication Committee.
- (v) The Adjudicator or the Adjudication Committee will arbitrate the question of whether the recommendations are consistent with this Agreement and the Physician Master Subsidiary Agreements in accordance with section

21.2; and if the Adjudicator or the Adjudication Committee decides that the recommendations are so consistent, they will be binding on the parties to the Local Dispute; and if the Adjudicator or the Adjudication Committee decides that the recommendations are not so consistent, they will not be implemented and section 22.2(j) will apply.

- (i) If the parties to the Local Dispute do not agree to be bound by recommendations from the Trouble Shooter, the Trouble Shooter will attempt to facilitate a voluntary settlement of the matter. Failing settlement within 30 days of the Trouble Shooter being directed to attempt to facilitate a settlement, the Trouble Shooter will make recommendations with respect to the Local Dispute to the Joint Agreement Administration Group. If the Trouble Shooter's efforts result in a proposed agreement between the parties to the Local Dispute, the proposed agreement must be submitted to the Joint Agreement Administration Group. Within 15 days of receiving a proposed agreement, the Joint Agreement Administration Group will advise the parties to the Local Dispute of whether or not the proposed agreement is consistent with this Agreement and the Physician Master Subsidiary Agreements and the procedure outlined in section 22.2(h)(i) through (v) will apply.
- (j) If resolution of the Local Dispute is not achieved under one of sections 22.2(c), (h) or (i), the Joint Agreement Administration Group will notify the parties to the Local Dispute that the Joint Agreement Administration Group is proceeding under this section, will consider the recommendations of the Trouble Shooter, if any, and will attempt to resolve the Local Dispute. If the Local Dispute is not resolved within 30 days of the issuance of the notification to the parties under this section (or any longer period agreed to by the Government and the Doctors of BC), either the Government or the Doctors of BC may, within a further 30 days, refer the Local Dispute to the Adjudicator or to the Adjudication Committee with notice to the Joint Agreement Administration Group.
- (k) If the Government or the Doctors of BC initially refers the matter to an Adjudicator under section 22.2(j), the opposing party may, at their election and within 10 days of the receipt of the notice by the Joint Agreement Committee, advise the Joint Agreement Administration Group that it wishes to have the matter referred to the Adjudication Committee instead of an Adjudicator and in such case the matter will be dealt with by the Adjudication Committee.
- (l) Upon a referral of a Local Dispute to the Adjudicator or the Adjudication Committee pursuant to section 22.2(j) the Adjudicator or a chair for the Adjudication Committee will be appointed from the Roster.
- (m) Where a Local Contract Dispute is referred to the Adjudicator or the Adjudication Committee pursuant to section 22.2(j), the Adjudicator or the Adjudication Committee will arbitrate the matter in accordance with section 21.2.
- (n) Where a Local Range Placement Dispute is referred to the Adjudicator or the Adjudication Committee pursuant to section 22.2(j), their jurisdiction will be restricted to deciding the placement of the specific physician or physician group

in issue on the applicable “Service Contract Range” (as defined in the Alternative Payments Subsidiary Agreement).

ARTICLE 23 - ISSUE MANAGEMENT PROCESS

23.1 Local Interest Issue Resolution

- (a) A physician, group of physicians or Agency raising a Local Interest Issue must notify, in writing, all other interested parties of the Local Interest Issue, with a copy of the notice to the Physician Services Committee.
- (b) The notice shall comprehensively outline the substance of the Local Interest Issue and include all data or other information relied on by the person raising the Local Interest Issue as well as a statement of the proposed remedy or proposed solution.
- (c) Upon receipt of the notice referred to in section 23.1(b), parties interested in the Local Interest Issue will meet to discuss the Local Interest Issue and attempt to achieve a voluntary resolution of it.
- (d) If, as a result of the meeting referred to in section 23.1(c), the parties interested in the Local Interest Issue achieve a proposed resolution of the Local Interest Issue, they shall submit the proposed resolution, in writing, to the Physician Services Committee. Within 15 days of receiving a proposed resolution, the Physician Services Committee will advise the parties to the Local Interest Issue of whether or not the proposed resolution is consistent with this Agreement and the Physician Master Subsidiary Agreements. If the Physician Services Committee advises that:
 - (i) the proposed resolution is so consistent, it may be implemented; and
 - (ii) the proposed resolution is not so consistent, or the Physician Services Committee cannot reach a consensus decision with respect to the consistency of the proposed resolution with this Agreement and the Physician Master Subsidiary Agreements, it may not be implemented.
- (e) If the Physician Services Committee does not provide a response within the time limit referred to in section 23.1(d), the proposed resolution will be deemed to be consistent with this Agreement and the Physician Master Subsidiary Agreements.
- (f) If the Local Interest Issue is not resolved in accordance with section 23.1(d) within 45 days of the first meeting contemplated by section 23.1 (c), or any longer period agreed to by the parties to the Local Interest Issue, either the affected Health Authority or the affected physician(s) may, within a further 30 days, request the Government or the Doctors of BC respectively, to refer the Local Interest Issue to the Physician Services Committee. If, during the 45 days, or longer period if agreed, either party to the Local Interest Issue concludes that the process to resolve the Local Interest Issue has failed, it may so advise the other party in writing and the time limits for referral to the Physician Services Committee will commence from the date of that notice.

- (g) Upon a Local Interest Issue being referred to the Physician Services Committee in accordance with section 23.1(f), the Government and the Doctors of BC shall assume exclusive carriage of it.
- (h) Upon receiving a referral of a Local Interest Issue in accordance with section 23.1(f), the Physician Services Committee may, by consensus decision:
 - (i) issue recommendations with respect to the Local Interest Issue to the parties interested in the Local Interest Issue; or
 - (ii) direct that the Local Interest Issue be referred to an Adjudicator or, if one party so elects, to the Adjudication Committee for arbitration, at which time the Adjudicator or a chair of the Adjudication Committee will be appointed from the Roster.
- (i) Failing acceptance by the parties interested in the Local Interest Issue of recommendations from the Physician Services Committee in accordance with section 23.1(h)(i) or failing a decision of the Adjudicator or the Adjudication Committee pursuant to section 23.1(h)(ii), there are no further steps under this Agreement to address the Local Interest Issue.

ARTICLE 24 - SERVICE CONTINUITY

24.1 No Withdrawal of Services or Threat of Withdrawal of Services

All Disputes and Issues will be resolved or addressed through the processes set out in this Agreement. Without limiting obligations of any party or person under any law, agreement or contract, where a process exists, in this Agreement or otherwise, for binding resolution of a Dispute or Issue between physicians and/or the Doctors of BC, on the one hand, and the Government and/or Agencies, on the other, there shall be no withdrawal of services or threat of withdrawal of services by any physician or group of physicians in connection with such Dispute or Issue.

24.2 Notice of Withdrawal of Services Required

- (a) Without limiting the obligations of any party or person under any law, agreement or contract, where there is no binding resolution of any Dispute or Issue, or any matter between physicians and/or the Doctors of BC, on the one hand, and the Government and/or Agencies, on the other, after any applicable process has been utilized, a physician or group of physicians may carry out a withdrawal of services but must first provide a minimum of 90 days written notice of the withdrawal of clinical and related services to the applicable Health Authority, the College of Physicians and Surgeons of British Columbia, and the Physician Services Committee. In the event that notice of a withdrawal of services is given, the matter will be referred by the Physician Services Committee to the Trouble Shooter. The Trouble Shooter will define the issues in dispute and make recommendations to the Physician Services Committee to facilitate a resolution consistent with the provisions of this Agreement.

- (b) Any withdrawal of clinical and related services during a notice period or without providing notice is contrary to this Agreement and the Doctors of BC will so advise physicians.

24.3 No Withdrawal of Services to Pressure Government to Change Existing Agreements

The Doctors of BC agrees that once an agreement is entered into, physicians who are covered by it should not carry out a withdrawal of services for the purpose of pressuring the Government or an Agency to change the terms and conditions of the agreement. The Doctors of BC will take all appropriate measures to encourage physicians to comply with existing agreements.

24.4 Doctors of BC Will Not Condone Withdrawals of Service

As long as there is no pro-rationing in effect the Doctors of BC will not sponsor, support or condone withdrawals of services by physicians and shall take the necessary steps that are available to prevent such initiatives.

ARTICLE 25 - REPLACEMENT OF PROVISIONS AFFECTED BY LEGISLATION

25.1 Replacement by Agreement

Subject to section 25.3, in the event that any future legislation (the “**Future Legislation**”) renders null and void or materially alters any provision of this Agreement, the remaining provisions will remain in force and effect during the currency of this Agreement and the parties will negotiate a mutually agreeable provision to be substituted for the provision that has been rendered null and void or materially altered by the Future Legislation.

25.2 Replacement by Arbitration

- (a) If the parties are unable to reach agreement on replacement provisions pursuant to section 25.1, any of them may refer the issues in dispute to arbitration in accordance with this section 25.2.
- (b) If any party makes a referral to arbitration under this section 25.2, the parties will agree upon a single arbitrator within fifteen days of the date of the referral. If such agreement is not reached any of them may ask the Chief Justice of the Supreme Court of British Columbia to make the appointment and the person so appointed will be the arbitrator.
- (c) The arbitration will be conducted in accordance with the British Columbia *Arbitration Act*, using the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), except to the extent such rules are modified by this Agreement or any other agreement between the Government and the Doctors of BC.
- (d) Subject to section 25.3, the arbitrator will issue a final and binding award on all of the outstanding issues.

25.3 No Conflict with Legislation

No replacement provision, whether the subject of agreement pursuant to section 25.1 or arbitration pursuant to section 25.2, may conflict with the provisions of the Future Legislation or any other applicable laws. Specifically, an arbitrator acting pursuant to section 25.2 does not have the jurisdiction to order any replacement provision which is inconsistent with or in conflict with or would cause any reading down of the Future Legislation or any other applicable laws.

ARTICLE 26 - RENEGOTIATION

26.1 Renegotiation Notice

On or after April 1, 2024, but no later than April 30, 2024, either the Government or the Doctors of BC may give notice to the other (the “**Renegotiation Notice**”) of its wish to renegotiate and amend all or any of the provisions of this Agreement and the Physician Master Subsidiary Agreements.

26.2 Initial Meeting

If a Renegotiation Notice is given, the Doctors of BC and the Government will meet, no later than June 1, 2024, and commence negotiations to renegotiate all or any of the provisions of this Agreement and the Physician Master Subsidiary Agreements.

26.3 Conciliation Panel Chair

- (a) If a Renegotiation Notice is given, the Government and the Doctors of BC will appoint, by no later than June 1, 2024, an individual to act as chair of a conciliation panel for the negotiations. If the Government and the Doctors of BC are unable to agree upon the chair of the conciliation panel either of them may request the Chief Justice of the Supreme Court of British Columbia to make the appointment and the individual so appointed will be the chair of the conciliation panel.
- (b) If the Government and the Doctors of BC do not reach agreement on all amendments (if any) to this Agreement and/or the Physician Master Subsidiary Agreements, by September 30, 2024, either the Government or the Doctors of BC may request the intervention of the chair of the conciliation panel.
- (c) Once either the Government or the Doctors of BC has requested the intervention of the chair of the conciliation panel, he or she will work with the Doctors of BC and Government negotiators in an attempt to mediate an agreement on all amendments (if any) to this Agreement and/or the Physician Master Subsidiary Agreements.

26.4 Intervention by Conciliation Panel

- (a) After December 31, 2024, either the Government or the Doctors of BC may request the chair of the conciliation panel to discontinue the mediation and to assemble a conciliation panel. The Government and the Doctors of BC will each

name one representative to the conciliation panel, and those two representatives plus the chair appointed pursuant to section 26.3(a) will comprise the conciliation panel.

- (b) The conciliation panel will conduct a conciliation in accordance with procedures agreed to by the Government and the Doctors of BC, which may include formal hearings, to review the issues in dispute.
- (c) The conciliation panel must retain an independent expert to assist it in determining costing issues and verifying comparators.
- (d) The terms of reference of the conciliation panel will include:
 - (i) the need to be consistent with the law;
 - (ii) reflecting the Government's fiscal situation, including its ability to pay;
 - (iii) the need to provide reasonable compensation to physicians for the services rendered; and
 - (iv) the operational and medical resource needs of the Health Authorities.

26.5 Report of the Conciliation Panel

- (a) The conciliation panel will publish a report containing the recommended terms of settlement on all of the outstanding issues, such report to be in two parts:
 - (i) the first part to contain the recommended terms of settlement on those issues of compensation, on-call payment issues, physician benefit plans consisting of the Continuing Medical Education Fund, Physician Disability Insurance Program, Physician Health Program, Canadian Medical Protective Association Rebate Program, Contributory Professional Retirement Savings Plan, and Parental Leave Program, and any other matters the parties have agreed in writing to submit to binding conciliation for the purpose of this section 26.5(a)(i) (collectively, the "**Central Recommendations**"); and
 - (ii) the second part to contain all recommended terms of settlement other than the Central Recommendations (collectively, the "**Other Recommendations**").
- (b) The report of the conciliation panel must also set out reasons and the estimated costs of implementing both the Central Recommendations and the Other Recommendations.

26.6 Effect of Conciliation Panel's Report

- (a) The Central Recommendations will be binding on the parties unless, within 10 days of its receipt of the conciliation panel's report, the Government rejects the Central Recommendations in their entirety and, upon such rejection, the Central

Recommendations will not be binding upon the parties. All Other Recommendations will not be binding on the parties unless agreed to by the parties in writing.

- (b) If the Government rejects the Central Recommendations, the Government and the Doctors of BC will resume negotiations on the areas in dispute with respect to the Central Recommendations and the Doctors of BC will be relieved of its obligations under sections 24.3 and 24.4 of this Agreement, subject to section 26.6(c) below, until all amendments (if any) to this Agreement and/or the Physician Master Subsidiary Agreements are agreed upon by the Doctors of BC and the Government.
- (c) Prior to the commencement of any service disruptions by physicians following any rejection of the Central Recommendations by the Government, the Government and the Doctors of BC will seek guidance from the College of Physicians and Surgeons of British Columbia with respect to the services that should be maintained to ensure that the safety of British Columbians is protected. The Doctors of BC will not condone or support a withdrawal of services contrary to the guidance provided by the College of Physicians and Surgeons of British Columbia.

ARTICLE 27 - TERMINATION

27.1 Termination Notice

- (a) Notwithstanding Article 26, either the Government or the Doctors of BC may give notice (the “**Termination Notice**”) to the other, on or after January 1, 2025, of termination of this Agreement and the Physician Master Subsidiary Agreements, in which case this Agreement and Physician Master Subsidiary Agreements will terminate on the later of March 31, 2025, or sixty (60) days after the date on which the Termination Notice is received by the other party, subject to section 27.2.

27.2 Effect of Termination Notice

- (a) If one of the parties gives the Termination Notice in accordance with section 27.1, then the provisions of this Agreement and the Physician Master Subsidiary Agreements providing for those matters referred to in section 26.5(a)(i) and for those matters related to the Joint Clinical Committees and the Joint Standing Committee on Rural Issues will continue in effect notwithstanding the termination of this Agreement and the Physician Master Subsidiary Agreements pursuant to section 27.1, subject however to the further rights to terminate those continuing provisions under section 27.2(b).

3.1 This Agreement comes into force on April 1, 2022.

3.2 This Agreement shall be for the same term as the 2022 Physician Master Agreement and will be subject to renegotiation and/or termination pursuant to Articles 26 and 27 of the 2022 Physician Master Agreement.

ARTICLE 4 - FAMILY PRACTICE SERVICES COMMITTEE

4.1 The parties agree that full service family practice must be encouraged and supported.

4.2 The **Family Practice Services Committee** shall continue under this Agreement as a vehicle for representatives of the Government, the Doctors of BC and BC Family Doctors to work together on matters affecting the provision of services by Family Physicians in British Columbia, including ways of providing incentives for Family Physicians to provide full service family practice and benefit patients. In addition to the core mandate outlined in section 8.2 of the 2022 Physician Master Agreement, the Family Practice Services Committee will fulfill the specific mandate set out in this Agreement.

4.3 The Family Practice Services Committee shall be composed of six members appointed by the Government and six members appointed by the Doctors of BC.

4.4 The Family Practice Services Committee shall be co-chaired by a member chosen by the Government members and a member chosen by the Doctors of BC Board of Directors and shall appoint two of its members as vice chairs, one who shall be chosen by the Government from among the Government members and one who shall be chosen by the Doctors of BC from among the Doctors of BC members.

4.5 Decisions of the Family Practice Services Committee shall be by consensus decision.

4.6 If the Family Practice Services Committee cannot reach a consensus decision on any matter it is required to determine, the Government and/or the Doctors of BC may make recommendations to the MSC and the MSC, or its successor, will determine the matter.

4.7 On an annual basis, the Family Practice Services Committee will develop a work plan, ensure that evaluations to measure outcomes are an integral part of the plan, and report to the Physician Services Committee in the manner outlined in section 6.3(a) of the 2022 Physician Master Agreement.

4.8 The Family Practice Services Committee must follow any communication protocol developed by the Physician Services Committee, and in any event must ensure that the co-chairs of the Family Practice Services Committee pre-approve any communication about the business and/or decisions of the Family Practice Services Committee.

4.9 The costs of administrative and clerical support required for the work of the Family Practice Services Committee will be paid from the funds to be allocated by the Family Practice Services Committee pursuant to this Agreement, including the cost of physician participation other than physicians who are employees of the Government, Doctors of BC and Health Authorities, unless such Health Authority employed physicians are participating on behalf of the Doctors of BC.

ARTICLE 5 - FULL SERVICE FAMILY PRACTICE FUNDING

5.1 The Family Practice Services Committee will be used to further collaborate with Family Practitioners to encourage and enhance full service family practice and benefit patients through the existing \$157.347 million annual funding level for full service family practitioners.

The funds identified in this section 5.1 are to be allocated by the Family Practice Services Committee to support its work in maintaining, enhancing and expanding the programs that support the delivery of primary care services to British Columbians by, among other things, offsetting utilization pressures on its programs, supporting integrated and collaborative initiatives including change management, identifying and treating patients and communities with unmet needs, providing incentives for Family Physicians to provide full service family practice, enhancing risk assessment and reduction, improving capacity in primary care, enhancing comprehensive and continuous care and improving coordination and quality of care to family practice patients in British Columbia, with allocations to include, but not be limited to, the areas identified in section 5.2.

5.2 The Family Practice Services Committee will use the funds available to it pursuant to section 5.1 for the following purposes, among others:

- (a) to fund financial incentive programs for the support of full service family practice, including:
 - (i) improved identification and management of:
 - (A) mental health conditions;
 - (B) chronic disease;
 - (C) complex co-morbidities;

- (D) maternity care;
 - (E) the frail elderly;
 - (F) the co-ordination of care of patients in hospital or long term care; and
 - (G) patients requiring end of life care; and
- (ii) increased multi-disciplinary care between Family Physicians and other healthcare providers;
- (b) to fund, in whole or in part, full service family practice support programs such as Divisions of Family Practice, the Practice Support Program and the Long Term Care Initiative; and
 - (c) to improve disease prevention.

5.3 In addition to the funds identified in section 5.1, the Government will provide the following funding to be allocated by the Family Practice Services Committee to maintain or increase existing compensation programs or develop new fees or compensation programs to support full-service family practice:

- (a) an additional \$18.3 million per year effective April 1, 2022;
- (b) an additional \$10.7 million per year effective April 1, 2023; and
- (c) an additional \$1.0 million per year effective April 1, 2024.

5.4 A priority for the funding in section 5.3 is to continue and expand upon the existing (Fiscal Year 2022/23) funding to support in-patient services to medium-sized communities under the In-Patient Initiative for the term of the 2022 Physician Master Agreement.

5.5 In addition to the funds identified in sections 5.1 and 5.3, the Government will provide the following funding to be allocated by the Family Practice Services Committee to:

- (a) support other non-compensation initiatives including physician practice support, physician engagement and change management with respect to the implementation of Patient Medical Homes/Primary Care Networks:

 - (ii) an additional \$3.0 million per year effective April 1, 2023.

5.6 Any funds described in sections 5.1, 5.3 and 5.5 that remain unexpended at the end of any Fiscal Year will be available to the Family Practice Services Committee for use as one-time allocations to improve the quality of care.

5.7 The Government and the Doctors of BC agree that the total annual amount of new and existing designated funding provided to the Family Practice Services Committee for compensation programs or fees, less the amount of such funding for compensation that will continue to be available to physicians who move to the New Longitudinal Family Physician

Payment Model, will be reduced to account for the expected payments to those physicians who have claimed a Community Longitudinal Family Physician (CLFP) Payment amount, and who move to the New Longitudinal Family Physician Payment Model.

5.8 The Government and Doctors of BC will develop a mechanism to address the details of the revisions to the funding provided to the Family Practice Services Committee in accordance with 5.7 above.

5.9 If the Family Practice Services Committee needs to reduce expenditures in order to meet its budget targets, the Family Practice Service Committee will first address such budget pressures through a reduction of expenditures on its programs that do not have accompanying fees before considering adjustments to any of its established fees. Any such fee adjustments will be by mutual agreement. For clarity, this section 5.9 does not restrict the Family Practice Service Committee from adjusting its fees in order to meet its mandate.

5.10 The Family Practice Services Committee will continue to review and recommend approaches that support Family Physicians' continued role in providing hospital care, including the relationship between that role and the role of hospitalists. The Family Practice Services Committee will determine the key elements or models of care with indicators that demonstrate and support optimum patient outcomes. The recommendations will propose how best to utilize existing allocations for primary care support of hospitalized patients.

ARTICLE 6 – PRIMARY CARE NETWORK/PATIENT MEDICAL HOME

6.1 If the Family Practice Services Committee agrees, the Government may, at its discretion, make funds available to the Family Practice Services Committee to be used to support non-physician costs related to the design and implementation of the Primary Care Network and Patient Medical Home programs. Any such additional funds will be identified specifically for this purpose and any such funds not so expended by the Family Practice Services Committee will be returned to the Government.

ARTICLE 7 - DOCTOR OF THE DAY

7.1 The need for a Doctor of the Day will be determined by the Health Authorities.

7.2 A Doctor of the Day will be compensated at the rate of \$400 per twenty-four hours of coverage.

7.3 Where there is a requirement for less than twenty-four hours of coverage, an appropriate rate based upon the twenty-four hour rate shall be determined at the local level.

7.4 Funding for Doctor of the Day will be allocated from the annual MOCAP budget.

ARTICLE 8 - DISPUTE RESOLUTION

8.1 Disputes as to the interpretation, application, operation or alleged breach of this Agreement are Provincial Disputes and will be resolved in accordance with the provisions of Articles 20, 21 and 22 of the 2022 Physician Master Agreement applicable to Provincial Disputes.

IN WITNESS WHEREOF the parties have executed this Agreement by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022.

By no later than April 1 of the same year, the JSC must amend the Isolation Points assigned to each of the communities in Appendix A, to reflect the results of the annual review. Implementation of an RSA Community's Isolation Points will be based on a five-year rolling point average.

5.9 Where, as a result of a review pursuant to section 5.9 or section 5.10, the JSC assigns a community:

- (a) less than the minimum number of Isolation Points required for eligibility as determined by the JSC then, in the year to which that assignment applies physicians will no longer be eligible for the Flat Premium or Percentage Fee Premium;
- (b) between 0.5 and the minimum number of Isolation Points required for eligibility as determined by the JSC, it will be deemed to be a “D” community and physicians residing and practising in such community will only be eligible for the RCME, the RGPLP, the RSLP, the RGPALP, the RIF, the RCF, the SPLP, the REEF and the REAP, all in accordance with the specific terms, conditions, rules and eligibility criteria applicable to each of those programs as established by the JSC from time to time; and
- (c) less than 0.5 Isolation Points, the community will be deleted from Appendix “A” and physicians residing and/or providing services in such community will be ineligible for Rural Programs and RSA Funded Rural Programs.

5.12 Where a community has been recommended for inclusion in Appendix A in accordance with section 4.3, the JSC must evaluate the community by application of Appendix C. If the evaluation results in a rating for the community of at least 0.5 Isolation Points, the JSC must add the community to Appendix A.

5.13 The JSC will periodically review Appendix B and may, by consensus decision, make any changes determined by the JSC to be appropriate.

5.14 In the event the JSC is unable to reach a consensus decision with regard to any matter that it is required by this Agreement to decide, the Government and/or the Doctors of BC may refer the matter in dispute for in accordance with section 21.2 of the 2022 Physician Master Agreement.

5.15 The JSC must establish practices and procedures appropriate to decisions with respect to the disbursement of public funds, including conflict of interest guidelines. The practices and procedures adopted by the JSC must include provisions that promote accountability, transparency and, consistent with section 5.3 of the 2022 Physician Master Agreement, confidentiality.

5.16 On an annual basis, the JSC will develop a work plan, ensure that evaluations to measure outcomes are an integral part of the work plan, and report to the Physician Services Committee in the manner outlined in section 6.3(a) of the 2022 Physician Master Agreement.

5.17 The JSC must follow any communication protocol developed by the Physician Services Committee, and in any event must ensure that the co-chairs of the JSC pre-approve any communication about the business and/or affairs of the JSC.

- (b) To be eligible for a Flat Premium, a physician must meet all eligibility criteria approved or established by the JSC from time to time.
- (c) The value of the Percentage Fee Premium and the value of the Flat Premium, each as applicable to each RRP Community, will be based on the Isolation Points allocated by the JSC to such community at least annually in accordance with sections 5.9 and 5.10, and the value of the Percentage Fee Premium and Flat Premium resulting therefrom shall be determined by the JSC.
- (d) Percentage Fee Premiums apply to the professional component of radiologists' and pathologists' in-patient and emergency services.
- (e) Subject to 6.2, the Government will continue to fund the RRP at a level sufficient to maintain Percentage Fee Premium and Flat Premium values that reflect the implementation of the at least annual application of Appendix B and the amendments to the Isolation Points for each RRP Community that result therefrom, on the following basis:
 - (i) for RRP Communities without a resident physician and without a vacancy, a Percentage Fee Premium will be available in an amount equal to the total Isolation Points for the RRP Community in question but to a maximum Percentage Fee Premium of 30%;
 - (ii) for RRP Communities with at least one resident physician or at least one vacancy, a Percentage Fee Premium will be available in an amount equal to 70% of the Isolation Points for the RRP Community in question but to a maximum Percentage Fee Premium of 30%;
 - (iii) for RRP Communities with at least one physician living and working, a Flat Premium will be available in an amount equal to 30% of the Isolation Points for the RRP Community in question multiplied by a multiplier as agreed to by the JSC; and
 - (iv) if the JSC chooses not to implement reductions in Isolation Points for RRP Communities as a result of the application of Appendix B, the cost of maintaining the Percentage Fee Premium and Flat Premium values will be paid out of funds provided in Article 9.

7.11 The **RCF** is a program that makes payments available to Health Authorities to assist in the recruitment of physicians to RSA Communities, where the difficulty in filling a vacancy is, or is expected to be, especially severe and where the failure to fill the vacancy in a timely manner would have a significant impact on the delivery of medical care as required by the applicable Health Authority's Physician Supply Plan; such payments are to be used to pay expenses associated with recruiting activities or to supplement the benefit available to a recruited physician under the RIF, in accordance with the specific terms, conditions, rules and eligibility criteria approved or established by the JSC from time to time.

7.12 The **REAP** is a program that provides funds to support and facilitate the education and training of the rural aspects of practice competencies for physicians to support rural practice in accordance with the specific terms, conditions, rules and eligibility criteria as approved or established by the JSC from time to time. The JSC may provide advice and recommendations to the Government and the Doctors of BC with respect to rural undergraduate, postgraduate and specialty medical education and training programs.

PHYSICIAN SUPPLY PLANS

- 1.1 A Physician Supply Plan is a plan created by a Health Authority further to the Ministry's Health Human Resource Strategy, in consultation with the Health Authority's medical advisory committee, and approved by the Ministry, which addresses issues related to access to physician services within the geographic jurisdiction of the Health Authority.
- 1.2 For purposes of this Agreement, the key elements of a Physician Supply Plan are:
 - The number of Family Physicians and Specialists required to provide the physician services identified in the Physician Supply Plan; and
 - The on-call requirements necessary to ensure coverage.
- 1.3 In some cases, Health Authorities do not yet have approved Physician Supply Plans. Pending development and approval of a Physician Supply Plan covering a community within the jurisdiction of a Health Authority without a Physician Supply Plan, a reference to "Physician Supply Plan" in this Agreement means, with respect to that community:
 - The number of Family Physicians and Specialists in the community as of December 31 of the previous year, plus any vacancies identified by the Health Authority as of that date where active recruitment was underway; and
 - On-call requirements as determined by the Health Authority.
- 1.4 Despite any provision to the contrary, all physicians working in any RSA Community as of December 31 of the previous year are deemed to be included in the Physician Supply Plan for the term of this Agreement.

2.8 “**Physician Placement System**” has the meaning given in section 12.6.

2.9 “**Physician Services**” means clinical and related teaching, research and clinical administrative services provided by Physicians.

2.10 “**Salary Agreement Full Time Equivalent**” means 1957.5 paid hours of employment per year for a Physician employed under a Salary Agreement.

2.11 “**Specialist Services**” means Physician Services generally recognized as requiring Specialist Physician expertise.

2.12 “**Template Service Contract**” means a Service Contract in the form(s) attached as Schedule E to this Agreement.

2.13 “**Template Sessional Contract**” means a Sessional Contract in the form(s) attached as Schedule F to this Agreement.

2.14 The provisions of sections 1.2 to 1.8 inclusive of the 2022 Physician Master Agreement are hereby incorporated into this Agreement and shall have effect as if expressly set out in this Agreement, except those references in such sections to “this Agreement” shall herein be construed to mean this Agreement.

ARTICLE 3 - TERM

3.1 This Agreement comes into force on April 1, 2022.

3.2 This Agreement shall be for the same term as the 2022 Physician Master Agreement and will be subject to renegotiation and/or termination pursuant to Articles 26 and 27 of the 2022 Physician Master Agreement.

ARTICLE 4 - ALLOCATION COMMITTEE

4.1 By February 1, 2023 the Government and the Doctors of BC shall appoint a temporary committee (“**Allocation Committee**”) in accordance with the provisions of this Article 4, whose role it will be to increase the Salary Agreement Ranges and the Service Contract Ranges by allocating the funding identified in sections 1.1(b), 1.2 (b) and 1.3(b) of Appendix F to the 2022 Physician Master Agreement effective April 1, 2022, April 1, 2023 and April 1, 2024, respectively.

4.2 The Allocation Committee will be composed of an equal number of members appointed by each of the Government and the Doctors of BC. Decisions of the Allocation Committee will be by consensus decision and must be consistent with the provisions of this Agreement and the 2022 Physician Master Agreement. If the Allocation Committee is unable to reach a decision on the distribution of the funding identified in sections 1.1(b), 1.2 (b) and 1.3(b) of Appendix F to

the 2022 Physician Master Agreement by January 31, 2024, the applicable funding will be allocated, subject to the eligibility provisions of this Agreement, on the basis of an equal annual dollar increase per FTE to all Service Contract and Salary Agreement Rates and Ranges effective April 1 of the Fiscal Year for which the funding is allocated.

4.3 The Government and the Doctors of BC will each bear the costs of their own respective participation on the Allocation Committee.

4.4 The Allocation Committee will make a single decision that will apply to the 2022/23, 2023/24, and 2024/25 Fiscal Years.

4.5 The cost of the increases to the Salary Agreement Ranges and Rates and Service Contract Ranges and Rates for each of the 2022/23, 2023/24, and 2024/25 Fiscal Years will be based on the FTE distribution of Physicians on Service Contracts and Salary Agreements in Fiscal Year 2022/23 and will include the associated incremental RRP cost increases and the associated incremental benefit cost increases for salaried Physicians in Fiscal Year 2022/23.

4.6 The Government will provide the Allocation Committee with the 2022/23 FTE distribution information by June 1, 2023.

4.7 The Allocation Committee will consider income disparity between practice categories and will not consider any allocations made in the 2019 Physician Master Agreement or in subsequent Physician Master Agreements to address After-Hours work when allocating the funding in sections 1.1(b), 1.2 (b) and 1.3(b) of Appendix F to the 2022 Physician Master Agreement among the Service Contract Ranges and among the Salary Agreement Ranges.

4.8 Schedule A and Schedule B of this Agreement will be revised to reflect the increased Salary Agreement Ranges and the increased Service Contract Ranges for the applicable Fiscal Years upon being confirmed as final by the Allocation Committee. In each case, affected physicians under existing Service Contracts and Salary Agreements will be placed within the applicable amended Service Contract Range or Salary Agreement Range at the same level as their current placement (e.g. range minimum, mid-range, or range maximum).

ARTICLE 5 –PHYSICIAN WORKLOAD

5.1 In order to fund additional full time equivalents of Physician Services (the “**FTEs**”) to address workload pressures of Physicians on Service Contracts or Salary Agreements, the Government will, for each Fiscal Year of this Agreement, increase the provincial budget for Service Contracts and Salary Agreements in effect at the end of the preceding Fiscal Year by allocating the following amounts:

- (a) \$53.75 million effective April 1, 2023; and
- (b) \$28 million effective April 1, 2024.

The Government will also make an additional \$47 million available for allocation effective April 1, 2023. The Government will determine, at its discretion, the portion of the \$47 million that will

be allocated in the 2023/24 Fiscal Year and the portion that will be allocated in the 2024/25 Fiscal Year, following assessment of the proposals submitted under the process set out in section 5.3. If, in any Fiscal Year of this Agreement, the total funding request in the combined proposals submitted to Government under the process set out in section 5.3 is less than the amounts allocated pursuant to this section 5.1, the Government may use the difference to establish, at its discretion, new Alternative Payment Arrangements.

5.2 At the end of the 2023/24 and 2024/25 Fiscal Years of this Agreement, the Government will report to the Doctors of BC expenditures for additional FTEs allocated in those Fiscal Years at the level of individual or group Service Contracts and Salary Agreements.

5.3 The funding process for additional FTEs will be as follows:

- (a) Physician(s) providing services under Service Contracts or Salary Agreements who experience significant and sustained growth in workload may submit a proposal to the relevant Agency to request new funding for additional FTEs (in whole or in part) prior to January 15, 2023 for funding in Fiscal Year 2023/24, and prior to November 30, 2023 for funding in Fiscal Year 2024/25.
- (b) Physician proposals will be in a standardized template developed by Government, which, among other things, will require Physician(s) to submit objective, reliable data regarding physician workload.
- (c) Following receipt of a proposal from Physician(s) for additional funding, the Agency and Physician(s) will meet to review the proposal. The Agency may provide any other relevant data not contained in the Physician(s)' proposal and may identify solutions other than additional FTEs to address growth in physician workload. The Agency and Physician(s) will attempt to reach agreement on whether there is a physician workload problem that should be addressed by additional FTEs.
- (d) By March 15, 2023 for Fiscal Year 2023/24 and by January 31, 2024 for Fiscal Year 2024/25, the Agency will submit to Government the Physician(s)' proposal(s) for funding for additional FTEs, indicating whether or not the Agency supports the proposal and, if it does not support the proposal, the reasons why.
- (e) Within six weeks of the deadline for submission to the Government of all proposals for funding for additional FTEs, Government will consult with a Workload Advisory Committee comprised of four physicians appointed by the Doctors of BC to review and assess the proposals.
- (f) In assessing the proposals for funding for additional FTEs, the Government will consider the growth in hours, volume, complexity of services and/or other measures of workload and will not deny any proposals on the basis that hours of services have not exceeded the FTE.

- (g) Within six weeks of the first meeting between the Government and the Workload Advisory Committee, the Government will report to the Doctors of BC the budget commitments/allocations at the level of individual or group Service Contract and Salary Agreements and, for the initial allocation in 2023, what portion of the additional \$47 million was allocated and what portion remains for Fiscal Year 2024/25.
- (h) Where the allocation is to support additional FTEs under a group Service Contract, funding for the additional FTEs will be made available under the same terms and conditions as the existing group Service Contract. Any renewal negotiations will occur independently of and subsequent to the allocation of the additional FTEs.
- (i) Where the allocation is to support additional FTEs under individual Service Contracts and there is urgent need for additional Physician Services, Physician(s) and the Agency may agree to temporarily amend existing Service Contracts or offer new Service Contracts to existing Physician(s), on a temporary basis pending recruitment of new Physician(s).
- (j) The Government will provide the Physician(s) with reasons where a proposal submitted in accordance with section 5.3 is not approved.

5.4 The Government and Doctors of BC will continue the Provincial Workload Measures Working Group (“**PWMWG**”) composed of four members appointed by the Government/Health Authorities and four members appointed by the Doctors of to collaboratively develop a non-exhaustive list of standardized provincial workload measures by Practice Category/Clinical Service Area (“**Provincial Workload Measures**”). In this regard, a “**Workload Measure**” is defined as a tool to identify relevant information for the review of physician workload. The PWMWG will submit a work plan to the Physician Services Committee on an annual basis and will submit regular reports on progress at the request of the Physician Services Committee.

5.5 The Government and the Doctors of BC will add a new Appendix to the Template Service Contracts and the Standard Terms and Conditions of Employment Under Salary Agreements set out in Schedules D and E, respectively, to this Agreement titled “Workload Measures” (the “**WL Appendix**”), and the Government and the Doctors of BC agree that:

- (a) The Agency and Physician(s) must expressly include one to three relevant Workload Measure(s), which may include Provincial Workload Measures (if there are applicable Provincial Workload Measures) in the WL Appendix by agreement. In the event that the parties are unable to reach agreement on such workload measures, applicable Provincial Workload Measures will be added to the WL Appendix, and if there are no applicable Provincial Workload Measures, the parties will refer the matter to the Trouble Shooter for non-binding recommendations.
- (b) The WL Appendix will provide that Workload Measure(s) included in the WL Appendix:

- (i) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (ii) may, and are expected to, change over time;
 - (iii) do not preclude an Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (iv) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (v) do not create any contractual obligations on the Agency or the Physician(s).
- (c) To support consistency in the identification of workload measure(s) in the WL Appendix, the Government and Doctors of BC agree that Physicians will be encouraged to work together in circumstances where there are multiple individual Service Contracts or Salary Agreements for similar Physician Services with the same Health Authority.
- (d) For greater clarity, nothing in this section 5.5 precludes local parties from agreeing to more than 1-3 Workload Measure(s) or agreeing to Workload Measure(s) in Service Contracts and/or Salary Agreements prior to the addition of the WL Appendix.

5.6 The Government and the Doctors of BC shall continue the temporary committee called the “Provincial Laboratory Physician Workload Model Committee” (the “LPWMC”). The LPWMC shall be composed of four members appointed by the Government and four members appointed by the Doctors of BC. The LPWMC shall be co-chaired by one committee member chosen by the Government members and one committee member chosen by the Doctors of BC members.

5.7 Decisions of the LPWMC shall be by consensus decision.

5.8 The LPWMC will have the following mandate:

- (a) to determine how the anatomical pathology workload model will be used in or related to local laboratory physician contracts;
- (b) to continue development and validation of a clinical pathology workload model; and
- (c) to determine how the clinical pathology workload model will be used in or related to local laboratory physician compensation contracts.

5.9 The LPWMC shall determine its own procedures and timelines.

5.10 Recognizing that work on the clinical pathology model is still in its early stages, the Government and Doctors of BC agree that the Physician Services Committee will consider the LPWMC's decisions on the anatomical pathology workload model as soon as possible.

ARTICLE 6 - COMPENSATION ENTITLEMENT

6.1 Subject to sections 6.2 and 6.3 of this Agreement, Physicians providing Physician Services under the terms of a Salary Agreement or Service Contract or during the time for which they are paid in accordance with a Sessional Contract, are not entitled to any additional compensation for those Physician Services and may not be paid Fees or any other fees for those Physician Services.

6.2 Physicians paid pursuant to a Salary Agreement, a Service Contract or a Sessional Contract will be entitled to receive:

- (a) additional compensation under the Rural Practice Subsidiary Agreement; and
- (b) additional compensation under the 2022 Physician Master Agreement, the Family Practice Subsidiary Agreement or the Specialists Subsidiary Agreement;

where eligible under those agreements and all applicable eligibility criteria.

6.3 Physicians on Service Contracts or Sessional Contracts are entitled to participate in the Benefit Plans as defined and described in the Benefits Subsidiary Agreement, subject to the terms of the Benefits Subsidiary Agreement and the Benefit Plans.

ARTICLE 7 - COMPENSATION ADMINISTRATION

7.1 Physicians providing Specialist Services who are registered to provide Specialist Services with the College of Physicians and Surgeons of British Columbia but who do not hold certification or fellowship with the Royal College of Physicians and Surgeons of Canada, will, subject to agreement of the Physician Services Committee, be paid at the appropriate Sessional Contract Rate or on the appropriate Salary Agreement Range or Service Contract Range for the practice category for such Specialist Services. Pending that agreement of the Physician Services Committee, the Physician may be so paid for a period of up to six months. A Physician being paid under a Service Contract or a Salary Agreement pursuant to this section 7.1 will normally be placed at the minimum rate on the appropriate range unless the Physician Services Committee approves placement elsewhere on the range.

7.2 The Community Medicine/Public Health Areas A-D practice categories in Schedules A and B include Physicians who practice Community Medicine and are not classified in another medical group, including Medical Health Officers, Community Medicine Consultants and First Nations Medical/Public Health Advisors. Physicians will be assigned to one of the Community Medicine/Public Health Areas A-D practice categories on Schedule A and Schedule B in accordance with Schedule G.

7.3 Physicians who are currently being paid under a Salary Agreement or a Service Contract at an annual rate that is above the range maximum on the Salary Agreement Range or Service Contract Range for their practice category will receive the applicable compensation increases described at sections 1.1 (a)(v), 1.2(a)(iv), and 1.3(a)(iv) of Appendix F to the 2022 Physician Master Agreement. Physicians who are currently being paid under a Salary Agreement or a Service Contract at an annual rate that is above the range maximum on the Salary Agreement Range or Service Contract Range for their practice category will not have their annual rate decreased as a result of the application of Schedule A or Schedule B, whichever is applicable, and will only receive compensation increases that are identified in sections 1.1(b), 1.2(b), and 1.3(b) of Appendix F to the 2022 Physician Master Agreement to the extent that their resulting compensation is within the then current applicable Salary Agreement Range or Service Contract Range.

7.4 Where Schedule A or Schedule B does not list a Salary Agreement Range or a Service Contract Range for a particular practice category, the Physician Services Committee will determine an appropriate range.

ARTICLE 8 - RELATIONSHIP WITH CONTRACTING AGENCIES

8.1 All Salary Agreements, Service Contracts and Sessional Contracts must be signed by the Physician or group of Physicians and the Agency, and the parties to such contracts shall exchange executed copies.

8.2 Subject to this Agreement, the Agency retains authority to negotiate with Physicians how Physician Services are to be delivered and what compensation is to be provided under a Salary Agreement, a Service Contract or Sessional Contract.

8.3 Except for the indemnity at section 4.6 of the Individual Template Service Contract and Individual Template Sessional Contract and section 4.7 of the Group Template Service Contract and the Group Template Sessional Contract, Alternative Payment Arrangements must not contain provisions requiring either the Physician or the Agency to indemnify the other in the event of a claim by a third party. For greater clarity, this clause is not intended to abrogate the common law rights of parties to an Alternative Payment Arrangement to claim indemnification from any other party.

8.4 Subject to sections 8.5 and 8.6, all Service Contracts and Sessional Contracts must be in the forms for each set out in Schedules E and F to this Agreement.

8.5 The parties to a Service Contract or a Sessional Contract may agree to contractual provisions that are in addition to those found in Schedules E and F to this Agreement provided that these additional provisions are not inconsistent with the spirit and intent of this Agreement.

8.6 The Template Service Contracts and the Template Sessional Contracts may be amended to reflect the legal status of the parties to the contract and the number of parties to the contract.

PART 2- PHYSICIANS EMPLOYED UNDER SALARY AGREEMENTS

ARTICLE 9 - COMPENSATION AND HOURS OF WORK

9.1 Physicians employed under Salary Agreements will be compensated within the Salary Agreement Range for the applicable practice category.

9.2 Physicians working less than a Salary Agreement Full Time Equivalent will receive a proportionate amount of compensation.

9.3 Annual salaries of Physicians under Salary Agreements include payment for time spent providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.

9.4 When a Physician is initially employed by an Agency under a Salary Agreement, the Physician's annual salary on the Salary Agreement Range for the applicable practice category will be the subject of an agreement between the Agency and the Physician and reflected in the offer of employment. Thereafter, annual in-range movement on the Salary Agreement Range will be on the same basis as senior management employees of the Agency, provided that no such movement shall result in any Physician's annual salary exceeding the range maximum on the Salary Agreement Range for the applicable practice category.

9.5 Effective April 1, 2023, to claim After-Hours Premiums, all Physicians under Salary Agreements must report to the Agency all hours of Physician Services provided After-Hours together with the date, name of the Agency facility where the Physician Services were provided, and the start and stop times, rounded to the nearest 15 minutes.

ARTICLE 10 - STANDARD TERMS AND CONDITIONS OF EMPLOYMENT UNDER SALARY AGREEMENTS

10.1 All Salary Agreements include and shall be deemed to include the standard terms and conditions of employment set out in Schedule D except in the case of Salary Agreements entered into before November 4, 2002 that reflect comparable practices. The Agency must provide the Physician with a copy of the applicable terms and conditions of employment.

10.2 The Agency retains full authority to direct the operations of its services, subject to this Agreement and the Physician's right to professional autonomy.

10.3 Notwithstanding section 10.1, terms regarding severance and current levels of support, office space, supplies and professional development entitlement and support in agreements between Physicians and Agencies in place on November 4, 2002 shall be maintained for twelve months from the date of written notice of a change to such term(s) being provided to the Physician.

10.4 Severance entitlements under all Salary Agreements must conform to the Employment Termination Standards established for the purposes of section 14.4 of the *Public Sector Employers Act* and amendments thereto.

ARTICLE 11 - BENEFITS, VACATION AND EXPENSES

11.1 Physicians employed under Salary Agreements will receive their benefits through the Agency that is their employer and, with the exception of the Physician Health Program, are not entitled to participate in the Benefit Plans as defined and described in the Benefits Subsidiary Agreement, unless otherwise specified in the Benefits Subsidiary Agreement.

11.2 Physicians employed under Salary Agreements are entitled to benefits and vacation at the same level and under the same terms as those provided to the senior management employees of the Agency that is their employer. In addition, the following will apply to Physicians employed under Salary Agreements:

- (a) reimbursement for the cost of annual dues of the College of Physicians and Surgeons of British Columbia and, where such membership is a requirement of employment, the Royal College of Physicians and Surgeons of Canada or the College of Family Physicians of Canada;
- (b) reimbursement for other approved professional fees to the maximum permitted by existing employer policies;
- (c) reimbursement for the annual dues or premiums, as applicable, for membership in the Canadian Medical Protective Association or coverage under a comparable professional/malpractice liability insurance plan;
- (d) a minimum of five days each year with pay for participation in Continuing Medical Education; and
- (e) reimbursement for Continuing Medical Education expenditures which, at a minimum, will be equivalent to that available under the Benefits Subsidiary Agreement.

11.3 In no case will a Physician's vacation, benefits, Continuing Medical Education, professional costs and fees, under an existing Salary Agreement be diminished as result of this Agreement.

11.4 Notwithstanding the employer's vacation policy, if a Physician employed under a Salary Agreement is not permitted by their employer to take any or all of their vacation entitlement, then the Physician may:

- (a) be paid out for the unused vacation days in the form of a lump sum cash payment in the employment year immediately following the employment year to which the unused vacation days are attributable;
- (b) carry forward the unused vacation days and use them for vacation leave in the employment year immediately following the employment year to which the unused vacation days are attributable; or

- (c) in the employment year immediately following the employment year to which the unused vacation leave is attributable, choose in part, to be paid out under section 11.4(a) and, in part, to use them for vacation leave under section 11.4(b).

PART 3 – PHYSICIAN SERVICES PROVIDED UNDER A SERVICE CONTRACT

ARTICLE 12 - COMPENSATION AND HOURS OF SERVICE

12.1 Physicians providing Physician Services under Service Contracts will be compensated within the Service Contract Range for the applicable practice category.

12.2 Subject to section 12.7, Physicians shall provide a minimum of 1680 hours to a maximum of 2400 hours of Physician Services per year in order to receive an annual rate on the Service Contract Range, and such number of hours will constitute one full time equivalent for the purposes of this Article 12. The parties recognize that many Physicians must work hours in addition to their contract hours, providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.

12.3 Parties to intended Service Contracts must attempt to reach agreement on the number of hours per year, between 1680 and 2400 hours, that will constitute a full time equivalent under the Service Contracts, and the following shall apply:

- (a) the parties may agree to a range of hours to address uncertainty in the expected number of hours per year;
- (b) if the parties are unable to reach agreement on the number of hours or a range of hours per year, between 1680 and 2400 hours, that will constitute a full time equivalent under the Service Contract to meet the deliverables required by the Agency, a party may request, through the Doctors of BC and the Government, the use of the Trouble Shooter by providing a written notice to the other party that includes an initial summary of facts/information upon which they rely; an outline of their arguments including as to how the facts and information support their position on the appropriate FTE, and the FTE definition sought;
- (c) within 30 days of receipt of the notice described in section 12.3(a), the other party will submit a reply to the party that submitted the notice and the Joint Agreement Administration Group;
- (d) 45 days following the notice described in section 12.3(a), or a longer period determined by the Joint Agreement Administration Group, if the parties have not reached an agreement on what will constitute a full time equivalent under the Service Contract, either the Doctors of BC or the Government may request the Trouble Shooter to assist in resolving the disagreement and will provide the Trouble Shooter with copies of the notice and reply. The Trouble Shooter will then commence a fact-finding review and issue recommendations, consistent with section 12.2, to the Joint Agreement Administration Group and the local parties, and such recommendations will be treated by the Doctors of BC, the Government,

and the local parties as confidential unless otherwise agreed by the Joint Agreement Administration Group;

- (e) in arriving at a recommendation, the Trouble Shooter will consider the annual hours of work reported in the most recent National Physician Survey, the conditions under which the Physician Services have been provided previously, and the hours of work for Physician Services under Service Contracts, Sessional Contracts and fee for service arrangements in British Columbia and other jurisdictions, and any additional information the Trouble Shooter determines is relevant and appropriate to the fact finding review. The Trouble Shooter will determine the weight to be given to each category of information considered, and may give no weight to a particular category; and
- (f) the local parties may agree at any time to be bound by recommendations made by the Trouble Shooter, subject to section 20.2 of the 2022 Physician Master Agreement.

12.4 Physicians providing less than the hours of service per year required for a full time equivalent under any Service Contract will receive a proportionate amount of the compensation required for a full time equivalent under such Service Contract.

12.5 The Service Contract Range for emergency medicine is based on a maximum of 1680 hours of emergency medicine Physician Services per year including time spent providing indirect patient care at the beginning and end of each scheduled shift.

12.6 The Doctors of BC and the Government have developed criteria for range placement (the “**Physician Placement System**”), to be applied in determining Service Contract Range placement for Physicians providing Physician Services under Service Contracts.

12.7 Subject to section 12.9, in the case of a Service Contract for a group of Physicians, the rate for determining the financial value of the Service Contract shall be either:

- (a) the composite rate on the Service Contract Range for the applicable practice category derived from the application of the Physician Placement System to each Physician in the group; or
- (b) the rate equal to 95% of the maximum rate on the Service Contract Range for the applicable practice category;

as selected by the Physician group. The Physician group is bound by the option it selects.

12.8 In the case of any Service Contract for a group of Physicians, the Physician group will, within the total financial value of the Service Contract, determine rates of compensation for the individual Physicians in the group that the group deems appropriate (e.g. time of day, weekends, amount of time worked by an individual Physician).

12.9 A Physician or Physician group providing Physician Services under a Service Contract in existence as at March 31, 2022 may, upon renewals of that Service Contract, for the purposes of

establishing a rate for determining the financial value of a renewal of the Service Contract, instead of selecting a rate as provided in section 12.7, select a rate equal to the lesser of:

- (a) the maximum rate on the Service Contract Range for the applicable practice category; and
- (b) the rate determined according to the following formula:

$$x = [(A \div B) \div C] \times D$$

where:

- x = the rate;
- A = the financial value of the expiring Service Contract;
- B = the number of full time equivalents for the expiring Service Contract;
- C = the maximum rate on the Service Contract Range for the applicable practice category at the time the expiry of the Service Contract; and
- D = the maximum rate on the Service Contract Range for the applicable practice category at the time of renewal of the Service Contract.

12.10 Any dispute between an Agency and a Physician or group of Physicians as to the proper application of the Physician Placement System to the Physician or group of Physicians (a “**Local Range Placement Dispute**”) will be resolved pursuant to the provisions of Articles 20, 21 and 22 of the 2022 Physician Master Agreement applicable to Local Range Placement Disputes.

12.11 All Service Contracts must include clear and specific provisions that identify the respective responsibilities of the Agency and the Physician or Physician group regarding the provision of support, technology, materials and supplies.

12.12 All Service Contracts must contain a comprehensive description of the Physician Services to be provided to the Agency.

12.13 Upon renewal or establishment of Service Contracts, all Service Contracts will:

- (a) Require daily hours reporting including start and stop times and the location of the Physician Services, as follows:
 - (i) Location will be either “on-site” or “off-site” (the Physician or group of Physicians and the Agency will agree to what locations are considered “on site”).
 - (ii) For scheduled Physician Services, report daily start and stop times rounded to the nearest 15 minutes, with additional start and stop times

required if needed to report blocks of Physician Services separated by periods longer than 30 minutes.

- (iii) For unscheduled Physician Services, report total daily hours rounded to the nearest 15 minutes.
 - (iv) Effective April 1, 2023, to claim After-Hours Premiums, report all hours of Physician Services (scheduled or unscheduled) provided After-Hours, together with the date, name of the Agency facility where the Physician Services were provided, and the start and stop times rounded to the nearest 15 minutes.
 - (v) On any days where a Physician provides Physician Services under a Service Contract and also provides any services outside the scope of the Service Contract on a fee-for-service basis on the same day, the Physician will report start and stop times for both scheduled and unscheduled Physician Services, and will also, whether or not required by MSP or other paying agency, enter start and stop times and an appropriate location code for the fee-for-service patient encounter(s).
- (b) The requirements set out in (a) above will not result in a reduction in any reporting, including hours reporting, already being provided under a Service Contract. The Physician or group of Physicians and the Agency may agree to more detailed hours reporting than what is required in (a).

PART 4- PHYSICIAN SERVICES PROVIDED UNDER A SESSIONAL CONTRACT

ARTICLE 13 - COMPENSATION

13.1 Compensation for Physicians (including forensic practitioners) providing Physician Services under Sessional Contracts will be based on the applicable rate set out in Schedule C.

13.2 A session, for the purposes of a Sessional Contract, is 3.5 hours of Physician Services. A session may be an accumulation of lesser time intervals adding up to 3.5 hours. Smaller amounts of time not adding up to a full session will be recognized provided, however, that payment will not be made until such smaller amounts of time have accumulated to at least a quarter of an hour.

13.3 The hourly rate of payment for sessional time will be determined by dividing the appropriate sessional rate set out in Schedule C by 3.5 hours.

13.4 A Physician who is a party to a Sessional Contract with an Agency and who is called in by the Agency to provide a Physician Service will be compensated for the Physician Service provided at the Physician's hourly rate under the Sessional Contract, which payment will be for a minimum of one hour; such payment to be in addition to any payment the Physician is entitled to under a MOCAP Contract.

13.5 Travel expenses related to Physician Services performed by forensic practitioners under a Sessional Contract will be in accordance with the rates established for “Group 2” (public service) employees.

13.6 Required travel rates and related billing guidelines for forensic practitioners will be in accordance with the Medical Expert Witness Billing Fees and Guidelines, as amended from time to time.

ARTICLE 14 - DISPUTE RESOLUTION

14.1 Disputes as to the interpretation, application, operation or alleged breach of this Agreement are Provincial Disputes and will be resolved in accordance with the provisions of Articles 20, 21 and 22 of the 2022 Physician Master Agreement applicable to Provincial Disputes.

IN WITNESS WHEREOF the parties have executed this Agreement by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022.

Schedule “D” to the Alternative Payments Subsidiary Agreement

STANDARD TERMS AND CONDITIONS OF EMPLOYMENT UNDER SALARY AGREEMENTS

1. Association of Doctors of BC

- (a) The Physician is entitled, at his or her option, to representation by the Association of Doctors of BC (the “Doctors of BC”) in the discussion or resolution of any issue arising under this Salary Agreement, including without limitation the re-negotiation or termination of this Salary Agreement.

2. Responsibilities and Workload

- (a) The Physician’s responsibilities will be defined and communicated to them by their supervisor. There will be ongoing communication between the Physician and their supervisors regarding the performance of the Services, including issues relating to workload and distribution of clinical, academic and administrative responsibilities. If they are unable to reach agreement on an approach to resolve the concerns in these areas, which may include, temporarily adjusting the service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Salary Agreement or a separate agreement, either party may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact finding review and issue recommendations. If they are unable to reach agreement following the use of a Trouble Shooter, either the Government or the Doctors of BC may refer the matter to the Physician Services Committee as a Local Interest Issue.
- (b) The nature of the Physician’s position requires them to be flexible about hours of work. The Physician is required to be adaptable to a work situation, which may result in working hours other than those considered to be the normal hours of work. The annual salary of the Physician includes payment for additional hours spent providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.
- (c) In order to claim After-Hours Premiums, the Physician must report to the Agency all hours of work provided After-Hours (as defined in the Alternative Payments Subsidiary Agreement), together with the date, name of the Agency facility where the hours of work were provided and the start and stop times, rounded to the nearest 15 minutes.

3. Probation and Termination

- (a) The Physician shall be subject to the Employer’s probation policy applicable to senior management employees, unless the Employer and Physician agree otherwise.

- (b) The Employer may, at any time, terminate the Physician's employment without notice or pay in lieu of notice if the Employer has just cause for termination.
- (c) The Employer may, at any time, terminate the Physician's employment on notice or by making payment in lieu of notice. The amount of notice or payment in lieu of notice afforded by the Employer to the Physician terminated under this provision shall be calculated in accordance with common law and statutory standards, including the Public Sector Employers Act and any applicable regulations.
- (d) Termination of employment by the Physician will require three months' notice, or a shorter period as may be agreed to by the parties.
- (e) On termination of the Physician's employment, the Employer must provide the Physician with the necessary support to abide by all applicable patient notification requirements of the College of Physicians and Surgeons of BC.

4. Fee for Service and Third Party Billings

- (a) Unless specified otherwise, the Physician will not retain fee-for-service billings or receive any other form of remuneration for the services or procedures provided under the terms of this Salary Agreement.
- (b) Where the Available Amount is not a source of funding for this Salary Agreement, the Physician will sign:
 - (i) a waiver in the form attached hereto as Appendix 1A and such other documentation in connection with such waiver as may be reasonably required; or
 - (ii) if the Physician is required to assign to the Employer any and all rights the Physician has to receive third party billings for any of the services or procedures provided under the terms of this Salary Agreement, a waiver and assignment in the form attached hereto as Appendix 1B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- (c) Where the Available Amount is a source of funding for this Salary Agreement, the Physician assigns to the Employer any and all rights he or she may have to receive fee-for-service payments from the Available Amount for any of the services or procedures provided under the terms of this Salary Agreement, and will sign an assignment in the form attached hereto as Appendix 2.
- (d) The Physician shall retain one hundred per cent (100%) of third party billings provided they are not included within the services or procedures provided under the terms of, and do not conflict with the Physician's obligations under, this Salary Agreement. For the purposes of this clause, third party billings include but are not limited to:

- (i) billings for services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
- (ii) billings for non-insured services, excluding medical/legal services, and
- (iii) billings for services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.

5. Autonomy

- (a) The Physician will provide the services under this Salary Agreement in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws or rules and regulations that are not inconsistent with, and do not represent a material change to, the terms of this Salary Agreement.
- (b) Subject to section (5)(a), the Physician is entitled to professional autonomy in the provision of the services covered by this Salary Agreement.

6. Locum Coverage

- (a) The Employer, at its sole discretion, shall be responsible for securing the services of a locum in consultation with the Physician.

7. Dispute Resolution

- (a) This Salary Agreement shall be governed by and construed in accordance with the laws of British Columbia.
- (b) All disputes arising out of or in connection with this Salary Agreement that the parties are unable to resolve at the local level, may be referred to mediation on notice by either party to the other, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be a location agreed to by the parties in British Columbia and the language of the arbitration will be English.
- (c) Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this section 7 will prevent any party from commencing arbitration at any time to preserve a legal right, including but not limited to relating to a limitation period.

- (d) The Employer and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC shall have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- (e) Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

8. Licenses & Qualifications

- (a) The Physician is and shall remain a registered member in good standing with the College of Physicians and Surgeons of British Columbia and conduct their practice of medicine consistent with the conditions of such registration.
- (b) The Physician is and shall remain enrolled in the Medical Services Plan.
- (c) If all or some of the services provided under this Agreement are Specialist Services, then the Physician must be and remain registered by the College of Physicians and Surgeons of British Columbia to provide these Specialist Services.
- (d) Where the Employer is subject to the Hospital Act, all Physicians performing Services on behalf of the Employer must first be credentialed and granted privileges by the Employer, and no physician who has not been credentialed or obtained and maintained such privileges, shall be permitted by the Employer to perform the Services.
- (e) All medical services under this Agreement will be provided either directly by the Physician, by a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

9. Third Party Claims

- (a) Each party will provide the other with prompt notice of any action against either or both of them arising out of this Salary Agreement.

10. Medical Liability Protection

- (a) The Physician will obtain and maintain professional malpractice liability protection, at the expense of the Employer, through membership with the Canadian Medical Protective Association or an alternative professional/malpractice protection plan and will be required to provide the Employer with evidence of the required protection on request.

11. Confidentiality

- (a) The Physician and the Employer shall maintain as confidential and not disclose any patient information, except as required or permitted by law.
- (b) The Physician must not, without the prior written consent of the Employer, publish, release or disclose or permit to be published, released, or disclosed before, during the term of this Salary Agreement, or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Salary Agreement unless the publication, release or disclosure is required or permitted by law and is:
 - (i) necessary for the Physician to fulfill their obligations under this Salary Agreement;
 - (ii) made in accordance with the Physician's professional obligations as identified by the College of Physicians and Surgeons of B.C.; or
 - (iii) in reference to the Physician's Salary Agreement.

The Physician will notify the employer prior to the publication, release, or disclosure of information under (i) and (ii) above.

- (c) For the purposes of section 11(b), information shall be deemed to be confidential where all of the following criteria are met:
 - (i) the information is not found in the public domain;
 - (ii) the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgment to be confidential; and
 - (iii) the Employer has maintained adequate internal control to ensure information remained confidential.

12. Conflict of Interest

- (a) During the term of this Salary Agreement, absent the written consent of the Employer, the Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest.
- (b) The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach section 12(a). Should they not be able to resolve the issue, the matter will be dealt with in accordance with section 7 above.

WORKLOAD MEASURES

The inclusion of one to three Workload Measures, or more by agreement, in this Appendix is mandatory. If the parties are unable to agree to the proposed Workload Measure(s), the Provincial Workload Measure(s) applicable to that Practice Category/Clinical Service Area will be included instead. For clarity, the Agency and the Physician(s) are not precluded from agreeing to include one or more Provincial Workload Measure(s) in combination with one or more other Workload Measure(s). If the parties are unable to agree to the proposed Workload Measure(s) and there are no applicable Provincial Workload Measure(s), the parties will refer the matter to the Trouble Shooter for non-binding recommendations.

Physicians under multiple individual Service Contracts or Salary Agreements for similar Physician Services are encouraged to work together to support consistency in the identification of Workload Measure(s) across those contracts.

1. A “**Workload Measure**” is a tool to identify relevant information for the review of physician workload.
2. The following Workload Measure(s) are included in this Appendix:
 - (a) *[Insert Workload Measure(s) here]*
 - (b) *[Insert Workload Measure(s) here]*
3. For clarity, the Workload Measures included in this Appendix:
 - (a) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (b) may, and are expected to, change over time;
 - (c) do not preclude the Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (d) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (e) do not create any contractual obligations on the Agency or the Physician(s).
4. The Physician(s) and the Agency will meet *[insert agreed upon timeframe (e.g. quarterly, every 6 months)]* to review any hours reporting and consider the Workload Measures data for the purpose of assessing workload, and where there is an identifiable growth trend, discuss potential solutions, including but not limited to submitting a proposal for workload funding through the provincial workload funding process set out in section 5.3 of the Alternative Payments Subsidiary Agreement.

Schedule “E” to the Alternative Payments Subsidiary Agreement
INDIVIDUAL TEMPLATE SERVICE CONTRACT

BETWEEN:

<name of physician/corporation>

AND:

(the “**Agency**”)

WHEREAS the Physician wishes to contract with the Agency and the Agency wishes to contract with the Physician to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Service Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physician and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:
- (a) “**Contract**” or “**Service Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 24.
 - (b) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
 - (c) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing. If either party wishes to renew this Contract, it must provide written notice to the other party no later than ninety (90) days prior to the end of the Term and, as soon as practical thereafter, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.
- 2.3 Subject to clause 2.4, if both parties agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either party in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 Subject to clause 3.2, either party may terminate the Contract without cause upon six (6) months’ written notice to the other party.
- 3.2 Either party may terminate this Contract immediately upon written notice if the other party breaches a fundamental term of this Contract. For clarity, loss of privileges related to the Services provided under this Contract by the Physician is a breach of a fundamental term of this Contract.

Article 4: Relationship of Parties

- 4.1 The Physician is an independent contractor and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician.
- 4.2 Neither the Physician nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If the Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:
 - (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of

whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or

- (b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.
- 4.4 If the Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 The Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from the Physician’s failure to make any payments referred to in clause 4.5.
- 4.7 The indemnity in clause 4.6 survives the expiry or earlier termination of this Contract.

Article 5: Waiver/Assignment

- 5.1 Unless specified otherwise, the Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. The Physician may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the *Medicare Protection Act*, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.

- 5.2 Where the Available Amount is not a source of funding for this Contract, the Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required; or
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 5.3 Where the Available Amount is a source of funding for this Contract, the Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such other documentation in connection with such assignment as may be reasonably required.

Article 6: Autonomy

- 6.1 The Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.
- 6.2 Subject to clause 6.1, the Physician is entitled to professional autonomy in the provision of the Services.

Article 7: Doctors of BC

- 7.1 The Physician is entitled, at the Physician's option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 8: Dispute Resolution

- 8.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.
- 8.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that the parties are unable to resolve informally at the local level, may be referred to mediation on notice by either party to the others, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the

British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.

- 8.3 Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 8 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 8.4 The Agency and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 8.5 Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 9: Service Requirements

- 9.1 The Physician will provide the Services as described in Appendix 1 and will schedule the Physician's availability, as set out in Appendix 1, to reasonably ensure the provision of the Services.
- 9.2 Hours are as agreed upon by the parties at Appendix 1. It is understood that many circumstances require flexibility of hours and the Physician will respond to these needs.
- 9.3 If the Physician is unable to provide the Services under the terms of this Contract on a persistent basis due to significant unanticipated increases in volume or the departure of one or more Physicians, then the parties will meet to discuss and develop an approach to attempt to resolve the concern, which may include, temporarily adjusting the contract deliverables/service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Contract or a separate contract. If they are unable to reach an agreement, either party may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact-finding review and issue recommendations. If they are unable to reach agreement following the use of a Trouble Shooter, either the Doctors of BC or the Government may refer the matter to the Physician Services Committee as a Local Interest Issue.

Article 10: Licenses & Qualifications

- 10.1 During the Term, the Physician will maintain:

- (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
- (b) all other licences, qualifications, privileges and credentials required to deliver the Services.

10.2 During the Term, it is a fundamental term of the Contract that the Physician maintains enrolment in the Medical Services Plan (MSP).

- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
- (b) If the Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.

10.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physician will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.

10.4 All medical Services under this Contract will be provided either directly by the Physician, or a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

Article 11: Locum Coverage

11.1 The Physician and the Agency will work together in recruiting and retaining qualified locum physicians when necessary. Locum physicians are subject to the approval of the Agency, whose approval will not be unreasonably withheld

11.2 In circumstances where a locum physician is providing Services and will report their hours under the Contract, the locum physician will be paid from the amounts available to be paid to the Physician under this Contract and the Physician will ensure that locum physicians:

- (a) do not bill FFS for the Services;
- (b) sign a waiver/assignment in the form set out at Appendix 3, and the Physician will provide the waiver/assignment to the Agency prior to the locum physician providing Services under the Contract; and
- (c) provide any reporting as required by the Contract.

11.3 In the event a locum is not available, the Agency and the Physician may agree that the Physician will provide hours of service in excess of the annual hours of service specified at Appendix 1. In this event the parties must agree upon appropriate compensation for the additional hours of service.

Article 12: Subcontracting

12.1 The Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.

12.2 The Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.

12.3 Prior to subcontracting any of their obligations, the Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

12.4 No subcontract relieves the Physician from their obligations or liabilities under this Contract.

Article 13: Parental Leave

13.1 The Physician must make all reasonable efforts to obtain a locum (per Article 11) or a subcontractor (per Article 12) in advance of taking a Parental Leave. The Physician will inform the Agency of the Physician's intention to take a Parental Leave and the anticipated start date and length of the Parental Leave as soon as practicable, and no less than 16 weeks from the anticipated start date of the Parental Leave. The Physician will work together with the Agency to recruit a locum or subcontractor.

13.2 In the event that either a locum or a subcontractor is not available to replace the Physician for a Parental Leave, the Physician and the Agency agree that the rights and obligations of both the Physician and the Agency under this Contract may be suspended for the duration of the Parental Leave. For clarity, the Term will continue for the duration of the Parental Leave.

13.3 The Physician will provide the Agency with formal written notice a minimum of four weeks in advance of the anticipated start date of the Parental Leave, such written notice to include the start date and length of the Parental Leave. If requested by the Agency, the Physician will provide any required supporting documentation.

conclude no later than 78 weeks after the actual birth or placement date of the child. The maximum length of a Parental Leave is 78 consecutive weeks.

- 13.5 A leave of up to a maximum of 17 consecutive weeks may be taken by the Physician in the event the Physician is pregnant for more than 19 weeks, or has recently given birth, and does not become a parent. The notice requirements set out in this Article 13 may not be applicable in these circumstances. The rights and obligations of both the Physician and Agency under this Contract may be suspended for the duration of a leave pursuant to this clause 13.5. For clarity, the Term will continue for the duration of this leave.

- 16.5 If requested to do so by the Agency the Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete

The Physician will add the Agency as an additional insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

19.2 The Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:

19.2.1 necessary to fulfill the Physician's obligations under this Contract; or

19.2.2 made in accordance with professional obligations as identified by the College of Physicians and Surgeons of BC; or

19.2.3 in reference to this Contract.

 - (d) for hours provided when the Physician is not scheduled to provide Services (exclusive of Services provided while the Physician is scheduled), total daily hours rounded to the nearest 15 minutes.
2. Effective April 1, 2023, to claim After-Hours Premiums, the Physician must report to the Agency all hours of Services (scheduled or unscheduled) provided After-Hours (as defined in the Alternative Payments Subsidiary Agreement), together with the date, name of the Agency facility where the Services were provided and the start and stop times rounded to the nearest 15 minutes.
3. In the event that the Physician provides services outside the scope of this Contract on a fee-for-service basis on the same day the Physician provides Services under this Contract, the Physician, whether or not required by MSP or another paying agency, will enter start and stop times and an appropriate location code (e.g. "A" – Practitioner's Office – In Community) for the patient encounter(s). The Physician will also provide start and stop times for unscheduled Services in the same manner as for scheduled Services.
4. The Physician acknowledges that information collected by the Medical Services Commission under the authority of the *Medicare Protection Act*, including details of physician fee-for-service billings and encounter billings, may be disclosed to the Agency for any purposes authorized by law, including the purposes of administering, evaluating and monitoring the Contract. Personal information in the custody or under the control of the Agency is protected from unauthorized use and disclosure in accordance with the

Freedom of Information and Protection of Privacy Act and may be disclosed only as permitted by that Act.

It is understood and agreed that more detailed descriptions of the reporting requirements will be included in this Appendix 4 as negotiated at the local level between the Physician(s) and the Agency, and the Physician and the Agency; may agree to more detailed hours reporting than what is required in 1 above. See APSA s. 12.13(b).

APPENDIX 5

WORKLOAD MEASURES

The inclusion of one to three Workload Measures, or more by agreement, in this Appendix is mandatory. If the parties are unable to agree to the proposed Workload Measure(s), the Provincial Workload Measure(s) applicable to that Practice Category/Clinical Service Area will be included instead. For clarity, the Agency and the Physician(s) are not precluded from agreeing to include one or more Provincial Workload Measure(s) in combination with one or more other Workload Measure(s). If the parties are unable to agree to the proposed Workload Measure(s) and there are no applicable Provincial Workload Measure(s), the parties will refer the matter to the Trouble Shooter for non-binding recommendations.

Physicians under multiple individual Service Contracts or Salary Agreements for similar Physician Services are encouraged to work together to support consistency in the identification of Workload Measure(s) across those contracts.

4. A “**Workload Measure**” is a tool to identify relevant information for the review of physician workload.
5. The following Workload Measure(s) are included in this Appendix:
 - (a) *[Insert Workload Measure(s) here]*
 - (b) *[Insert Workload Measure(s) here]*
6. For clarity, the Workload Measures included in this Appendix:
 - (a) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (b) may, and are expected to, change over time;
 - (c) do not preclude the Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (d) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (e) do not create any contractual obligations on the Agency or the Physician(s).
4. The Physician(s) and the Agency will meet *[insert agreed upon timeframe (e.g. quarterly, every 6 months)]* to review any hours reporting and consider the Workload Measures data for the purpose of assessing workload, and where there is an identifiable growth trend, discuss potential solutions, including but not limited to submitting a proposal for workload funding through the provincial workload funding process set out in section 5.3 of the Alternative Payments Subsidiary Agreement.

Schedule “E” to the Alternative Payments Subsidiary Agreement
GROUP TEMPLATE SERVICE CONTRACT

BETWEEN:

**THOSE PHYSICIANS AND PROFESSIONAL MEDICAL CORPORATIONS LISTED
ON THE SIGNATURE PAGE OF THIS CONTRACT**

(each is individually a “**Physician**” and collectively all
are referred to as the “**Physicians**”)

OR

[PARTNERSHIP NAME]

(the “**Partnership**”)

OR

[CORPORATION NAME]

(the “**Corporation**”)

If this Contract is between the Agency and a partnership or a corporation, the Contract requires amendments that reflect the legal status of the parties.

AND:

(the “**Agency**”)

WHEREAS the Physicians wish to contract with the Agency and the Agency wishes to contract with the Physicians to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Service Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physicians and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician

Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

- (d) “**Contract**” or “**Service Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 25.
- (e) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
- (f) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing:
 - (a) If the Physicians wish to renew this Contract, the Physicians must provide written notice to the Agency no later than ninety (90) days prior to the end of the Term.
 - (b) If the Agency wishes to renew this Contract, it must provide written notice to the Physicians no later than ninety (90) days prior to the end of the Term.

As soon as practical after either the Physicians or the Agency has provided notice in accordance with this clause 2.2, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.

- 2.3 Subject to clause 2.4, if both the Physicians and the Agency agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either the Physicians or the Agency in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 The Physicians (collectively) or the Agency may terminate the Contract without cause upon six (6) months' written notice to the other, or immediately upon written notice if the other breaches a fundamental term of this Contract.
- 3.2 Subject to clause 3.3 and without affecting the rights and obligations of the remaining Physicians:
 - (a) each Physician has the separate and distinct right to terminate the Contract as between that Physician and the Agency without cause upon six (6) months' written notice to the Agency, with an information copy of such notice to the remaining Physicians; and
 - (b) the Agency may terminate the Contract as between the Agency and any individual Physician without cause upon six (6) months' written notice to that Physician, with an information copy of such notice to the remaining Physicians.
- 3.3 Each Physician or the Agency may terminate the Contract as between that Physician and the Agency immediately upon written notice if the other breaches a fundamental term of this Contract. For clarity, loss of privileges by a Physician related to the Services provided under this Contract is a breach of a fundamental term of this Contract.
- 3.4 No Physician will be required to resign privileges as a result of a termination of the Contract except in accordance with a fully executed and attached Appendix 7 (Resignation of Privileges Under Exclusive Contracts), if applicable. If Appendix 7 is not attached to this Contract or fully executed by the Physicians (collectively) and the Agency, it does not apply or form part of this Contract.

Article 4: Relationship of Parties

- 4.1 Each Physician is an independent contractor to the Agency and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician. No partnership relationship between the Physicians is created by this Contract or by the provision of the Services to the Agency by the Physicians. None of the Physicians intends to carry on a business with a view to profit with the other Physicians in respect of the Services.
- 4.2 None of the Physicians nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If a Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:

- (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or
 - (b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.
- 4.4 If a Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 Each Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The liability of the Physicians for payments referred to in clause 4.5 is several and not joint.
- 4.7 Each Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from that Physician’s failure to make any payments referred to in clause 4.5.
- 4.8 The indemnity in clause 4.7 survives the expiry or earlier termination of this Contract.

Article 5: Unincorporated Groups

- 5.1 As the Services are provided under this Contract by multiple Physicians, each Physician will be party to, and bound by, this Contract.

Parties to select one of three options for clause 5.2 in negotiations.

- 5.2 The Physicians will develop a process or agreement to govern their intra-group relationship.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the

Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. If the Physicians are failing to provide the Services pursuant to the terms of this Contract on a persistent basis and the Agency reasonably believes that such failure is related to the Physicians' intra-physician group governance agreement, the Agency may request a copy of the intra-physician group governance agreement from the Physicians, and the Physicians will not unreasonably deny the Agency's request.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. The Physicians will provide the Agency with a copy of the intra-physician group governance agreement within two months of the first day of the Term. Any amendments to the intra-physician group governance agreement made during the Term will be promptly disclosed to the Agency.
- 5.3 Subject to sub-clause 3.2(b), the Physicians may designate a representative from among the Physicians to represent the Physicians with respect to notices, the proposed addition of new physicians to the Contract and all invoicing and payment matters under this Contract (the "**Representative**") and will notify the Agency of the identity of the Representative. If the Representative changes during the Term, the Physicians will notify the Agency of the new Representative.
- 5.4 Where a notice under any term of this Contract is to be given to all of the Physicians, the Physicians agree that a single notice to the Representative sent to the address provided in Article 23 will constitute notice to all of the Physicians. Where notice is to be given to less than all of the Physicians, it must be given to those individual Physicians at the address(es) provided at Appendix 5.
- 5.5 In the event of the departure of a Physician pursuant to clauses 3.2 or 3.3, the parties will meet to discuss whether amendments to any Appendices are required and to make agreed changes.
- 5.6 The Physicians must use reasonable efforts to replace departing Physicians.
- 5.7 Any replacement or new physicians that the Physicians propose to add are subject to approval by the Agency in accordance with its normal policies, by-laws, and rules. Such approval will not be unreasonably withheld.
- 5.8 Subject to clause 5.7, for any new physician added to this Contract who is not an initial signatory to this Contract, the Physicians (collectively) or their Representative, the Agency, and the new physician will sign and deliver to the others an acknowledgement and agreement in the form set out in Appendix 6 ("**New Physician – Agreement to**

Join”), agreeing that the new physician will become party to and bound by the terms of this Contract.

Article 6: Waiver/Assignment

- 6.1 Unless specified otherwise, each Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. Physicians may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 6.2 Where the Available Amount is not a source of funding for this Contract, each Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required;
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 6.3 Where the Available Amount is a source of funding for this Contract, each Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such documentation in connection with such assignment as may be reasonably required.

Article 7: Autonomy

- 7.1 Each Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.

7.2 Subject to clause 7.1, each Physician is entitled to professional autonomy in the provision of the Services.

Article 8: Doctors of BC

8.1 Each Physician separately and the Physicians collectively are entitled, at their option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 9: Dispute Resolution

9.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.

9.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that any Physician(s) and the Agency (the Physician(s) or the Agency, each a **“Party to the Dispute”** or collectively **“Parties to the Dispute”**) are unable to resolve informally at the local level, may be referred to mediation on notice by either Party to the Dispute to the other, with the assistance of a neutral mediator jointly selected by the Parties to the Dispute. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the Parties to the Dispute in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.

9.3 Upon agreement of the Parties to the Dispute, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 9 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.

9.4 The Parties to the Dispute must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.

9.5 Any dispute settlement achieved by the Parties to the Dispute, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 10: Service Requirements

- 10.1 The Physicians will provide the Services as described in Appendix 1 and will schedule their availability, as set out in Appendix 1, to reasonably ensure the provision of the Services.
- 10.2 Hours are as agreed upon by the parties at Appendix 1. It is understood that many circumstances require flexibility of hours and the Physicians will respond to these needs.
- 10.3 If the Physicians are unable to provide the Services under the terms of this Contract on a persistent basis due to significant unanticipated increases in volume or the departure of one or more Physicians, then the Agency and the Physicians will meet to discuss and develop an approach to attempt to resolve the concern, which may include, temporarily adjusting the contract deliverables/service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Contract or a separate contract. If they are unable to reach an agreement, either the Physicians or the Agency may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact-finding review and issue recommendations. If they are unable to reach an agreement following the use of a Trouble Shooter, either the Doctors of BC or the Government may refer the matter to the Physician Services Committee as a Local Interest Issue.

Article 11: Licenses & Qualifications

- 11.1 During the Term, each Physician will maintain:
- (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
 - (b) all other licences, qualifications, privileges and credentials required to deliver the Services.
- 11.2 During the Term, it is a fundamental term of the Contract that each Physician maintains enrolment in the Medical Services Plan (MSP).
- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
 - (b) If a Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.

- 11.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physicians providing the Specialist Services will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.
- 11.4 All medical Services under this Contract will be provided either directly by a Physician, or a resident under the supervision and responsibility of a Physician, or by a clinical fellow under the supervision and responsibility of a Physician.

Article 12: Locum Coverage

- 12.1 The Physicians and the Agency will work together in recruiting and retaining qualified locum physicians when necessary. Locum physicians are subject to the approval of the Agency, whose approval will not be unreasonably withheld
- 12.2 In circumstances where a locum physician is providing Services and will report their hours under the Contract, the locum physician will be paid from the amounts available to be paid to the Physicians under this Contract and the Physicians will ensure that locum physicians:
- (a) do not bill FFS for the Services;
 - (b) sign a waiver/assignment in the form set out at Appendix 3, and the Physicians will provide the waiver/assignment to the Agency prior to the locum physician providing Services under the Contract; and
 - (c) provide any reporting as required by the Contract.
- 12.3 In the event a locum is not available, the Agency and the Physicians may agree that the Physicians will provide hours of service in excess of the annual hours of service specified at Appendix 1. In this event the parties must agree upon appropriate compensation for the additional hours of service.

Article 13: Subcontracting

- 13.1 Each Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.
- 13.2 Each Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.
- 13.3 Prior to subcontracting any of their obligations, each Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner

sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

- 13.4 No subcontract relieves a Physician from their obligations or liabilities under this Contract.

Article 14: Parental Leave

- 14.1 The Physicians will ensure that their intra-physician group governance agreement is not inconsistent with the terms of this Article 14.
- 14.2 A Physician taking Parental Leave will inform the Agency of the Physician's intention to take a Parental Leave and the anticipated start date and length of the Parental Leave as soon as practicable, and no less than 16 weeks from the anticipated start date of the Parental Leave.
- 14.3 Upon notification in accordance with 14.2, the Agency and Physicians will meet to discuss whether the Physicians will require a locum (per Article 12) or subcontractor (per Article 13) to replace the Physician taking Parental Leave.
- 14.4 If a locum or subcontractor is required, the Physicians will work together with the Agency to recruit a locum or subcontractor. If the Agency recruits a qualified locum physician, the Physicians will not unreasonably withhold their agreement to that locum physician being added to the Contract to replace the Physician taking Parental Leave.
- 14.5 In the event that either a locum or a subcontractor is not available to replace the Physician for a period of Parental Leave or a leave under 14.9, the Physicians and the Agency agree that the rights and obligations of the Physician taking Parental Leave or a leave under 14.9 under this Contract may be suspended for the duration of the Parental Leave or a leave under 14.9 without affecting the rights and obligations of the remaining Physicians under the Contract. For clarity, the Term will continue for the duration of the Parental Leave or a leave under 14.9.
- 14.6 The Physician taking Parental Leave will provide the Agency with formal written notice a minimum of four weeks' in advance of the anticipated start date of the Parental Leave, such written notice to include the start date and length of the Parental Leave. If requested by the Agency, the Physician will provide any required supporting documentation.
- 14.7 Upon formal notification of a Parental Leave in accordance with 14.6, the Physicians and the Agency will meet to discuss whether any amendments to the Contract are required and to make agreed changes.
- 14.8 For the purposes of this Article 14, "**Parental Leave**" means a leave taken upon a Physician becoming a parent by birth, adoption or surrogacy. Parental Leave must begin no earlier than 12 weeks before the expected birth or placement date of the child and

must conclude no later than 78 weeks after the actual birth or placement date of the child. The maximum length of a Parental Leave is 78 consecutive weeks.

- 14.9 A leave of up to a maximum of 17 consecutive weeks may be taken by the Physician in the event the Physician is pregnant for more than 19 weeks, or has recently given birth, and does not become a parent. The notice requirements set out in this Article 14 may not be applicable in these circumstances.

Article 15: Compensation

- 15.1 The Physicians will invoice the Agency for all the Services provided in a form acceptable to the Agency, substantially in the form set out at Appendix 2A.
- 15.2 The Agency will pay the Physicians pursuant to Appendix 2.
- 15.3 Each Physician is entitled to access the Benefit Plans as defined and described in the Benefits Subsidiary Agreement (as defined in the Physician Master Agreement).
- 15.4 The Agency must forward the necessary information with respect to each Physician to the Doctors of BC Benefits Department, at the address set out below, prior to March 31 of each year in which the Contract is in effect. The Physicians will provide the Agency with any information necessary for the Physicians to access the Benefit Plans not in the possession of the Agency.

Article 16: Reporting

- 16.1.1 the name and identity number of the patient;
- 16.1.2 the practitioner number of the practitioner who personally rendered or was responsible for the service;

- 16.1.3 the details of the service, including the location where the service was rendered, the date and time the service was rendered, the length of time spent rendering the service, the diagnosis and the equivalent fee item or encounter record code.
- 16.2 Each Physician will co-operate with the Agency and make all reasonable efforts to provide it with the information it requires in order to meet its obligation referred to in clause 16.1, by providing the information listed at Appendix 4.
- 16.3 Each Physician will also:
- (a) report to the Agency all work done by the Physician in connection with the provision of the Services;
 - (b) comply with the reporting obligations set out in Appendix 4 of this Contract; and
 - (c) complete and submit to the Agency all reports reasonably required by the Agency within 30 days (subject to the specific requirements in Appendix 4) of the Agency's written request.
- 16.4 Each Physician is responsible for the accuracy of all information and reports submitted by the Physician to the Agency.

Article 17: Records

- 17.1 Where a Physician is providing Services in an Agency facility and the Agency has procedures in place, each Physician will create Clinical Records in the clinical charts that are established by and owned by the Agency and used by the facility where the Services are provided.
- 17.2 Where a Physician is providing Services in an Agency facility and the Agency does not have procedures in place, each Physician will create and maintain Clinical Records in the manner provided for in the Bylaws of the College of Physicians and Surgeons of British Columbia.

- 17.5 If requested to do so by the Agency each Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete or otherwise, that have been produced or developed by the Physician or provided to the

Physician by the Agency in connection with the Services, that are in that Physician's possession or control.

Article 18: Third Party Claims

18.1 The Physicians and the Agency will provide the others with prompt notice of any action against any of them arising out of this Contract.

Article 19: Liability Protection

19.1 Each Physician will, without limiting the Physician's obligations or liabilities herein, purchase, maintain, and cause any sub-contractors to maintain, throughout the Term:

19.1.1 Where a Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

19.1.2 Membership with the Canadian Medical Protective Association or an alternative professional/malpractice protection plan.

19.2 All of the insurance required under clause 19.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.

19.3 Each Physician agrees to provide the Agency with evidence of the membership/protection plan or insurance coverage required under this Article 19 at the time of execution of this Contract and otherwise from time to time as requested by the Agency.

Article 20: Confidentiality

20.1 Each Physician and the Agency will maintain as confidential and not disclose any patient information, except as required or permitted by law.

20.2 Each Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:

20.2.1 necessary for the Physician to fulfill the Physician's obligations under this Contract; or

20.2.2 made in accordance with the Physician's professional obligations as identified by the College of Physicians and Surgeons of BC; or

20.2.3 in reference to this Contract.

20.3 For the purposes of this Article 20, information will be deemed to be confidential where all of the following criteria are met:

20.3.1 the information is not found in the public domain;

20.3.2 the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgement to be confidential; and

20.3.3 the Agency has maintained adequate internal control to ensure the information remained confidential.

Article 21: Conflict of Interest

21.1 During the Term, absent the written consent of the Agency, each Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest under this Contract.

21.2 The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach clause 20.1. If the parties are unable to resolve the issue, it will be referred to mediation and/or arbitration pursuant to Article 9 of this Contract.

Article 22: Ownership

22.1 The parties acknowledge that in the course of providing the Services intellectual or like property may be developed. Each Physician agrees to be bound by and observe the relevant patent and licensing policies of the Agency in effect from time to time. Where such policies require the assignment of intellectual property to the Agency, each Physician will execute and deliver all documents and do all such further things as are reasonably required to achieve the assignment.

Article 23: Audit, Evaluation and Assessment

23.1 Each Physician acknowledges and agrees that the auditing authority of the Medical Services Commission under section 36 of the *Medicare Protection Act*: (the "Act"), as amended from time to time, is incorporated and applies in relation to this Contract. The Agency and the Physician agree that the terms in Sections 15, 37 and 38 of the Act are hereby incorporated into this Contract, as modified by sections 23.2 and 23.3 below.

- 23.2 Without limiting sections 23.1, each Physician acknowledges and agrees that for audits of this Contract conducted by the Medical Services Commission: (i) the Physician is a “practitioner” as defined in the *Act*; and, (ii) the terms in sections 36(3) to 36(11) of the *Act* are hereby incorporated into this Contract.
- 23.3 Without limiting sections 23.1 and 23.2 in relation to this Contract, each Physician acknowledges and agrees that: (i) the incorporated reference in section 37(1) of the *Act* which states “the commission had paid an amount” also includes an amount paid by the Agency under this Contract; and (ii) the requirement to repay the Medical Services Commission under Sections 37(1)(d) and (1.1) includes that the Medical Services Commission may require the Physician to pay money to the Agency.
- 23.4 Prior to attending the clinic/practice for audit under this Article, a notice of inspection of an audit must be provided to the Physicians. Unless determined otherwise by the Medical Services Commission, which in no case would include a random audit, notice of inspection must be provided at least 14 days prior to the inspection
- 23.5 Each Physician must reasonably cooperate with Medical Services Commission auditors for an audit in relation to this Contract including by producing and allowing Medical Services Commission auditors to access relevant records, including the clinic/practice EMR.

The Physicians and the Agency acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission determines that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the Physicians and the Agency acknowledge and agree that a Medical Services Commission audit or hearing for a Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

THEREFORE in consideration of the mutual promises contained in this Contract, the Physician and the Agency agree as follows:

Article 1: Definitions

1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing. If either party wishes to renew this Contract, it must provide written notice to the other party no later than ninety (90) days prior to the end of the Term and, as soon as practical thereafter, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.

- 3.1 Subject to clause 3.2, either party may terminate the Contract without cause upon six (6) months’ written notice to the other party.
- 3.2 Either party may terminate this Contract immediately upon written notice if the other party breaches a fundamental term of this Contract. For clarity, loss of privileges related to the Services provided under this Contract by the Physician is a breach of a fundamental term of this Contract.

- 4.5 The Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from the Physician’s failure to make any payments referred to in clause 4.5.
- 4.7 The indemnity in clause 4.6 survives the expiry or earlier termination of this Contract.

Article 5: Waiver/Assignment

- 5.1 Unless specified otherwise, the Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. The Physician may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and

- (c) billings for Services provided to persons who are not beneficiaries under the *Medicare Protection Act*, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 5.2 Where the Available Amount is not a source of funding for this Contract, the Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required; or
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 5.3 Where the Available Amount is a source of funding for this Contract, the Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such other documentation in connection with such assignment as may be reasonably required.

Article 6: Autonomy

- 6.1 The Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.

Article 7: Doctors of BC

- 7.1 The Physician is entitled, at the Physician's option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 8: Dispute Resolution

- 8.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.

- 8.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that the parties are unable to resolve informally at the local level, may be referred to mediation on notice by either party to the others, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rule may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.
- 8.3 Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 8 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 8.4 The Agency and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 8.5 Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

 - (b) all other licences, qualifications, privileges and credentials required to deliver the Services.
- 10.2 During the Term, it is a fundamental term of the Contract that the Physician maintains enrolment in the Medical Services Plan (MSP).

- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
- (b) If the Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.

10.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physician will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.

10.4 All medical Services under this Contract will be provided either directly by the Physician, or a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.

11.3 Prior to subcontracting any of their obligations, the Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

11.4 No subcontract relieves the Physician from their obligations or liabilities under this Contract.

14.2 Where the Physician is providing Services in an Agency facility, and the Agency does not have procedures in place, the Physician will create and maintain Clinical Records in the manner provided for in the Bylaws of the College of Physicians and Surgeons of British Columbia.

14.3 The Physician will keep business accounts, including records of expenses incurred in connection with the Services and invoices, receipts and vouchers for the expenses.

14.4 For the purposes of this Article 14, "**Clinical Record**" means a clinical record maintained in accordance with the Bylaws of the College of Physicians and Surgeons of British Columbia and an adequate medical record in accordance with the Medical Services Commission Payment Schedule.

14.5 If requested to do so by the Agency the Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete or otherwise, that have been produced or developed by the Physician or provided to the Physician by the Agency in connection with the Services, that are in the Physician's possession or control.

Article 15: Third Party Claims

16.1.1 Where the Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional

insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

16.1.2 Membership with the Canadian Medical Protective Association or alternative professional/malpractice protection plan.

- 16.2 All of the insurance required under clause 16.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.
- 16.3 The Physician agrees to provide the Agency with evidence of the membership/protection plan or insurance coverage required under this Article 16 at the time of execution of this Contract and otherwise from time to time as requested by the Agency.

Article 17: Confidentiality

- 17.1 The Physician and the Agency will maintain as confidential and not disclose any patient information, except as required or permitted by law.
- 17.2 The Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:
- 17.2.1 necessary to fulfill the Physician's obligations under this Contract; or
 - 17.2.2 made in accordance with professional obligations as identified by the College of Physicians and Surgeons of BC; or
 - 17.2.3 in reference to this Contract.
- 17.3 For the purposes of this Article 17, information will be deemed to be confidential where all of the following criteria are met:
- 17.3.1 the information is not found in the public domain;
 - 17.3.2 the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgement to be confidential; and
 - 17.3.3 the Agency has maintained adequate internal control to ensure the information remained confidential.

Article 18: Conflict of Interest

- 18.1 During the Term, absent the written consent of the Agency, the Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest under this Contract.
- 18.2 The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach clause 18.1. If the parties are unable to resolve the issue, it will be referred to mediation and/or arbitration pursuant to Article 8 of this Contract.

Article 19: Ownership

- 19.1 The parties acknowledge that in the course of providing the Services intellectual or like property may be developed. The Physician agrees to be bound by and observe the relevant patent and licensing policies of the Agency in effect from time to time. Where such policies require the assignment of intellectual property to the Agency, the Physician will execute and deliver all documents and do all such further things as are reasonably required to achieve the assignment.

Article 20: Audit, Evaluation and Assessment

- 20.1 The Physician acknowledges and agrees that the auditing authority of the Medical Services Commission under section 36 of the *Medicare Protection Act* (the “*Act*”), as amended from time to time, is incorporated and applies in relation to this Contract. The Agency and the Physician agree that the terms in Sections 15, 37 and 38 of the *Act* are hereby incorporated into this Contract, as modified by sections 20.2 and 20.3 below.
- 20.2 Without limiting section 20.1, the Physician acknowledges and agrees that for audits of this Contract conducted by the Medical Services Commission: (i) the Physician is a “practitioner” as defined in the *Act*; and, (ii) the terms in sections 36(3) to 36(11) of the *Act* are hereby incorporated into this Contract for the purposes of audits in relation to this Contract.
- 20.3 Without limiting sections 20.1 and 20.2, in relation to this Contract, the Physician acknowledges and agrees that: (i) the incorporated reference in section 37(1) of the *Act* which states “the commission had paid an amount” also includes an amount paid by the Agency under this Contract; and (ii) the requirement to repay the Medical Services Commission under Sections 37(1)(d) and (1.1) includes that the Medical Services Commission may require the Physician to pay money to the Agency.
- 20.4 Prior to attending the clinic/practice for audit under this Article, a notice of inspection of an audit must be provided to the Physician. Unless determined otherwise by the Medical Services Commission, which in no case would include a random audit, notice of inspection must be provided at least 14 days prior to the inspection.

- 20.5 The Physician must reasonably cooperate with Medical Services Commission auditors for an audit in relation to this Contract, including by producing and allowing Medical Services Commission auditors to access relevant records, including the clinic/practice EMR.
- 20.6 Notwithstanding Article 8 (Dispute Resolution) or any other provision of this Contract, the parties agree that the Medical Services Commission has exclusive jurisdiction to determine disputes about alleged misbilling for Services under this Contract. The parties acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission recommends that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the parties acknowledge and agree that a Medical Services Commission audit or hearing for the Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

Article 21: Notices

- 21.1 Any notice, report, or any or all of the documents that either party may be required to give or deliver to the other in writing, unless impractical or impossible, must be delivered by e-mail, mail or by hand. Article 24: No Waiver Unless in Writing

24.1 No provision of this Contract and no breach by either party of any such provision will be deemed to have been waived unless such waiver is in writing signed by the other party. The written waiver of a party of any breach of any provision of this Contract by the other party must not be construed as a waiver of any subsequent breach of the same or of any other provision of this Contract.

Article 25: Headings

25.1 The headings in this Contract have been inserted for reference only and in no way define, limit or enlarge the scope of any provision of this Contract.

Article 26: Enforceability and Severability

26.1 If any provision of this Contract is determined to be invalid, void, illegal or unenforceable, in whole or in part, such invalidity, voidance, or unenforceability will attach only to such provision or part of such provision, and all other provisions or the remaining part of such provision, as the case may be, continue to have full force and effect.

Article 27: Physician Master Agreement and Physician Master Subsidiary Agreements

27.1 This Contract is subject to the 2022 Physician Master Agreement and the Physician Master Subsidiary Agreements, and amendments thereto.

27.2 In the event that during the Term, a new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s) come into effect, the parties agree to meet on notice by one party to the other to re-negotiate and amend the terms of this Contract to ensure compliance with the new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s).

Article 28: Execution of the Contract

28.1 This Contract and any amendments thereto may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document.

All counterparts will be construed together and will constitute one and the same original agreement.

- 28.3 The parties to this Contract may execute the contract electronically via e-mail by typing their name above the appropriate signature line in the document attached to the e-mail, saving that document, and returning it by way of an e-mail address that can be verified as belonging to that party. The parties to this Contract agree that this Contract in electronic form will be the equivalent of an original written paper agreement between the parties.

(each is individually a “**Physician**” and collectively all
are referred to as the “**Physicians**”)

OR

[PARTNERSHIP NAME]

OR

[CORPORATION NAME]

(the “**Corporation**”)

AND:

(the “**Agency**”)

WHEREAS the Physicians wish to contract with the Agency and the Agency wishes to contract with the Physicians to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Sessional Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physicians and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician

Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

- (a) “**Contract**” or “**Sessional Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 23.
- (b) “**Fiscal Quarter**” means a three-month period consisting of one of April 1 to June 30, July 1 to September 30, October 1 to December 31, or January 1 to March 31, in any given year.
- (c) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
- (d) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.
- (e) “**Session**” means 3.5 hours of Services and may be an accumulation of lesser time intervals adding up to 3.5 hours.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing:
 - (a) If the Physicians wish to renew this Contract, the Physicians must provide written notice to the Agency no later than ninety (90) days prior to the end of the Term.
 - (b) If the Agency wishes to renew this Contract, it must provide written notice to the Physicians no later than ninety (90) days prior to the end of the Term.

As soon as practical after either the Physicians or the Agency has provided notice in accordance with this clause 2.2, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.

- 2.3 Subject to clause 2.4, if both the Physicians and the Agency agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either the Physicians or the Agency in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following

the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 The Physicians (collectively) or the Agency may terminate the Contract without cause upon six (6) months' written notice to the other, or immediately upon written notice if the other breaches a fundamental term of this Contract.
- 3.2 Subject to clause 3.3 and without affecting the rights and obligations of the remaining Physicians:
 - (a) each Physician has the separate and distinct right to terminate the Contract as between that Physician and the Agency without cause upon six (6) months' written notice to the Agency, with an information copy of such notice to the remaining Physicians; and
 - (b) the Agency may terminate the Contract as between the Agency and any individual Physician without cause upon six (6) months' written notice to that Physician, with an information copy of such notice to the remaining Physicians.
- 3.3 Each Physician or the Agency may terminate the Contract as between that Physician and the Agency immediately upon written notice if the other breaches a fundamental term of this Contract. For clarity, loss of privileges by a Physician related to the Services provided under this Contract is a breach of a fundamental term of this Contract.

Article 4: Relationship of Parties

- 4.1 Each Physician is an independent contractor to the Agency and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician. No partnership relationship between the Physicians is created by this Contract or by the provision of the Services to the Agency by the Physicians. None of the Physicians intends to carry on a business with a view to profit with the other Physicians in respect of the Services.
- 4.2 None of the Physicians nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If a Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:
 - (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of

whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or

(b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.

- 4.4 If a Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 Each Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The liability of the Physicians for payments referred to in clause 4.5 is several and not joint.
- 4.7 Each Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from that Physician’s failure to make any payments referred to in clause 4.5.
- 4.8 The indemnity in clause 4.7 survives the expiry or earlier termination of this Contract.

Article 5: Unincorporated Groups

5.1 As the Services are provided under this Contract by multiple Physicians, each Physician will be party to, and bound by, this Contract.

Parties to select one of three options for clause 5.2 in negotiations.

5.2 The Physicians will develop a process or agreement to govern their intra-group relationship.

OR

5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. If the Physicians are

failing to provide the Services pursuant to the terms of this Contract on a persistent basis and the Agency reasonably believes that such failure is related to the Physicians' intra-physician group governance agreement, the Agency may request a copy of the intra-physician group governance agreement from the Physicians, and the Physicians will not unreasonably deny the Agency's request.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. The Physicians will provide the Agency with a copy of the intra-physician group governance agreement within two months of the first day of the Term. Any amendments to the intra-physician group governance agreement made during the Term will be promptly disclosed to the Agency.
- 5.3 Subject to sub-clause 3.2(b), the Physicians may designate a representative from among the Physicians to represent the Physicians with respect to notices, the proposed addition of new physicians to the Contract and all invoicing and payment matters under this Contract (the "**Representative**") and will notify the Agency of the identity of the Representative. If the Representative changes during the Term, the Physicians will notify the Agency of the new Representative.
- 5.4 Where a notice under any term of this Contract is to be given to all of the Physicians, the Physicians agree that a single notice to the Representative sent to the address provided in Article 22 will constitute notice to all of the Physicians. Where notice is to be given to less than all of the Physicians, it must be given to those individual Physicians at the address(es) provided at Appendix 5.
- 5.5 In the event of the departure of a Physician pursuant to clauses 3.2 or 3.3, the parties will meet to discuss whether amendments to any Appendices are required and to make agreed changes.
- 5.6 The Physicians must use reasonable efforts to replace departing Physicians.
- 5.7 Any replacement or new physicians that the Physicians propose to add are subject to approval by the Agency in accordance with its normal policies, by-laws, and rules. Such approval will not be unreasonably withheld.

Article 6: Waiver/Assignment

- 6.1 Unless specified otherwise, each Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. Physicians may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 6.2 Where the Available Amount is not a source of funding for this Contract, each Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required;
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 6.3 Where the Available Amount is a source of funding for this Contract, each Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such documentation in connection with such assignment as may be reasonably required.

Article 7: Autonomy

Article 8: Doctors of BC

- 8.1 Each Physician separately and the Physicians collectively are entitled, at their option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 9: Dispute Resolution

- 9.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.
- 9.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that any Physician(s) and the Agency (the Physician(s) or the Agency, each a “**Party to the Dispute**” or collectively “**Parties to the Dispute**”) are unable to resolve informally at the local level, may be referred to mediation on notice by either Party to the Dispute to the other, with the assistance of a neutral mediator jointly selected by the Parties to the Dispute. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the Parties to the Dispute in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.
- 9.3 Upon agreement of the Parties to the Dispute, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 9 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 9.4 The Parties to the Dispute must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 9.5 Any dispute settlement achieved by the Parties to the Dispute, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

17.1.1 Where a Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

17.1.2 Membership with the Canadian Medical Protective Association or an alternative professional/malpractice protection plan.

17.2 All of the insurance required under clause 17.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.

- 21.6 Notwithstanding Article 9 (Dispute Resolution) or any other provision of this Contract, the Physicians and the Agency agree that the Medical Services Commission has exclusive jurisdiction to determine disputes about alleged misbilling for Services under this Contract. The Physicians and the Agency acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission determines that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the Physicians and the Agency acknowledge and agree that a Medical Services Commission audit or hearing for a Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

Area A is reserved for physician positions that require the practice of Public Health or Community Medicine, that do not include the administrative roles of supervising other physicians and establishing program policy, and where the physician is not certified by the Royal College of Physicians and Surgeons of Canada as a specialist in Community Medicine or a related specialty and does not have a Master’s degree in Public Health (e.g., a GP working in the job of MHO) or where such specialty or degree is not relevant to the duties of the job.
2. Area B is reserved for physician positions that require the practice of Public Health or Community Medicine, that do not include the administrative roles of supervising other physicians and establishing program policy, and where the physician has the additional training of a Master’s degree in Public Health or the equivalent Master’s degree, provided that the degree is relevant to the duties of the job.

4. Physician positions that include the administrative roles of supervising other physicians and establishing program policy (e.g., Chief Medical Health Officer, Director Epidemiology) move to the next higher Area (e.g., a Chief MHO who is a GP would fall within Area B; a Chief MHO who has a relevant Master's degree would fall within Area C; a Chief MHO who has a relevant Specialist certification would fall within Area D).
5. Area D is reserved for physician positions that include the administrative roles of supervising other physicians and establishing program policy AND where the physician is certified by the Royal College of Physicians and Surgeons of Canada as a specialist in Community Medicine or a related specialty, provided that the specialty is relevant to the duties of the job (i.e., all criteria must be met).

7.3 During the term of this Agreement, either the Government or the Doctors of BC may, at its own expense, initiate a review of the Benefit Plans. The other party will be fully reimbursed for the costs of its participation in the review. Where one party initiates a review under this section the other party will fully cooperate.

 - (i) Fees will be increased by an average of 1.0% to fund the increases in the cost of providing services, with the percentage allocation to Physician Sections to be determined on an equal dollar per FTE basis using the most recent Fiscal Year data available (not including the 2020/21 Fiscal Year);
 - (ii) Fees not belonging to a Physician Section will receive an increase of 1.0%;
 - (iii) Sessional Contract Rates will be increased by 2.0% over the Sessional Contract Rates in effect on March 31, 2024 to fund the increases in the cost of providing services;
 - (iv) Service Contract Ranges and Service Contract Rates, and Salary Agreement Ranges and Salary Agreement Rates will be increased by an average of 1.0% over those in effect on March 31, 2024 to fund the increases in the cost of providing services, with the percentage allocation to practice categories to be determined on an equal dollar FTE basis;

This includes up to \$0.1 million to address the growing costs of business. Affected physicians under existing Service Contracts and Salary Agreements will be placed within the applicable amended Service Contract Range or Salary Agreement Range at the same level as their current placement (e.g. range minimum, mid-range, or range maximum).

1.4 **Funding for New/Adjusted Fees for Specialist Physicians**

- (a) The Government will provide the following annual funding to the Consultant Specialists of BC to support the increase of existing Specialist Fees, or to create new Specialist Fees. These funds will be allocated in accordance with Articles 12 and 13 of the 2022 Physician Master Agreement:
- (i) Effective April 1, 2023: \$9.5 million per year.
 - (ii) Effective April 1, 2024: \$5.5 million per year.
- (b) The Consultant Specialists of BC will allocate the new funding to address one, or several of the following objectives:
- (i) To adjust existing Specialist Fees and to create new Specialist Fees to support better communication between physicians to facilitate appropriate treatment of patients.
 - (ii) To improve remuneration for care provided to patients who require more complex care.
 - (iii) To improve remuneration for indirect patient care services.
 - (iv) To fund other Specialist Fees which apply to multiple Specialist Sections.
- (c) Any funding not utilized for the new or adjusted Fees remaining at the end of each of Fiscal Years 2023/24 and 2024/25 will be paid out as an across-the-board increase to all Specialist Fees.

1.5 **Funding for New/Adjusted Family Medicine Fees**

- (a) The Government will provide the following annual funding to the BC Family Doctors to allocate for the purpose of modifying Fees and/or creating new Fees to address issues such as gender disparities, more complex services, improved support of clinics operating in accordance with the principles of a Patient Medical Home, and ease of application of the Payment Schedule. These funds will be allocated in accordance with Articles 12 and 13 of the 2022 Physician Master Agreement. Changes to Fees will be effective as of April 1st of the year for which the funding is allocated.
 - (i) Effective April 1, 2023: \$59 million per year. Of this funding, BC Family Doctors will allocate the following amounts as described below:
 - (A) \$1.0 million per year to Fees with the agreement of the Section of Surgical Assistants.
 - (B) \$0.7 million per year to Fees with the agreement of the Section of Sport and Exercise Medicine.
 - (ii) Effective April 1, 2024: \$26 million per year.

1.6 **Funding for New Palliative Medicine Fees**

- (a) Effective April 1, 2023, the Government will provide \$2 million in annual funding to the Section of Palliative Medicine for the purpose of creating new Fees in accordance with Articles 12 and 13 of the 2022 Physician Master Agreement. Changes to Fees will be effective as of April 1st of the year for which the funding is allocated.

1.7 **Business Cost Premium**

- (a) Subject to this section 1.7, the Government will fund a percentage premium (the “**Business Cost Premium**”) on Eligible Fees (as defined in section 1.7(b)), as follows:
 - (i) Annual funding for the Business Cost Premium for Fiscal Year 2022/23 will remain \$35.7 million per year.
 - (ii) Annual funding for the Business Cost Premium will be increased by:
 - (A) \$40 million to \$75.7 million per year for Fiscal Year 2023/24; and
 - (B) a further \$9 million to \$84.7 million per year for Fiscal Year 2024/25 and subsequent Fiscal Years.
- (b) The annual funding amount for each Fiscal Year will be reduced to account for the expected payments (including retroactive payments and the impact of changes

pursuant to section 1.7(d) below) to physicians who have claimed a Business Cost Premium that move to the New Longitudinal Family Physician Payment Model.

- (c) The Government and Doctors of BC will develop a mechanism to address the details of the revisions to the funding amount in accordance with section 1.7(b) above.
- (d) Effective April 1, 2023, the Business Cost Premium will apply to Fees for all services provided by physicians (“**Eligible Fees**”) regardless of the location at which the services are delivered subject to the following conditions:
 - (i) The Business Cost Premium will only apply where the physicians are responsible for some or all of the rent, lease or other ownership costs, either directly or indirectly) of a community-based office where the physician is entitled to receive and retain payment for those services directly from MSP (“**Eligible Physician**”).
 - (ii) The Business Cost Premium will not apply to radiology, anesthesiology, pathology and nuclear medicine Fees for services delivered in or for Agency facilities.
 - (iii) The Government and Doctors of BC will set the appropriate percentage values in the same proportion as the daily maximums in the 2019 Physician Master Agreement and with the same daily maximums in that agreement in such a fashion as to fully utilize the revised annual funding envelope for that year to the extent possible.
 - (iv) The Government and the Doctors of BC will continue the working group composed of Tariff Committee representatives and Ministry staff to determine the process to implement and administer the revised Business Cost Premium for Eligible Physicians, including:
 - (A) the Government and Doctors of BC will make best efforts to implement the necessary revisions outlined in this section 1.7(d) by July 1, 2023;
 - (B) registration and criteria for Eligible Physicians will remain unchanged;
 - (C) facility codes reflecting where services are provided will be a mandatory pre-condition for payment of the Business Cost Premium, subject to (D) and (E) below;
 - (D) while initially facility codes may be limited to community offices, the parties will strive to expand facility codes within the term of the 2022 Physician Master Agreement to include all locations where physicians are entitled to receive and retain payment for Fees directly from MSP; and

- (E) for the period of time that facility codes do not include all locations as above, Eligible Physicians will include a location code on all billings in addition to their registered community office facility code. Submission of both a facility code and a location code will be mandatory for payment of the Business Cost Premium during this period.
- (v) A portion of the increased Business Cost Premium funding will be used to cover the costs of initial implementation of the revised Business Cost Premium.
- (e) Effective April 1, 2024, the daily maximums will increase proportionally to apply to the Business Cost Premium in such fashion as to fully utilize the revised annual funding for Fiscal Year 2024/25 to the extent possible.
- (f) If the expenditures in each Fiscal Year are less than the revised annual amount set out for that Fiscal Year, a proportional retroactive payment will be provided to Eligible Physicians to bring the expenditures in that Fiscal Year to the revised annual amount set out for that Fiscal Year, and the percentage values or daily maximums will be adjusted upward proportionally in the next Fiscal Year.
- (g) If the expenditures in each Fiscal Year are more than the revised annual amount set out for that Fiscal Year, the percentage values or daily maximums will be adjusted downward for the next Fiscal Year to allow for the recovery of the revised annual amount paid on in excess of that year in the next Fiscal Year.

1.8 **Specialist Disparity Funding**

- (a) The Government will provide the following funding to be allocated to new or existing Fees and paid to Specialist Sections in order to address intersectional and interprovincial disparity among fee-for-service specialists:
 - (i) \$14.6 million per year made available effective April 1, 2022;
 - (ii) an additional \$39 million per year made available effective April 1, 2023;
and
 - (iii) an additional \$16.4 million per year made available effective April 1, 2024.
- (b) The gross allocation of the funds described in this section 1.8 among Specialist Sections for Fiscal Years 2022/23, 2023/24 and 2024/25 will be adjudicated by a neutral third-party adjudicator selected by mutual agreement of the Government and Doctors of BC who will:
 - (i) consider the effect of both intersectional and interprovincial disparities in compensation;

- (ii) ensure that allocations to address interprovincial disparities do not significantly exacerbate intersectional disparities;
 - (iii) in making a decision, factor in income disparities arising from gender differences between Sections; and
 - (iv) allocate 90% of the funds in each Fiscal Year toward addressing intersectional disparities in compensation and 10% of the funds in each Fiscal Year toward addressing interprovincial disparities in compensation.
- (c) Once the gross allocation of funds for all three Fiscal Years is determined by the adjudicator, the resulting changes to the Payment Schedule will be determined in accordance with Articles 12 and 13 of the 2022 Physician Master Agreement, and will be effective as of April 1st of the Fiscal Year for which the funding is allocated. Specialist Sections who are awarded disparity funding under this section 1.8 may pursue changes to the Payment Schedule by directing the funds toward increasing the value of Fees or creating new Fees, including Fees that address gender disparities, increased complexity of services and the impact of after-hours service delivery. Any financial impact to any Physician Section resulting from the allocation of funding under this section 1.8 to a specific Specialist Section will be paid out of the Specialist Section allocation that produces such a cross-sectional impact.
- (d) The adjudication described in this section 1.8 will be conducted in accordance with procedures as determined by the adjudicator and will include an opportunity for the Specialist Sections, the Government and the Doctors of BC to make submissions on the allocation of the funds over all three Fiscal Years. The adjudication process will commence no later than April 1, 2023 and will conclude by September 30, 2023, unless otherwise agreed to by the parties.

1.9 **Funding Allocation by Sections**

- (a) In order to limit the number of retroactive payments and minimize costing and review processes during the allocation of funding by Sections to compensation and disparity increases, Sections must allocate all monies to existing Fees or new Fees ready for implementation (i.e. no holdbacks for the creation of new Fees). Sections may reduce Fees after the fact or use future funding when Fees are ready for implementation, if a Section chooses to do so.

1.10 **General**

- (a) The increases identified in sections 1.1(a)(i), 1.1(a)(v), 1.2(a)(i), 1.2(a)(iv), 1.3(a)(i), 1.3(a)(iv), 1.4(a)(i), 1.4(a)(ii), 1.5(a)(i), 1.5(a)(ii), 1.6(a), 1.8(a)(i), 1.8(a)(ii) and 1.8(a)(iii) will be applied to base years as follows:
 - (i) Allocations for Fiscal Years 2022/23 and 2023/24 to be applied to a base year of Fiscal Year 2021/22.

- (ii) Allocations for Fiscal Year 2024/25 will be applied to a base year of Fiscal Year 2022/23.
- (b) The methodology used to determine a full-time equivalent (FTE) for the purposes of sections 1.1(a)(i), 1.2(a)(i) and 1.3(a)(i) is as set out in Schedule A to this Appendix F.
- (c) Consistent with section 7.3 of the Alternative Payments Subsidiary Agreement, a physician who is compensated through a Salary Agreement or Service Contract and who is paid an annual rate that is above the range maximum for the applicable practice category on Schedule A or Schedule B to the Alternative Payments Subsidiary Agreement will, insofar as this Appendix F is concerned, only be entitled to:
 - (i) the applicable compensation increases described in sections 1.1(a)(v), 1.2(a)(iv), and 1.3(a)(iv); and
 - (ii) to the funding described in sections 1.1(b), 1.2(b), and 1.3(b) of this Appendix F to the extent their resulting compensation is within the then current applicable Salary Agreement Range or Service Contract Range.
- (d) The increases identified in sections 1.1(a), 1.2(a), and 1.3(a) do not apply to targeted funds including, but not limited to, new targeted funds which have been reflected in sections 1.1(b), 1.2(b), 1.3(b), 1.4(a), 1.5(a), 1.6(a), 1.7(a) and 1.8(a) of this Appendix F and in Article 5 of the Family Practice Subsidiary Agreement, Article 6 of the Specialists Subsidiary Agreement, and Article 9 of the Rural Practice Subsidiary Agreement in the year in which those targeted funds are introduced. In particular, and without limiting the generality of the foregoing, in the event that any targeted funds are used for increases to Fees, Service Contract Ranges, Service Contract Rates, Salary Agreement Ranges, Salary Agreement Rates, Sessional Contract Rates, the reading fee for a screening mammogram and/or the MRI fee (collectively “**Targeted Increase**”):
 - (i) the base years for any Targeted Increase that is applied on base years that vary from Fiscal Year to Fiscal Year (e.g. sections 1.4(a), 1.5(a), 1.6(a), and 1.8(a) of this Appendix F) will be the Fiscal Year commencing April 1, 2021 for any Targeted Increase made effective April 1, 2022 or April 1, 2023 and the Fiscal Year commencing April 1, 2022 for any Targeted Increase made effective April 1, 2024; and
 - (ii) the increases identified in sections 1.1(a), 1.2(a), and 1.3(a) will be applied prior to the application of any Targeted Increase.

In other words, no Targeted Increase will attract any increase identified in sections 1.1(a), 1.2(a), and 1.3(a) in the year in which such Targeted Increase is introduced.

- (e) The increases to Fees set out in sections 1.1(a)(i), 1.1(a)(ii), 1.2(a)(i), 1.2(a)(ii), 1.3(a)(i), 1.3(a)(ii), 1.4(a)(i) and 1.4(a)(ii) of this Appendix F do not apply to Laboratory fees, Family Practice Services Committee fees, Specialist Services Committee fees and Shared Care Committee fees.

SCHEDULE A

Allocation Support Committee Full Time Equivalent Model (ASC FTE Model)

BACKGROUND

The Allocation Support Committee (“the Committee”) was established by the BCMA Board to provide ongoing support to the allocation process. The Committee’s Terms of Reference (Attachment A) include a broad spectrum of responsibilities including the determination of an appropriate Full Time Equivalent (FTE) Model required for Stage 1 (“Pre-Ratification”) of the allocation process (Attachment B). Since the allocation only applies to MSP fee-for-service (FFS) payments, the FTE methodology must measure the full-time equivalency of each physician’s MSP FFS work.

The following describes the model with revisions recommended by the ASC in 2021.

THE ASC FULL TIME EQUIVALENT METHODOLOGY

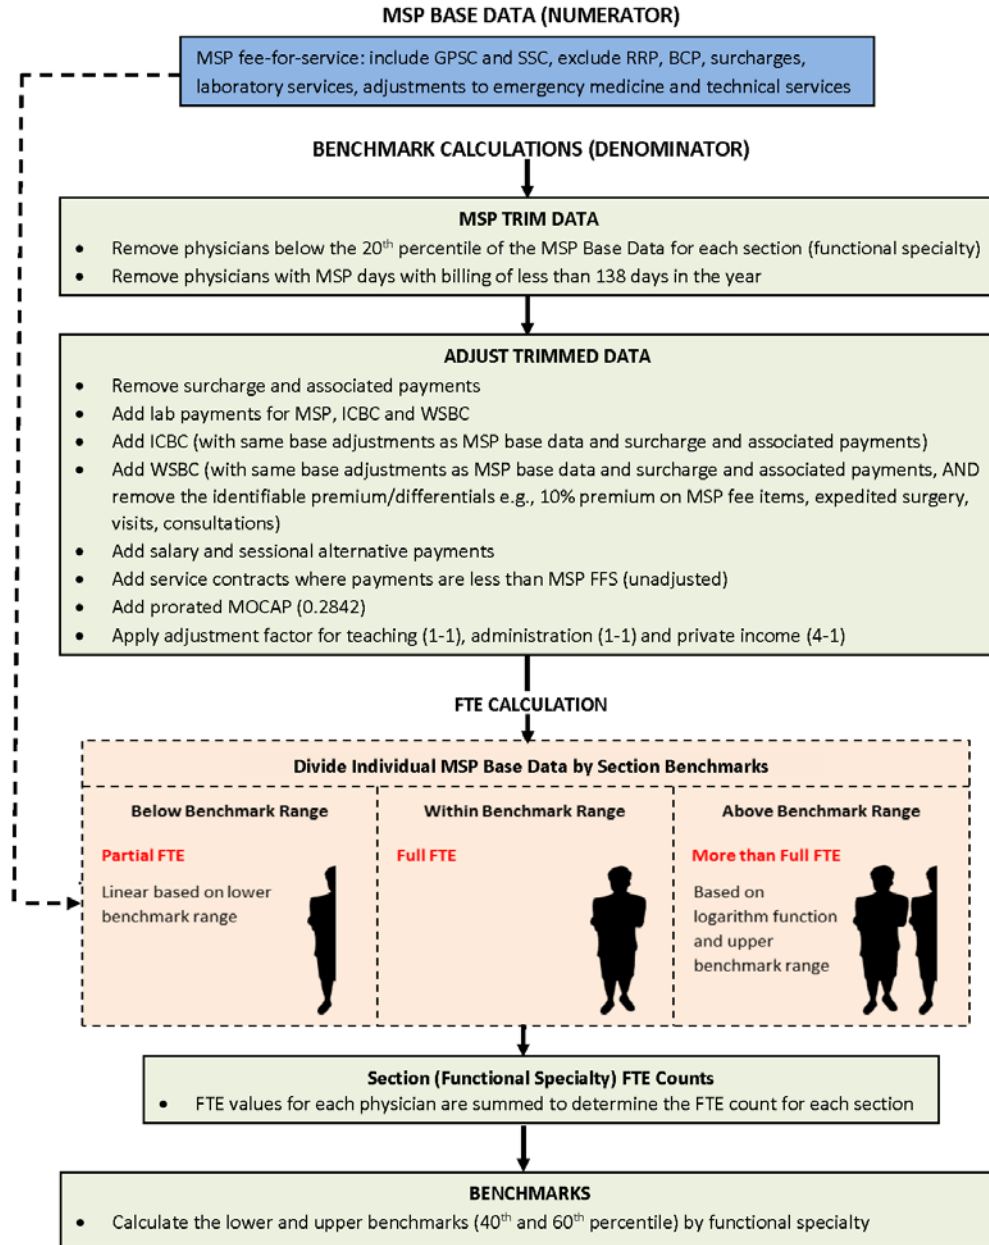

The model calculates FTE benchmarks based on a comprehensive measure of clinical income (MSP FFS plus other income) for all FFS physicians in a section based on functional specialty. The lower benchmark is the 40th percentile for the section and the upper benchmark is the 60th percentile. Once these benchmarks are determined, each physician in a section is compared to the benchmarks to determine their FTE value. In this stage, only their MSP FFS income is compared to the benchmarks to determine their FTE related to MSP FFS work. All other income is excluded since the allocation only applies to work compensated on a FFS basis by MSP.

Physicians with payments less than the lower benchmark (40th percentile) are counted as fractions of a FTE (linear relationship), physicians within the benchmarks are counted as one, and physicians above the upper benchmark (60th percentile) are counted as more than one FTE (log-linear relationship). The FTE counts are then summed for each section. FTE totals can be less than, equal to or greater than the head count values for a section.

The following schematic outlines the steps of the model.

Schematic of the ASC FTE Methodology

DATA EXTRACTION AND CALCULATIONS

A. MSP Base Data (Numerator)

- Using the most recent MSP Claims data that are available, create a database that includes only physicians who earned >\$0 MSP FFS income in the year.
- Include only fee items that are eligible for the fee increase (e.g. exclude laboratory services under the Laboratory Medicine Fee Agreement (or subsequent agreement) and include GPSC and SSC as they have been transferred to the Available Amount).
- Exclude premiums for each physician - RRP, Business Cost Program (BCP) and surcharge payments.
- Adjust the emergency medicine Level I, II and III fee item payments with a time-of-day and day-of-week differential (i.e., evening, night and weekend/stat holiday rates) to the weekday daytime rates.
- Remove the payments for technical services where they retained by the Health Authority.
- Details for the adjustments and fee items are in the Appendix.

B. Benchmark Calculation (Denominator)

Step B1

- Using the MSP base data as in Step A above, determine the 20th percentile of MSP FFS claims.
- Exclude all physicians in each section that fall below the 20th percentile.

Step B2

- For each remaining practitioner, add in number of days for which an MSP FFS claim was made.
- Exclude all physicians that billed FFS less than **138 days** in the fiscal year.
 - Based on 3 days per week and 46 weeks per year

Step B3

- For each practitioner, adjust and add in other forms of income to determine the total income as follows:
 - Remove surcharge associated service payments for each physician
 - Add laboratory service payments
 - Add ICBC payments (excluding RRP and BCP, adjustments for emergency medicine, technical services and surcharges and associated payments)
 - Add WSBC payments (excluding RRP and BCP, adjustments for emergency medicine, technical services and surcharges and associated payments)
 - Additional adjustments are required for all identifiable WSBC premiums to reduce the payments to the MSP equivalent (e.g., expedited surgery, consultation and repeat consultations and 10% premium on MSP payments)
 - Add salary and sessional alternative payments
 - Add service contract if less than the unadjusted total MSP FFS
 - Add prorated MOCAP by 0.2842 as an estimate to include the weekday daytime payments and to be consistent with the surcharge and associated services exclusion
 - $365 \text{ days less weekends and stat holidays } (365-104-12) = 249 \text{ days @10 hour per day}$
 - $2,490 \text{ annual week-day day-time hours } \div 8,760 \text{ total annual hours } (365 \times 24) = 0.2842$

- Include an adjustment factor from the current Overhead study for:
 - teaching (1-1)
 - administration (1-1)
 - private income (4-1)

C. Calculate the Thresholds

- Calculate the 40th and 60th percentile earnings for each section based on denominator payments (Step B3) for the fiscal year.
- Physicians are grouped based on their functional specialty.

D. Calculate the Number of Full-Time Equivalent Physicians in each Section

- Apply thresholds to all physicians in the MSP base data as follows:
 - Physicians whose MSP FFS income falls below the lower threshold (40th percentile) are counted as fractions of a FTE (i.e., FFS income/lower threshold).
 - Physicians whose MSP FFS income falls within or equal to the thresholds are counted as one FTE.
 - Physicians whose MSP FFS income falls above the upper threshold (60th percentile) are counted as more than one FTE using a log-linear relationship [i.e., $1 + \ln(\text{FFS income} / \text{upper threshold})$].
- Sum up each physician's calculated FTE value by section to derive the total number of FTEs for each functional specialty/section.

APPENDIX G

MEDICAL ON-CALL/AVAILABILITY PROGRAM (MOCAP)

- 1.1 MOCAP will provide payment to physician(s) and physician groups who are available to provide emergency care to new or unattached patients, other than their own or their call groups', as required and approved by Health Authorities.
- 1.2 The MOCAP funding described in section 17.1 of the 2022 Physician Master Agreement includes funding for Doctor of the Day payments. This provides greater flexibility for Health Authorities in purchasing MOCAP coverage and Doctor of the Day services.
- 1.3 Where MOCAP availability coverage is required it is in the best interests of the population served that it be provided on a 24/7/52 basis. It is recognized that, in some circumstances, a Health Authority may decide to provide MOCAP availability coverage on some other basis.
- 1.4 Physicians will provide MOCAP availability coverage in accordance with the provisions of the template MOCAP Contract attached as Schedule 1 to this Appendix.
- 1.5 MOCAP availability payments will be determined on the basis of annual rates.
- 1.6 The annual rates for MOCAP availability will be as follows:

CALL BACK CRITERIA

Part A: Call Back Payment Eligibility

All the following Criteria must be met for a physician to be eligible for the \$250 MOCAP call back payment.

1. Criteria related to the person making the decision to call.

The decision to initiate the call back is made by one of the following:

- a) A physician with privileges at the facility in issue who has responsibility for the care of the patient in question, including but not limited to the Most Responsible Physician.
- b) Any other member of the medical or nursing staff of the facility in issue who has been specifically authorized by the Health Authority to initiate call backs eligible under these Criteria.

2. Criteria related to the person who is called.

The call is made to a physician who meets all of the following:

- a) Has been designated for call back payments by the Health Authority in accordance with Part B below or falls within a category or group that has been so designated, and meets all the terms of such designation or, alternatively, has had the specific call back in issue approved for payment after-the-fact on an exception basis in accordance with Part C below.
- b) Is a member of the medical staff at the facility in issue with privileges to provide the required services.
- c) Is not on call or being paid to be on site, on shift, or otherwise available at the time of the call back.
- d) Is not:
 - i) at the time of the call back, on site at the facility at which the patient is present in accordance with Part A3(b) below;
 - ii) at the time of the call back, scheduled to be on site at the facility at which the patient is present in accordance with Part A3(b) below; or
 - iii) scheduled to be next on site at the facility at which the patient is present in accordance with Part A3(b) below at a time when the patient's needs could be adequately met.
- e) Is not receiving isolation allowance under the Rural Subsidiary Agreement.

3. Criteria related to the clinical circumstances.

All of the following circumstances are present:

- a) The call is for an identified patient who is not a patient of the physician being called or of a colleague for whose patients the physician has accepted responsibility.
- b) The patient is present in:
 - i) an acute care hospital, or
 - ii) a diagnostic and treatment centre or specified emergency treatment room that has been approved as a call back payment eligible facility by the MOCAP Advisory Committee.
- c) The patient requires medical services on an emergency basis as assessed by the person deciding to initiate the call at the time the call is made.
- d) Reasonable steps are taken to determine that the medical services required by the patient could not be provided (due to issues of competence or availability) by a physician who has ongoing responsibility for the care of the patient (either directly or by virtue of his/her call group), by a physician who is on-call, or by a physician who is being paid to be on site, on shift, or otherwise available.
- e) The physician being called personally attends the patient at the site contemplated by Part A3(b) above within the time dictated by the patient's needs but in any event no later than within 3 hours of being called.

4. Administrative Criteria

All of the following administrative rules are complied with:

- a) Only one \$250 payment is available per call back, regardless of the number of patients seen.
- b) Only one \$250 payment is available per patient per physician (i.e. for each episode of illness/injury).
- c) Within 30 days of the call back, an invoice in the form attached must be submitted to the Health Authority by the physician claiming the call back payment.
- d) Within 30 days of the call back, a verification, in the form attached must be submitted to the Health Authority by the person who made the decision to initiate the call back (that is the person referred to in Part A1 above).

Part B: Designation

1. Each Health Authority may designate physicians and/or services for call back payments.

2. The Health Authorities may designate individual physicians by name, groups of individual physicians by name, or practice categories/services without naming specific physicians (in which case any physician who is a member of the medical staff of the facility in issue with the privileges and qualifications required to provide the services and who meets all other terms of the designation will be deemed to be designated).
3. The Health Authorities may specify additional terms as being applicable to any designation so long as such additional terms are not inconsistent with these Criteria. Permissible additional terms include, but are not limited to:
 - a) Specific sites;
 - b) Specific services;
 - c) Specific times (e.g. hours in a day, days in a week);
 - d) Maximum dollar amounts for call back payments in a given time period (e.g. monthly, annually); and
 - e) Maximum number of call backs in a given time period (e.g. monthly, annually).
4. If the designation is in respect of a specific physician or group of specific physicians, then each such physician or group, respectively, will be provided with a standardized Call Back Designation Letter that expresses the names of the physicians that are the subject of the designation, expresses all additional terms applicable to the designation, and encloses a copy of these Criteria and a copy of the form of invoice to be used to submit claims for payment, and in the event the designation is cancelled or altered will be provided with a letter advising of same.

Part C: Approving Payments on an Exception Basis

1. Approval for call back payment on an exception basis may be sought for specific call backs by physicians who are not designated in accordance with Part B above and by physicians who are designated in accordance with Part B above but in circumstances where all terms applicable to the designation have not been met (e.g. the call back was to a non-designated site, for non-designated services, and/or at a non-designated time of day; or if paid, the maximum dollar amount would be exceeded and/or the maximum number of call backs would be exceeded).
2. To seek approval on an exception basis, a physician must submit an invoice in accordance with Part A4(c) above which clearly and expressly indicates that payment is sought on an exception basis.
3. Each Health Authority will specify an individual by name or position/title with authority to approve call back payments on an exception basis.
4. The individual specified in accordance with Part C3 above will approve exceptional claims for payment if all criteria for call back payment eligibility as set out in Part A above (except that set out in Part A2(a)) have been met.

Part D: Appeal of Denied Call Back Claims

1. In the event that a physician's claim for call back payment is denied the physician may, within 30 days of being advised by the Health Authority of the denial of the claim, request the Doctors of BC to initiate a Call Back Dispute on his/her behalf. If the Doctors of BC agrees to do so, the Doctors of BC must provide notice of same to the applicable Health Authority and to the Joint Agreement Administration Group within 30 days of being requested by the physician to initiate a Call Back Dispute. The notice must be in writing and must include the facts upon which the physician relies including a copy of the invoice submitted in association with the claim as required by Part A4(c) above but with the name(s) and personal health number(s) of the patient(s) expunged, the identification of the ground upon which the Call Back Dispute is advanced, an outline of argument supporting the physician position, and a written consent to release information signed by the physician, in the form attached.
2. Upon receipt by the Ministry of a consent to release information in the form attached, the Ministry will forward to the Joint Agreement Administration Group and to the applicable Health Authority a list of the information that the Ministry proposes to release. After providing the applicable Health Authority and the physician with the opportunity to comment on the list, the Joint Agreement Administration Group will request the Ministry to release some or all of the information on the list. The Ministry will then release the information as requested by the Joint Agreement Administration Group.
3. The only ground upon which a Call Back Dispute may be advanced is that all the criteria for call back payment eligibility as set out in Part A above have been met (except where the Call Back Dispute relates to a physician not designated in accordance with Part B above or a claim that does not fall within the terms of such a designation, in which case the only ground upon which such a Call Back Dispute may be advanced is that all the criteria for call back payment eligibility as set out in Part A above, except that in Part A2(a), have been met).
4. The Joint Agreement Administration Group will consider each Call Back Dispute referred to it and, after providing the physician and the applicable Health Authority with the opportunity to be heard, may decide the merits of the Call Back Dispute, following any further process stipulated by it, by consensus decision (as that term is defined in section 1.2 of the Physician Master Agreement), in which case the decision of the Joint Agreement Administration Group will be final and binding on the physician and the Health Authority.
5. In the event that the Joint Agreement Administration Group is unable to reach a consensus decision with respect to the resolution of any Call Back Dispute within 60 days of receipt of the associated notice, or any longer period agreed to by the Joint Agreement Administration Group, the Doctors of BC or the Government may, within a further 30 days, refer the Call Back Dispute to a member of the Roster set out at Appendix H to the Physician Master Agreement or any other person agreed to by the Doctors of BC and the Government (the "Call Back Adjudicator")

6. Where, within the time limits in Part D5 above, the Joint Agreement Administration Group has not reached a consensus decision with respect to the resolution of any Call Back Dispute and the Call Back Dispute is not referred to the Call Back Adjudicator, then there will be no further process under these Criteria or otherwise for the physician to advance his/her claim for call back payment, and the Health Authority's denial of such claim will be final and binding on the physician.
7. Where a Call Back Dispute is referred to the Call Back Adjudicator pursuant to Part D5, the Call Back Adjudicator will determine whether the criteria set out in Part A above have been met, following any further process stipulated by him/her. If the Call Back Adjudicator determines that the criteria set out in Part A have not been met then he/she will render a final and binding award confirming the Health Authority's denial of the claim for call back payment. If the Call Back Adjudicator determines that the criteria set out in Part A have been met then he/she will render a final and binding award allowing the claim for call back payment following which the applicable Health Authority will make the payment.
8. The Government and the Doctors of BC will share the costs associated with the referral of Call Back Disputes to the Call Back Adjudicator.

APPENDIX J

MEMORANDUM OF AGREEMENT – COST OF LIVING ADJUSTMENT

BETWEEN:

**HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE
OF BRITISH COLUMBIA**, as represented by the Minister of
Health

(the “**Government**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

AND:

MEDICAL SERVICES COMMISSION

(the “**MSC**”)

Definitions

1. In this Memorandum of Agreement:

“**Cost of Living Adjustment**” or “**COLA**” means a percentage-based fee, rate and range increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all fees, rates and ranges.

The “**annualized average of BC CPI over twelve months**” or “**AABC CPI**” means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “**Latest 12-month Average Index**”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

2. The COLA will be applied across-the-board to all Fees, reading fees for screening mammography, MRI fees, Sessional Contract Rates, and Service Contract/Salary Agreement Rates and Ranges subject to the 2022 Physician Master Agreement, effective April 1, 2023 and April 1, 2024.

April 2023

3. If the 2023 AABC CPI exceeds 5.5%, then, on April 1, 2023, all Fees, reading fees for screening mammography, MRI fees, Sessional Contract Rates, and Service Contract/Salary Agreement Rates and Ranges will be adjusted upwards to reflect a COLA equal to the difference between the 5.5% and the 2023 AABC CPI, up to a maximum of 1.25%, on top of the increases outlined the 2022 Physician Master Agreement.

April 2024

4. If the 2024 AABC CPI exceeds 2.0%, then, on April 1, 2024, all Fees, reading fees for screening mammography, MRI fees, Sessional Contract Rates, and Service Contract/Salary Agreement Rates and Ranges will be adjusted upwards to reflect a COLA equal to the difference between 2.0% and the 2024 AABC CPI up to a maximum of 1.00%, on top of the increases outlined the 2022 Physician Master Agreement.

NOW THEREFORE in consideration of the premises and the agreements of the parties as set out herein, the parties agree as follows:

3.2 This Agreement shall be for the same term as the 2022 Physician Master Agreement and will be subject to renegotiation and/or termination pursuant to Articles 26 and 27 of the 2022 Physician Master Agreement.

ARTICLE 4 – FAMILY PRACTICE SERVICES COMMITTEE

4.1 The parties agree that full service family practice must be encouraged and supported.

4.2 The **Family Practice Services Committee** shall continue under this Agreement as a vehicle for representatives of the Government, the Doctors of BC and BC Family Doctors to work together on matters affecting the provision of services by Family Physicians in British Columbia, including ways of providing incentives for Family Physicians to provide full service family practice and benefit patients. In addition to the core mandate outlined in section 8.2 of the 2022 Physician Master Agreement, the Family Practice Services Committee will fulfill the specific mandate set out in this Agreement.

4.3 The Family Practice Services Committee shall be composed of six members appointed by the Government and six members appointed by the Doctors of BC.

4.4 The Family Practice Services Committee shall be co-chaired by a member chosen by the Government members and a member chosen by the Doctors of BC Board of Directors and shall appoint two of its members as vice chairs, one who shall be chosen by the Government from

among the Government members and one who shall be chosen by the Doctors of BC from among the Doctors of BC members.

4.5 Decisions of the Family Practice Services Committee shall be by consensus decision.

4.6 If the Family Practice Services Committee cannot reach a consensus decision on any matter it is required to determine, the Government and/or the Doctors of BC may make recommendations to the MSC and the MSC, or its successor, will determine the matter.

4.7 On an annual basis, the Family Practice Services Committee will develop a work plan, ensure that evaluations to measure outcomes are an integral part of the plan, and report to the Physician Services Committee in the manner outlined in section 6.3(a) of the 2022 Physician Master Agreement.

4.8 The Family Practice Services Committee must follow any communication protocol developed by the Physician Services Committee, and in any event must ensure that the co-chairs of the Family Practice Services Committee pre-approve any communication about the business and/or decisions of the Family Practice Services Committee.

4.9 The costs of administrative and clerical support required for the work of the Family Practice Services Committee will be paid from the funds to be allocated by the Family Practice Services Committee pursuant to this Agreement, including the cost of physician participation other than physicians who are employees of the Government, Doctors of BC and Health Authorities, unless such Health Authority employed physicians are participating on behalf of the Doctors of BC.

ARTICLE 5 - FULL SERVICE FAMILY PRACTICE FUNDING

5.1 The Family Practice Services Committee will be used to further collaborate with Family Physicians to encourage and enhance full service family practice and benefit patients through the existing \$157.347 million annual funding level for full service family practitioners. The funds identified in this section 5.1 are to be allocated by the Family Practice Services Committee to support its work in maintaining, enhancing and expanding the programs that support the delivery of primary care services to British Columbians by, among other things, offsetting utilization pressures on its programs, supporting integrated and collaborative initiatives including change management, identifying and treating patients and communities with unmet needs, providing incentives for Family Physicians to provide full service family practice, enhancing risk assessment and reduction, improving capacity in primary care, enhancing comprehensive and continuous care and improving coordination and quality of care to family practice patients in British Columbia, with allocations to include, but not be limited to, the areas identified in section 5.2.

5.2 The Family Practice Services Committee will use the funds available to it pursuant to section 5.1 for the following purposes, among others:

- (a) to fund financial incentive programs for the support of full service family practice, including:

- (i) improved identification and management of:
 - (A) mental health conditions;
 - (B) chronic disease;
 - (C) complex co-morbidities;
 - (D) maternity care;
 - (E) the frail elderly;
 - (F) the co-ordination of care of patients in hospital or long-term care; and
 - (G) patients requiring end of life care; and
 - (ii) increased multi-disciplinary care between Family Physicians and other healthcare providers;
- (b) to fund, in whole or in part, full service family practice support programs such as Divisions of Family Practice, the Practice Support Program and the Long-Term Care Initiative; and
 - (c) to improve disease prevention.

5.3 In addition to the funds identified in section 5.1, the Government will provide the following funding to be allocated by the Family Practice Services Committee to maintain or increase existing compensation programs or develop new fees or compensation programs to support full service family practice:

- (a) an additional \$18.3 million per year effective April 1, 2022;
- (b) an additional \$10.7 million per year effective April 1, 2023; and
- (c) an additional \$1.0 million per year effective April 1, 2024.

5.4 A priority for the funding in section 5.3 is to continue and expand upon the existing (Fiscal Year 2022/23) funding to support in-patient services to medium-sized communities under the In-Patient Initiative for the term of the 2022 Physician Master Agreement.

5.5 In addition to the funds identified in sections 5.1 and 5.3, the Government will provide the following funding to be allocated by the Family Practice Services Committee to support other non-compensation initiatives including physician practice support, physician engagement and change management with respect to the implementation of Patient Medical Homes/Primary Care Networks:

- (a) an additional \$3.0 million per year effective April 1, 2022; and

(b) an additional \$3.0 million per year effective April 1, 2023.

5.6 Any funds described in sections 5.1, 5.3 and 5.5 that remain unexpended at the end of any Fiscal Year will be available to the Family Practice Services Committee for use as one time allocations to improve the quality of care.

5.7 The Government and the Doctors of BC agree that the total annual amount of new and existing designated funding provided to the Family Practice Services Committee for compensation programs or fees, less the amount of such funding for compensation that will continue to be available to physicians who move to the New Longitudinal Family Physician Payment Model, will be reduced to account for the expected payments to those physicians who have claimed a Community Longitudinal Family Physician (CLFP) Payment amount, and who move to the New Longitudinal Family Physician Payment Model.

5.8 The Government and Doctors of BC will develop a mechanism to address the details of the revisions to the funding provided to the Family Practice Services Committee in accordance with 5.7 above.

5.9 If the Family Practice Services Committee needs to reduce expenditures in order to meet its budget targets, the Family Practice Service Committee will first address such budget pressures through a reduction of expenditures on its programs that do not have accompanying fees before considering adjustments to any of its established fees. Any such fee adjustments will be by mutual agreement. For clarity, this section 5.9 does not restrict the Family Practice Service Committee from adjusting its fees in order to meet its mandate.

5.10 The Family Practice Services Committee will continue to review and recommend approaches that support Family Practitioners' continued role in providing hospital care, including the relationship between that role and the role of hospitalists. The Family Practice Services Committee will determine the key elements or models of care with indicators that demonstrate and support optimum patient outcomes. The recommendations will propose how best to utilize existing allocations for primary care support of hospitalized patients.

ARTICLE 6 – PRIMARY CARE NETWORK/PATIENT MEDICAL HOME

6.1 If the Family Practice Services Committee agrees, the Government may, at its discretion, make funds available to the Family Practice Services Committee to be used to support non-physician costs related to the design and implementation of the Primary Care Network and Patient Medical Home programs. Any such additional funds will be identified specifically for this purpose and any such funds not so expended by the Family Practice Services Committee will be returned to the Government.

ARTICLE 7 - DOCTOR OF THE DAY

7.1 The need for a Doctor of the Day will be determined by the Health Authorities.

7.2 A Doctor of the Day will be compensated at the rate of \$400 per twenty-four hours of coverage.

7.3 Where there is a requirement for less than twenty-four hours of coverage, an appropriate rate based upon the twenty-four hour rate shall be determined at the local level.

7.4 Funding for Doctor of the Day will be allocated from the annual MOCAP budget.

ARTICLE 8 - DISPUTE RESOLUTION

8.1 Disputes as to the interpretation, application, operation or alleged breach of this Agreement are Provincial Disputes and will be resolved in accordance with the provisions of Articles 20, 21 and 22 of the 2022 Physician Master Agreement applicable to Provincial Disputes.

IN WITNESS WHEREOF the parties have executed this Agreement by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022.

The criteria for including any community in Appendix A are set out in Appendix B. To be included in Appendix A, a community must receive at least 0.5 Isolation Points as a result of the application of Appendix B. The JSC will review and amend Appendix A at least annually in accordance with sections 5.9 and 5.10.

ARTICLE 5 - THE JOINT STANDING COMMITTEE ON RURAL ISSUES

5.1 The **Joint Standing Committee on Rural Issues** (the “JSC”) will continue under this Agreement and will continue to work to enhance the delivery of rural healthcare in accordance

with the duties imposed and the powers conferred by this Agreement. The JSC will administer rural programs and any projects and initiatives also developed, in consideration and support of, the following objectives:

- (a) enhancing recruitment and retention of physicians in rural communities;
- (b) supporting and enhancing access to medically and culturally safe and appropriate care in rural communities;
- (c) supporting education and training of physicians and medical learners in rural communities;
- (d) supporting the availability and stability of hospital based care, emergency care, and specialized care to and in rural communities;
- (e) recognizing and enhancing delivery of rural care by proactively assisting communities and physicians experiencing sudden or unanticipated difficulties;
- (f) supporting team-based care and peer networks to support quality services for rural providers and patients; and
- (g) supporting evaluation-driven quality improvement and research to improve rural patient care.

5.2 The JSC is composed of five members appointed by the Doctors of BC and five members appointed by the Government. In addition, each party may designate up to three alternates. Doctors of BC may use funding identified in Article 9 to cover the participation costs for its non-employee physician members or alternate representatives to attend meetings, to a maximum of \$150,000 annually. Excess or other participation costs for Doctors of BC members will be paid by Doctors of BC. Government will pay for the participation costs of its own members.

5.3 Government may use funding identified in Article 9 to increase administrative support for the Rural Programs and RSA Funded Rural Programs to a maximum of \$150,000 annually, and will report to the JSC on the use of the funding.

5.4 The JSC must meet a minimum of six times per year and will be co-chaired by a member chosen by the Government members and a member chosen by the Doctors of BC Board of Directors. The JSC must establish, before December 31 of the preceding year, a schedule of meetings for the next 12 months.

5.5 One of the annual meetings will be conducted in an RSA Community if circumstances allow. Expenses for all JSC members and invited guests to the annual meeting that is conducted in an RSA Community will be paid out of the JSC budget.

5.8 The JSC may make recommendations to the Physician Services Committee on the use of innovative and emerging technologies.

5.9 The JSC must review Appendix A annually in accordance with section 5.10. In addition to amendments made to Appendix A as a result of that annual review, Appendix A may be amended periodically to reflect any changes determined by the JSC to be appropriate and consistent with this Agreement, provided however that any community listed on Appendix A must have at least 0.5 Isolation Points.

5.10 Commencing in January of each year, the JSC must review the Isolation Points assigned to each community in Appendix A by applying Appendix B to each such community. This annual review must be completed by the end of February of the same calendar year. By no later than April 1 of the same year, the JSC must amend the Isolation Points assigned to each of the communities in Appendix A, to reflect the results of the annual review. Implementation of an RSA Community's Isolation Points will be based on a five-year rolling point average.

5.11 Where, as a result of a review pursuant to section 5.9 or section 5.10, the JSC assigns a community:

- (a) less than the minimum number of Isolation Points required for eligibility as determined by the JSC, then, in the year to which that assignment applies, physicians will no longer be eligible for the Flat Premium or Percentage Fee Premium;
- (b) between 0.5 and the minimum number of Isolation Points required for eligibility as determined by the JSC, it will be deemed to be a "D" community and physicians residing and practising in such community will only be eligible for the RCME, the RGPLP, the RSLP, the RGPALP, the RIF, the RCF, the SPLP, the REEF and the REAP, all in accordance with the specific terms, conditions, rules and eligibility criteria applicable to each of those programs as established by the JSC from time to time; and
- (c) less than 0.5 Isolation Points, the community will be deleted from Appendix A and physicians residing and/or providing services in such community will be ineligible for Rural Programs and RSA Funded Rural Programs.

5.12 Where a community has been recommended for inclusion in Appendix A in accordance with section 4.3, the JSC must evaluate the community by application of Appendix C. If the evaluation results in a rating for the community of at least 0.5 Isolation Points, the JSC must add the community to Appendix A.

5.13 The JSC will periodically review Appendix B and may, by consensus decision, make any changes determined by the JSC to be appropriate.

5.14 In the event the JSC is unable to reach a consensus decision with regard to any matter that it is required by this Agreement to decide, the Government and/or the Doctors of BC may refer the matter in dispute for in accordance with section 21.2 of the 2022 Physician Master Agreement.

5.15 The JSC must establish practices and procedures appropriate to decisions with respect to the disbursement of public funds, including conflict of interest guidelines. The practices and procedures adopted by the JSC must include provisions that promote accountability, transparency and, consistent with section 5.3 of the 2022 Physician Master Agreement, confidentiality.

5.16 On an annual basis, the JSC will develop a work plan, ensure that evaluations to measure outcomes are an integral part of the work plan, and report to the Physician Services Committee in the manner outlined in section 6.3(a) of the 2022 Physician Master Agreement.

5.17 The JSC must follow any communication protocol developed by the Physician Services Committee, and in any event must ensure that the co-chairs of the JSC pre-approve any communication about the business and/or affairs of the JSC.

- (d) Percentage Fee Premiums apply to the professional component of radiologists' and pathologists' in-patient and emergency services.
- (e) Subject to 6.2, the Government will continue to fund the RRP at a level sufficient to maintain Percentage Fee Premium and Flat Premium values that reflect the implementation of the at least annual application of Appendix B and the amendments to the Isolation Points for each RRP Community that result therefrom, on the following basis:
 - (i) for RRP Communities without a resident physician and without a vacancy, a Percentage Fee Premium will be available in an amount equal to the total Isolation Points for the RRP Community in question but to a maximum Percentage Fee Premium of 30%;
 - (ii) for RRP Communities with at least one resident physician or at least one vacancy, a Percentage Fee Premium will be available in an amount equal to 70% of the Isolation Points for the RRP Community in question but to a maximum Percentage Fee Premium of 30%;
 - (iii) for RRP Communities with at least one physician living and working, a Flat Premium will be available in an amount equal to 30% of the Isolation Points for the RRP Community in question multiplied by a multiplier as agreed by the JSC; and
 - (iv) if the JSC chooses not to implement reductions in Isolation Points for RRP Communities as a result of the application of Appendix B, the cost of maintaining the Percentage Fee Premium and Flat Premium values will be paid out of funds provided in Article 9.

6.5 Rural Premiums on specified Family Practice Services Committee fees (listed in Appendix D), will be funded out of the amount set out in sections 9.1 and 9.2, up to a maximum of \$4.2M.

PHYSICIAN SUPPLY PLANS

- 1.1 A Physician Supply Plan is a plan created by a Health Authority further to the Ministry's Health Human Resource Strategy, in consultation with the Health Authority's medical advisory committee, and approved by the Ministry, which addresses issues related to access to physician services within the geographic jurisdiction of the Health Authority.
- 1.2 For purposes of this Agreement, the key elements of a Physician Supply Plan are:
 - The number of Family Physicians and Specialists required to provide the physician services identified in the Physician Supply Plan; and
 - The on-call requirements necessary to ensure coverage.
- 1.3 In some cases, Health Authorities do not yet have approved Physician Supply Plans. Pending development and approval of a Physician Supply Plan covering a community within the jurisdiction of a Health Authority without a Physician Supply Plan, a reference to "Physician Supply Plan" in this Agreement means, with respect to that community:
 - The number of Family Physicians and Specialists in the community as of December 31 of the previous year, plus any vacancies identified by the Health Authority as of that date where active recruitment was underway; and
 - On-call requirements as determined by the Health Authority.
- 1.4 Despite any provision to the contrary, all physicians working in any RSA Community as of December 31 of the previous year are deemed to be included in the Physician Supply Plan for the term of this Agreement.

2022 ALTERNATIVE PAYMENTS SUBSIDIARY AGREEMENT

THIS AGREEMENT made as of the 1st day of April, 2022,

BETWEEN:

**HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE
OF BRITISH COLUMBIA**, as represented by the Minister of
Health

(the “**Government**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

AND:

MEDICAL SERVICES COMMISSION

(the “**MSC**”)

WITNESSES THAT WHEREAS:

A. The Doctors of BC, the MSC and the Government have agreed to renew and replace the 2019 PMA, the 2019 General Practitioners Subsidiary Agreement, the 2019 Specialists Subsidiary Agreement, the 2019 Rural Practice Subsidiary Agreement, the 2019 Alternative Payments Subsidiary Agreement, and the 2019 Benefits Subsidiary Agreement;

B. The parties have agreed that this Agreement will constitute the new Alternative Payments Subsidiary Agreement, to take effect as of April 1, 2022; and

C. The parties intend this Agreement to define compensation and the general terms and conditions that will apply to all Salary Agreements, Service Contracts and Sessional Contracts between Physicians and Agencies for Physician Services.

NOW THEREFORE in consideration of the premises and the agreements of the parties as set out herein, the parties agree as follows:

PART 1 - GENERAL MATTERS

ARTICLE 1 - RELATIONSHIP TO THE 2022 PHYSICIAN MASTER AGREEMENT

1.1 This Agreement is one of the Physician Master Subsidiary Agreements under the 2022 Physician Master Agreement and is subject to its terms and conditions.

ARTICLE 2 - DEFINITIONS AND INTERPRETATION

2.1 Words used in this Agreement that are defined in the 2022 Physician Master Agreement have the same meaning as in the 2022 Physician Master Agreement unless otherwise defined in this Agreement.

2.2 “**After-Hours**” means Physician Services provided by Physicians on evenings, nights, weekends, and holidays, defined as follows:

- (a) Evenings: 1800 to 2300 hours;
- (b) Nights: 2300 to 0800 hours; and
- (c) Weekends/Holidays: 0800 to 2300 hours.

2.3 “**After-Hours Premiums**” means an additional payment to Physicians (in addition to payment for Physician Services under a Service Contract or Salary Agreement) for each additional hour of Physician Services provided After-Hours in-person at an Agency facility as follows:

- (a) Evenings: \$25 per hour;
- (b) Nights: \$35 per hour; and
- (c) Weekends/Holidays: \$25 per hour.

The requirement to attend in-person at an Agency facility does not apply to Physicians providing Physician Services under a Service Contract or Salary Agreement where such Physician Services are exclusively virtual in nature.

2.4 “**this Agreement**” means this document including the Schedules, as amended from time to time as provided herein.

2.5 “**General Practice Services**” means Physician Services generally recognized as being within the practice scope of a General Practitioner.

2.6 “**Physician**” means a medical practitioner who is and remains a member in good standing of the College of Physicians and Surgeons of British Columbia, whose services require them to have a medical degree and who is not providing exclusively administrative services, but does not include any member who is an undergraduate or an intern, resident, clinical fellow or clinical trainee in a postgraduate training program.

2.7 “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” among the Government, the Doctors of BC, and the MSC, dated April 1, 2022.

2.8 “**Physician Placement System**” has the meaning given in section 12.6.

2.9 “**Physician Services**” means clinical and related teaching, research and clinical administrative services provided by Physicians.

2.10 “**Salary Agreement Full Time Equivalent**” means 1957.5 paid hours of employment per year for a Physician employed under a Salary Agreement.

2.11 “**Specialist Services**” means Physician Services generally recognized as requiring Specialist Physician expertise.

2.12 “**Template Service Contract**” means a Service Contract in the form(s) attached as Schedule E to this Agreement.

2.13 “**Template Sessional Contract**” means a Sessional Contract in the form(s) attached as Schedule F to this Agreement.

2.14 The provisions of sections 1.2 to 1.8 inclusive of the 2022 Physician Master Agreement are hereby incorporated into this Agreement and shall have effect as if expressly set out in this Agreement, except those references in such sections to “this Agreement” shall herein be construed to mean this Agreement.

ARTICLE 3 - TERM

3.1 This Agreement comes into force on April 1, 2022.

3.2 This Agreement shall be for the same term as the 2022 Physician Master Agreement and will be subject to renegotiation and/or termination pursuant to Articles 26 and 27 of the 2022 Physician Master Agreement.

ARTICLE 4 - ALLOCATION COMMITTEE

4.1 By February 1, 2023 the Government and the Doctors of BC shall appoint a temporary committee (“**Allocation Committee**”) in accordance with the provisions of this Article 4, whose role it will be to adjust the Salary Agreement Ranges and the Service Contract Ranges by allocating the funding identified in sections 1.1(b), 1.2(b) and 1.3(b) of Appendix F to the 2022 Physician Master Agreement effective April 1, 2022, April 1, 2023 and April 1, 2024, respectively.

4.2 The Allocation Committee will be composed of an equal number of members appointed by each of the Government and the Doctors of BC. Decisions of the Allocation Committee will be by consensus decision and must be consistent with the provisions of this Agreement and the 2022 Physician Master Agreement. If the Allocation Committee is unable to reach a decision on the distribution of the funding identified in sections 1.1(b), 1.2(b) and 1.3(b) of Appendix F to

the 2022 Physician Master Agreement by January 31, 2024, the applicable funding will be allocated, subject to the eligibility provisions of this Agreement, on the basis of an equal annual dollar increase per FTE to all Service Contract and Salary Agreement Rates and Ranges effective April 1 of the Fiscal Year for which the funding is allocated.

4.3 The Government and the Doctors of BC will each bear the costs of their own respective participation on the Allocation Committee.

4.4 The Allocation Committee will make a single decision that will apply to the 2022/23, 2023/24 and 2024/25 Fiscal Years.

4.5 The cost of the increases to the Salary Agreement Ranges and Rates and Service Contract Ranges and Rates for each of the 2022/23, 2023/24 and 2024/25 Fiscal Years will be based on the FTE distribution of Physicians on Service Contracts and Salary Agreements in Fiscal Year 2022/23 and will include the associated incremental RRP cost increases and the associated incremental benefit cost increases for salaried Physicians in Fiscal Year 2022/23.

4.6 The Government will provide the Allocation Committee with the 2022/23 FTE distribution information by June 1, 2023.

4.7 The Allocation Committee will consider income disparity between practice categories and will not consider any allocations made in the 2019 Physician Master Agreement or in subsequent Physician Master Agreements to address After-Hours work, when allocating the funding in sections 1.1(b), 1.2(b) and 1.3(b) of Appendix F to the 2022 Physician Master Agreement among the Service Contract Ranges and among the Salary Agreement Ranges.

4.8 Schedule A and Schedule B of this Agreement will be revised to reflect the increased Salary Agreement Ranges and the increased Service Contract Ranges for the applicable Fiscal Years upon being confirmed as final by the Allocation Committee. Affected physicians under existing Service Contracts and Salary Agreements will be placed within the applicable amended Service Contract Range or Salary Agreement Range at the same level as their current placement (e.g. range minimum, mid range, or range maximum).

ARTICLE 5 –PHYSICIAN WORKLOAD

5.1 In order to fund additional full time equivalents of Physician Services (the “FTEs”) to address workload pressures of Physicians on Service Contracts or Salary Agreements, the Government will, for each Fiscal Year of this Agreement, increase the provincial budget for Service Contracts and Salary Agreements in effect at the end of the preceding Fiscal Year by allocating the following amounts:

- (a) \$53.75 million effective April 1, 2023; and
- (b) \$28 million effective April 1, 2024.

The Government will also make an additional \$47 million available for allocation effective April 1, 2023. The Government will determine, at its discretion, the portion of the \$47

million that will be allocated in the 2023/24 Fiscal Year and the portion that will be allocated in the 2024/25 Fiscal Year, following assessment of the proposals submitted under the process set out in section 5.3. If, in any Fiscal Year of this Agreement, the total funding request in the combined proposals submitted to Government under the process set out in section 5.3 is less than the amounts allocated pursuant to this section 5.1, the Government may use the difference to establish, at its discretion, new Alternative Payment Arrangements.

5.2 At the end of the 2023/24 and 2024/25 Fiscal Years of this Agreement, the Government will report to the Doctors of BC expenditures for additional FTEs allocated in those Fiscal Years at the level of individual or group Service Contracts and Salary Agreements.

5.3 The funding process for additional FTEs will be as follows:

- (a) Physician(s) providing services under Service Contracts or Salary Agreements who experience significant and sustained growth in workload may submit a proposal to the relevant Agency to request new funding for additional FTEs (in whole or in part) prior to January 15, 2023 for funding in Fiscal Year 2023/24, and prior to November 30, 2023 for funding in Fiscal Year 2024/25.
- (b) Physician proposals will be in a standardized template developed by Government, which, among other things, will require Physician(s) to submit objective, reliable data regarding physician workload.
- (c) Following receipt of a proposal from Physician(s) for additional funding, the Agency and Physician(s) will meet to review the proposal. The Agency may provide any other relevant data not contained in the Physician(s)' proposal and may identify solutions other than additional FTEs to address growth in physician workload. The Agency and Physician(s) will attempt to reach agreement on whether there is a physician workload problem that should be addressed by additional FTEs.
- (d) By March 15, 2023 for Fiscal Year 2023/24, and, by January 31, 2024 for Fiscal Year 2024/25, the Agency will submit to Government the Physician(s)' proposal(s) for funding for additional FTEs, indicating whether or not the Agency supports the proposal and, if it does not support the proposal, the reasons why.
- (e) Within six weeks of the deadline for submission to the Government of all proposals for funding for additional FTEs, Government will consult with a Workload Advisory Committee comprised of four physicians appointed by the Doctors of BC to review and assess the proposals.
- (f) In assessing the proposals for funding for additional FTEs, the Government will consider the growth in hours, volume, complexity of services and/or other measures of workload and will not deny any proposals on the basis that hours of services have not exceeded the FTE.

- (g) Within six weeks of the first meeting between the Government and the Workload Advisory Committee, the Government will report to the Doctors of BC the budget commitments/allocations at the level of individual or group Service Contract and Salary Agreements and, for the initial allocation in 2023, what portion of the additional \$47 million was allocated and what portion remains for Fiscal Year 2024/25.
- (h) Where the allocation is to support additional FTEs under a group Service Contract, funding for the additional FTEs will be made available under the same terms and conditions as the existing group Service Contract. Any renewal negotiations will occur independently of and subsequent to the allocation of the additional FTEs.
- (i) Where the allocation is to support additional FTEs under individual Service Contracts and there is urgent need for additional Physician Services, Physician(s) and the Agency may agree to temporarily amend existing Service Contracts, or offer new Service Contracts to existing Physician(s), on a temporary basis pending recruitment of new Physician(s).
- (j) The Government will provide the Physician(s) with reasons where a proposal submitted in accordance with section 5.3 is not approved.

5.4 The Government and Doctors of BC will continue the Provincial Workload Measures Working Group (“**PWMWG**”) composed of four members appointed by the Government/Health Authorities and four members appointed by the Doctors of BC to collaboratively develop a non-exhaustive list of standardized provincial workload measures by Practice Category/Clinical Service Area (“**Provincial Workload Measures**”). In this regard, a “**Workload Measure**” is defined as a tool to identify relevant information for the review of physician workload. The PWMWG will submit a work plan to the Physician Services Committee on an annual basis and will submit regular reports on progress at the request of the Physician Services Committee.

5.5 The Government and the Doctors of BC will add a new Appendix to the Template Service Contracts and the Standard Terms and Conditions of Employment Under Salary Agreements set out in Schedules D and E, respectively, to this Agreement titled “Workload Measures” (the “**WL Appendix**”), and the Government and the Doctors of BC agree that:

- (a) The Agency and Physician(s) must expressly include one to three relevant Workload Measure(s), which may include Provincial Workload Measures (if there are applicable Provincial Workload Measures) in the WL Appendix by agreement. In the event that the parties are unable to reach agreement on such workload measures, applicable Provincial Workload Measures will be added to the WL Appendix, and if there are no applicable Provincial Workload Measures, the parties will refer the matter to the Trouble Shooter for non-binding recommendations.
- (b) The WL Appendix will provide that Workload Measure(s) included in the WL Appendix:

- (i) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (ii) may, and are expected to, change over time;
 - (iii) do not preclude an Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (iv) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (v) do not create any contractual obligations on the Agency or the Physician(s).
- (c) To support consistency in the identification of workload measure(s) in the WL Appendix, the Government and Doctors of BC agree that Physicians will be encouraged to work together in circumstances where there are multiple individual Service Contracts or Salary Agreements for similar Physician Services with the same Health Authority.
- (d) For greater clarity, nothing in this section 5.5 precludes local parties from agreeing to more than 1-3 Workload Measure(s) or agreeing to Workload Measure(s) in Service Contracts and/or Salary Agreements prior to the addition of the WL Appendix.

5.6 The Government and the Doctors of BC shall continue the temporary committee called the “Provincial Laboratory Physician Workload Model Committee” (the “LPWMC”). The LPWMC shall be composed of four members appointed by the Government and four members appointed by the Doctors of BC. The LPWMC shall be co-chaired by one committee member chosen by the Government members and one committee member chosen by the Doctors of BC members.

5.7 Decisions of the LPWMC shall be by consensus decision.

5.8 The LPWMC will have the following mandate:

- (a) to determine how the anatomical pathology workload model will be used in or related to local laboratory physician contracts;
- (b) to continue development and validation of a clinical pathology workload model; and
- (c) to determine how the clinical pathology workload model will be used in or related to local laboratory physician compensation contracts.

5.9 The LPWMC shall determine its own procedures and timelines.

5.10 Recognizing that work on the clinical pathology model is still in its early stages, the Government and Doctors of BC agree that the Physician Services Committee will consider the LPWMC's decisions on the anatomical pathology workload model as soon as possible.

ARTICLE 6 - COMPENSATION ENTITLEMENT

6.1 Subject to sections 6.2 and 6.3 of this Agreement, Physicians providing Physician Services under the terms of a Salary Agreement or Service Contract or during the time for which they are paid in accordance with a Sessional Contract, are not entitled to any additional compensation for those Physician Services and may not be paid Fees or any other fees for those Physician Services.

6.2 Physicians paid pursuant to a Salary Agreement, a Service Contract or a Sessional Contract will be entitled to receive:

- (a) additional compensation under the Rural Practice Subsidiary Agreement; and
- (b) additional compensation under the 2022 Physician Master Agreement, the Family Practice Subsidiary Agreement or the Specialists Subsidiary Agreement;

where eligible under those agreements and all applicable eligibility criteria.

6.3 Physicians on Service Contracts or Sessional Contracts are entitled to participate in the Benefit Plans as defined and described in the Benefits Subsidiary Agreement, subject to the terms of the Benefits Subsidiary Agreement and the Benefit Plans.

ARTICLE 7 - COMPENSATION ADMINISTRATION

7.1 Physicians providing Specialist Services who are registered to provide Specialist Services with the College of Physicians and Surgeons of British Columbia but who do not hold certification or fellowship with the Royal College of Physicians and Surgeons of Canada, will, subject to agreement of the Physician Services Committee, be paid at the appropriate Sessional Contract Rate or on the appropriate Salary Agreement Range or Service Contract Range for the practice category for such Specialist Services. Pending that agreement of the Physician Services Committee, the Physician may be so paid for a period of up to six months. A Physician being paid under a Service Contract or a Salary Agreement pursuant to this section 7.1 will normally be placed at the minimum rate on the appropriate range unless the Physician Services Committee approves placement elsewhere on the range.

7.2 The Community Medicine/Public Health Areas A-D practice categories in Schedules A and B include Physicians who practice Community Medicine and are not classified in another medical group, including Medical Health Officers, Community Medicine Consultants and First Nations Medical/Public Health Advisors. Physicians will be assigned to one of the Community Medicine/Public Health Areas A-D practice categories on Schedule A and Schedule B in accordance with Schedule G.

7.3 Physicians who are currently being paid under a Salary Agreement or a Service Contract at an annual rate that is above the range maximum on the Salary Agreement Range or Service Contract Range for their practice category will receive the applicable compensation increases described at sections 1.1(a)(v), 1.2(a)(iv) and 1.3(a)(iv) of Appendix F to the 2022 Physician Master Agreement. Physicians who are currently being paid under a Salary Agreement or a Service Contract at an annual rate that is above the range maximum on the Salary Agreement Range or Service Contract Range for their practice category will not have their annual rate decreased as a result of the application of Schedule A or Schedule B, whichever is applicable, and will only receive compensation increases that are identified in sections 1.1(b), 1.2(b) and 1.3(b) of Appendix F to the 2022 Physician Master Agreement to the extent that their resulting compensation is within the then current applicable Salary Agreement Range or Service Contract Range.

7.4 Where Schedule A or Schedule B does not list a Salary Agreement Range or a Service Contract Range for a particular practice category, the Physician Services Committee will determine an appropriate range.

ARTICLE 8 - RELATIONSHIP WITH CONTRACTING AGENCIES

8.1 All Salary Agreements, Service Contracts and Sessional Contracts must be signed by the Physician or group of Physicians and the Agency, and the parties to such contracts shall exchange executed copies.

8.2 Subject to this Agreement, the Agency retains authority to negotiate with Physicians how Physician Services are to be delivered and what compensation is to be provided under a Salary Agreement, a Service Contract or Sessional Contract.

8.3 Except for the indemnity at section 4.6 of the Individual Template Service Contract and Individual Template Sessional Contract and section 4.7 of the Group Template Service Contract and the Group Template Sessional Contract, Alternative Payment Arrangements must not contain provisions requiring either the Physician or the Agency to indemnify the other in the event of a claim by a third party. For greater clarity, this clause is not intended to abrogate the common law rights of parties to an Alternative Payment Arrangement to claim indemnification from any other party.

8.4 Subject to sections 8.5 and 8.6, all Service Contracts and Sessional Contracts must be in the forms for each set out in Schedules E and F to this Agreement.

8.5 The parties to a Service Contract or a Sessional Contract may agree to contractual provisions that are in addition to those found in Schedules E and F to this Agreement provided that these additional provisions are not inconsistent with the spirit and intent of this Agreement.

8.6 The Template Service Contracts and the Template Sessional Contracts may be amended to reflect the legal status of the parties to the contract and the number of parties to the contract.

PART 2- PHYSICIANS EMPLOYED UNDER SALARY AGREEMENTS

ARTICLE 9 - COMPENSATION AND HOURS OF WORK

9.1 Physicians employed under Salary Agreements will be compensated within the Salary Agreement Range for the applicable practice category.

9.2 Physicians working less than a Salary Agreement Full Time Equivalent will receive a proportionate amount of compensation.

9.3 Annual salaries of Physicians under Salary Agreements include payment for time spent providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.

9.4 When a Physician is initially employed by an Agency under a Salary Agreement, the Physician's annual salary on the Salary Agreement Range for the applicable practice category will be the subject of an agreement between the Agency and the Physician and reflected in the offer of employment. Thereafter, annual in-range movement on the Salary Agreement Range will be on the same basis as senior management employees of the Agency, provided that no such movement shall result in any Physician's annual salary exceeding the range maximum on the Salary Agreement Range for the applicable practice category.

9.5 Effective April 1, 2023, to claim After-Hours Premiums, all Physicians under Salary Agreements must report to the Agency all hours of Physician Services provided After-Hours together with the date, name of the Agency facility where the Physician Services were provided, and the start and stop times, rounded to the nearest 15 minutes.

ARTICLE 10 - STANDARD TERMS AND CONDITIONS OF EMPLOYMENT UNDER SALARY AGREEMENTS

10.1 All Salary Agreements include and shall be deemed to include the standard terms and conditions of employment set out in Schedule D except in the case of Salary Agreements entered into before November 4, 2002 that reflect comparable practices. The Agency must provide the Physician with a copy of the applicable terms and conditions of employment.

10.2 The Agency retains full authority to direct the operations of its services, subject to this Agreement and the Physician's right to professional autonomy.

10.3 Notwithstanding section 10.1, terms regarding severance and current levels of support, office space, supplies and professional development entitlement and support in agreements between Physicians and Agencies in place on November 4, 2002 shall be maintained for twelve months from the date of written notice of a change to such term(s) being provided to the Physician.

10.4 Severance entitlements under all Salary Agreements must conform to the Employment Termination Standards established for the purposes of section 14.4 of the *Public Sector Employers Act* and amendments thereto.

ARTICLE 11 - BENEFITS, VACATION AND EXPENSES

11.1 Physicians employed under Salary Agreements will receive their benefits through the Agency that is their employer and, with the exception of the Physician Health Program, are not entitled to participate in the Benefit Plans as defined and described in the Benefits Subsidiary Agreement, unless otherwise specified in the Benefits Subsidiary Agreement.

11.2 Physicians employed under Salary Agreements are entitled to benefits and vacation at the same level and under the same terms as those provided to the senior management employees of the Agency that is their employer. In addition, the following will apply to Physicians employed under Salary Agreements:

- (a) reimbursement for the cost of annual dues of the College of Physicians and Surgeons of British Columbia and, where such membership is a requirement of employment, the Royal College of Physicians and Surgeons of Canada or the College of Family Physicians of Canada;
- (b) reimbursement for other approved professional fees to the maximum permitted by existing employer policies;
- (c) reimbursement for the annual dues or premiums, as applicable, for membership in the Canadian Medical Protective Association or coverage under a comparable professional/malpractice liability insurance plan;
- (d) a minimum of five days each year with pay for participation in Continuing Medical Education; and
- (e) reimbursement for Continuing Medical Education expenditures which, at a minimum, will be equivalent to that available under the Benefits Subsidiary Agreement.

11.3 In no case will a Physician's vacation, benefits, Continuing Medical Education, professional costs and fees, under an existing Salary Agreement be diminished as result of this Agreement.

11.4 Notwithstanding the employer's vacation policy, if a Physician employed under a Salary Agreement is not permitted by their employer to take any or all of their vacation entitlement, then the Physician may:

- (a) be paid out for the unused vacation days in the form of a lump sum cash payment in the employment year immediately following the employment year to which the unused vacation days are attributable;

- (b) carry forward the unused vacation days and use them for vacation leave in the employment year immediately following the employment year to which the unused vacation days are attributable; or
- (c) in the employment year immediately following the employment year to which the unused vacation leave is attributable, choose in part, to be paid out under section 11.4(a) and, in part, to use them for vacation leave under section 11.4(b).

PART 3 – PHYSICIAN SERVICES PROVIDED UNDER A SERVICE CONTRACT

ARTICLE 12 - COMPENSATION AND HOURS OF SERVICE

12.1 Physicians providing Physician Services under Service Contracts will be compensated within the Service Contract Range for the applicable practice category.

12.2 Subject to section 12.7, Physicians shall provide a minimum of 1680 hours to a maximum of 2400 hours of Physician Services per year in order to receive an annual rate on the Service Contract Range, and such number of hours will constitute one full time equivalent for the purposes of this Article 12. The parties recognize that many Physicians must work hours in addition to their contract hours, providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.

12.3 Parties to intended Service Contracts must attempt to reach agreement on the number of hours per year, between 1680 and 2400 hours, that will constitute a full time equivalent under the Service Contracts, and the following shall apply:

- (a) the parties may agree to a range of hours to address uncertainty in the expected number of hours per year;
- (b) if the parties are unable to reach agreement on the number of hours or a range of hours per year between 1680 and 2400 hours, that will constitute a full time equivalent under the Service Contract to meet the deliverables required by the Agency, a party may request, through the Doctors of BC and the Government, the use of the Trouble Shooter by providing a written notice to the other party that includes an initial summary of facts/information upon which they rely, an outline of their arguments including as to how the facts and information support their position on the appropriate FTE, and the FTE definition sought;
- (c) within 30 days of receipt of the notice described in section 12.3(a), the other party will submit a reply to the party that submitted the notice and the Joint Agreement Administration Group;
- (d) 45 days following the notice described in section 12.3(a), or a longer period determined by the Joint Agreement Administration Group, if the parties have not reached an agreement on what will constitute a full time equivalent under the Service Contract, either the Doctors of BC or the Government may request the Trouble Shooter to assist in resolving the disagreement, and will provide the Trouble Shooter with copies of the notice and reply. The Trouble Shooter will

then commence a fact-finding review and issue recommendations, consistent with section 12.2, to the Joint Agreement Administration Group and the local parties, and such recommendations will be treated by the Doctors of BC, the Government, and the local parties as confidential unless otherwise agreed by the Joint Agreement Administration Group;

- (e) in arriving at a recommendation, the Trouble Shooter will consider the annual hours of work reported in the most recent National Physician Survey, the conditions under which the Physician Services have been provided previously, and the hours of work for Physician Services under Service Contracts, Sessional Contracts and fee for service arrangements in British Columbia and other jurisdictions, and any additional information the Trouble Shooter determines is relevant and appropriate to the fact-finding review. The Trouble Shooter will determine the weight to be given to each category of information considered, and may give no weight to a particular category; and
- (f) the local parties may agree at any time to be bound by recommendations made by the Trouble Shooter, subject to section 20.2 of the 2022 Physician Master Agreement.

12.4 Physicians providing less than the hours of service per year required for a full time equivalent under any Service Contract will receive a proportionate amount of the compensation required for a full time equivalent under such Service Contract.

12.5 The Service Contract Range for emergency medicine is based on a maximum of 1680 hours of emergency medicine Physician Services per year including time spent providing indirect patient care at the beginning and end of each scheduled shift.

12.6 The Doctors of BC and the Government have developed criteria for range placement (the “**Physician Placement System**”), to be applied in determining Service Contract Range placement for Physicians providing Physician Services under Service Contracts.

12.7 Subject to section 12.9, in the case of a Service Contract for a group of Physicians, the rate for determining the financial value of the Service Contract shall be either:

- (a) the composite rate on the Service Contract Range for the applicable practice category derived from the application of the Physician Placement System to each Physician in the group; or
- (b) the rate equal to 95% of the maximum rate on the Service Contract Range for the applicable practice category;

as selected by the Physician group. The Physician group is bound by the option it selects.

12.8 In the case of any Service Contract for a group of Physicians, the Physician group will, within the total financial value of the Service Contract, determine rates of compensation for the individual Physicians in the group that the group deems appropriate (e.g. time of day, weekends, amount of time worked by an individual Physician).

12.9 A Physician or Physician group providing Physician Services under a Service Contract in existence as at March 31, 2022 may, upon renewals of that Service Contract, for the purposes of establishing a rate for determining the financial value of a renewal of the Service Contract, instead of selecting a rate as provided in section 12.7, select a rate equal to the lesser of:

- (a) the maximum rate on the Service Contract Range for the applicable practice category; and
- (b) the rate determined according to the following formula:

$$x = [(A \div B) \div C] \times D$$

where:

- x = the rate;
- A = the financial value of the expiring Service Contract;
- B = the number of full time equivalents for the expiring Service Contract;
- C = the maximum rate on the Service Contract Range for the applicable practice category at the time the expiry of the Service Contract; and
- D = the maximum rate on the Service Contract Range for the applicable practice category at the time of renewal of the Service Contract.

12.10 Any dispute between an Agency and a Physician or group of Physicians as to the proper application of the Physician Placement System to the Physician or group of Physicians (a “**Local Range Placement Dispute**”) will be resolved pursuant to the provisions of Articles 20, 21 and 22 of the 2022 Physician Master Agreement applicable to Local Range Placement Disputes.

12.11 All Service Contracts must include clear and specific provisions that identify the respective responsibilities of the Agency and the Physician or Physician group regarding the provision of support, technology, materials and supplies.

12.12 All Service Contracts must contain a comprehensive description of the Physician Services to be provided to the Agency.

12.13 Upon renewal or establishment of Service Contracts, all Service Contracts will:

- (a) Require daily hours reporting including start and stop times and the location of the Physician Services, as follows:
 - (i) Location will be either “on-site” or “off-site” (the Physician or group of Physicians and the Agency will agree to what locations are considered “on site”).

- (ii) For scheduled Physician Services, report daily start and stop times rounded to the nearest 15 minutes, with additional start and stop times required if needed to report blocks of Physician Services separated by periods longer than 30 minutes.
 - (iii) For unscheduled Physician Services, report total daily hours rounded to the nearest 15 minutes.
 - (iv) Effective April 1, 2023, to claim After-Hours Premiums, report all hours of Physician Services (scheduled or unscheduled) provided After-Hours, together with the date, name of the Agency facility where the Physician Services were provided, and the start and stop times rounded to the nearest 15 minutes.
 - (v) On any days where a Physician provides Physician Services under a Service Contract and also provides any services outside the scope of the Service Contract on a fee-for-service basis on the same day, the Physician will report start and stop times for both scheduled and unscheduled Physician Services, and will also, whether or not required by MSP or other paying agency, enter start and stop times and an appropriate location code for the fee-for-service patient encounter(s).
- (b) The requirements set out in (a) above will not result in a reduction in any reporting, including hours reporting, already being provided under a Service Contract. The Physician or group of Physicians and the Agency may agree to more detailed hours reporting than what is required in (a).

PART 4- PHYSICIAN SERVICES PROVIDED UNDER A SESSIONAL CONTRACT

ARTICLE 13 - COMPENSATION

13.1 Compensation for Physicians (including forensic practitioners) providing Physician Services under Sessional Contracts will be based on the applicable rate set out in Schedule C.

13.2 A session, for the purposes of a Sessional Contract, is 3.5 hours of Physician Services. A session may be an accumulation of lesser time intervals adding up to 3.5 hours. Smaller amounts of time not adding up to a full session will be recognized provided, however, that payment will not be made until such smaller amounts of time have accumulated to at least a quarter of an hour.

13.3 The hourly rate of payment for sessional time will be determined by dividing the appropriate sessional rate set out in Schedule C by 3.5 hours.

13.4 A Physician who is a party to a Sessional Contract with an Agency and who is called in by the Agency to provide a Physician Service will be compensated for the Physician Service provided at the Physician's hourly rate under the Sessional Contract, which payment will be for a minimum of one hour; such payment to be in addition to any payment the Physician is entitled to under a MOCAP Contract.

13.5 Travel expenses related to Physician Services performed by forensic practitioners under a Sessional Contract will be in accordance with the rates established for “Group 2” (public service) employees.

13.6 Required travel rates and related billing guidelines for forensic practitioners will be in accordance with the Medical Expert Witness Billing Fees and Guidelines, as amended from time to time.

ARTICLE 14 - DISPUTE RESOLUTION

STANDARD TERMS AND CONDITIONS OF EMPLOYMENT UNDER SALARY AGREEMENTS

1. Association of Doctors of BC

- (a) The Physician is entitled, at their option, to representation by the Association of Doctors of BC (the “Doctors of BC”) in the discussion or resolution of any issue arising under this Salary Agreement, including without limitation the re-negotiation or termination of this Salary Agreement.

2. Responsibilities and Workload

- (a) The Physician’s responsibilities will be defined and communicated to them by their supervisor. There will be ongoing communication between the Physician and their supervisors regarding the performance of the Services, including issues relating to workload and distribution of clinical, academic and administrative responsibilities. If they are unable to reach agreement on an approach to resolve the concerns in these areas, which may include, temporarily adjusting the service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Salary Agreement or a separate agreement, either party may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact finding review and issue recommendations. If they are unable to reach agreement following the use of a Trouble Shooter, either the Government or the Doctors of BC may refer the matter to the Physician Services Committee as a Local Interest Issue.
- (b) The nature of the Physician’s position requires them to be flexible about hours of work. The Physician is required to be adaptable to a work situation, which may result in working hours other than those considered to be the normal hours of work. The annual salary of the Physician includes payment for additional hours spent providing ongoing responsibility for patients and any necessary referred emergency and non-elective services.
- (c) In order to claim After-Hours Premiums, the Physician must report to the Agency all hours of work provided After-Hours (as defined in the Alternative Payments Subsidiary Agreement), together with the date, name of the Agency facility where the hours of work were provided and the start and stop times, rounded to the nearest 15 minutes.

3. Probation and Termination

- (a) The Physician shall be subject to the Employer’s probation policy applicable to senior management employees, unless the Employer and Physician agree otherwise.

- (b) The Employer may, at any time, terminate the Physician's employment without notice or pay in lieu of notice if the Employer has just cause for termination.
- (c) The Employer may, at any time, terminate the Physician's employment on notice or by making payment in lieu of notice. The amount of notice or payment in lieu of notice afforded by the Employer to the Physician terminated under this provision shall be calculated in accordance with common law and statutory standards, including the Public Sector Employers Act and any applicable regulations.
- (d) Termination of employment by the Physician will require three months' notice, or a shorter period as may be agreed to by the parties.
- (e) On termination of the Physician's employment, the Employer must provide the Physician with the necessary support to abide by all applicable patient notification requirements of the College of Physicians and Surgeons of BC.

4. Fee for Service and Third Party Billings

- (a) Unless specified otherwise, the Physician will not retain fee-for-service billings or receive any other form of remuneration for the services or procedures provided under the terms of this Salary Agreement.
- (b) Where the Available Amount is not a source of funding for this Salary Agreement, the Physician will sign:
 - (i) a waiver in the form attached hereto as Appendix 1A and such other documentation in connection with such waiver as may be reasonably required; or
 - (ii) if the Physician is required to assign to the Employer any and all rights the Physician has to receive third party billings for any of the services or procedures provided under the terms of this Salary Agreement, a waiver and assignment in the form attached hereto as Appendix 1B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- (c) Where the Available Amount is a source of funding for this Salary Agreement, the Physician assigns to the Employer any and all rights he or she may have to receive fee-for-service payments from the Available Amount for any of the services or procedures provided under the terms of this Salary Agreement, and will sign an assignment in the form attached hereto as Appendix 2.
- (d) The Physician shall retain one hundred per cent (100%) of third party billings provided they are not included within the services or procedures provided under the terms of, and do not conflict with the Physician's obligations under, this Salary Agreement. For the purposes of this clause, third party billings include but are not limited to:

- (i) billings for services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
- (ii) billings for non-insured services, excluding medical/legal services, and
- (iii) billings for services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.

5. Autonomy

- (a) The Physician will provide the services under this Salary Agreement in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws or rules and regulations that are not inconsistent with, and do not represent a material change to, the terms of this Salary Agreement.
- (b) Subject to section (5)(a), the Physician is entitled to professional autonomy in the provision of the services covered by this Salary Agreement.

6. Locum Coverage

- (a) The Employer, at its sole discretion, shall be responsible for securing the services of a locum in consultation with the Physician.

7. Dispute Resolution

- (a) This Salary Agreement shall be governed by and construed in accordance with the laws of British Columbia.
- (b) All disputes arising out of or in connection with this Salary Agreement that the parties are unable to resolve at the local level, may be referred to mediation on notice by either party to the other, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be a location agreed to by the parties in British Columbia and the language of the arbitration will be English.
- (c) Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this section 7 will prevent any party from commencing arbitration at any time to preserve a legal right, including but not limited to relating to a limitation period.

- (d) The Employer and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC shall have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- (e) Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

8. Licenses & Qualifications

- (a) The Physician is and shall remain a registered member in good standing with the College of Physicians and Surgeons of British Columbia and conduct their practice of medicine consistent with the conditions of such registration.
- (b) The Physician is and shall remain enrolled in the Medical Services Plan.
- (c) If all or some of the services provided under this Agreement are Specialist Services, then the Physician must be and remain registered by the College of Physicians and Surgeons of British Columbia to provide these Specialist Services.
- (d) Where the Employer is subject to the *Hospital Act*, all Physicians performing Services on behalf of the Employer must first be credentialed and granted privileges by the Employer, and no physician who has not been credentialed or obtained and maintained such privileges, shall be permitted by the Employer to perform the Services.
- (e) All medical services under this Agreement will be provided either directly by the Physician, by a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

9. Third Party Claims

- (a) Each party will provide the other with prompt notice of any action against either or both of them arising out of this Salary Agreement.

10. Medical Liability Protection

- (a) The Physician will obtain and maintain professional malpractice liability protection, at the expense of the Employer, through membership with the Canadian Medical Protective Association or an alternative professional/malpractice protection plan and will be required to provide the Employer with evidence of the required protection on request.

11. Confidentiality

- (a) The Physician and the Employer shall maintain as confidential and not disclose any patient information, except as required or permitted by law.
- (b) The Physician must not, without the prior written consent of the Employer, publish, release or disclose or permit to be published, released, or disclosed before, during the term of this Salary Agreement, or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Salary Agreement unless the publication, release or disclosure is required or permitted by law and is:
 - (i) necessary for the Physician to fulfill their obligations under this Salary Agreement;
 - (ii) made in accordance with the Physician's professional obligations as identified by the College of Physicians and Surgeons of B.C.; or
 - (iii) in reference to the Physician's Salary Agreement.

The Physician will notify the employer prior to the publication, release, or disclosure of information under (i) and (ii) above.

- (c) For the purposes of section 11(b), information shall be deemed to be confidential where all of the following criteria are met:
 - (i) the information is not found in the public domain;
 - (ii) the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgment to be confidential; and
 - (iii) the Employer has maintained adequate internal control to ensure information remained confidential.

12. Conflict of Interest

- (a) During the term of this Salary Agreement, absent the written consent of the Employer, the Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest.
- (b) The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach section 12(a). Should they not be able to resolve the issue, the matter will be dealt with in accordance with section 7 above.

13. Notices

- (a) Any notice, report, or any or all of the documents that either party may be required to give or deliver to the other in writing, unless impractical or impossible, must be delivered by e-mail, mail or by hand. Delivery will be conclusively deemed to have been validly made and received by the addressee:

- (a) The headings in this Salary Agreement have been inserted for reference only and in no way define, limit or enlarge the scope of any provision of this Salary Agreement.

15. Enforceability and Severability

- (a) If any provision of this Salary Agreement is determined to be invalid, void, illegal or unenforceable, in whole or in part, such invalidity, voidance, or unenforceability will attach only to such provision or part of such provision, and all other provisions or the remaining part of such provision, as the case may be, continue to have full force and effect.

APPENDIX 3

WORKLOAD MEASURES

The inclusion of one to three Workload Measures, or more by agreement, in this Appendix is mandatory. If the parties are unable to agree to the proposed Workload Measure(s), the Provincial Workload Measure(s) applicable to that Practice Category/Clinical Service Area will be included instead. For clarity, the Agency and the Physician(s) are not precluded from agreeing to include one or more Provincial Workload Measure(s) in combination with one or more other Workload Measure(s). If the parties are unable to agree to the proposed Workload Measure(s) and there are no applicable Provincial Workload Measure(s), the parties will refer the matter to the Trouble Shooter for non-binding recommendations.

Physicians under multiple individual Service Contracts or Salary Agreements for similar Physician Services are encouraged to work together to support consistency in the identification of Workload Measure(s) across those contracts.

1. A “**Workload Measure**” is a tool to identify relevant information for the review of physician workload.
2. The following Workload Measure(s) are included in this Appendix:
 - (a) *[Insert Workload Measure(s) here]*
 - (b) *[Insert Workload Measure(s) here]*
3. For clarity, the Workload Measures included in this Appendix:
 - (a) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (b) may, and are expected to, change over time;
 - (c) do not preclude the Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (d) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (e) do not create any contractual obligations on the Agency or the Physician(s).
4. The Physician(s) and the Agency will meet *[insert agreed upon timeframe (e.g. quarterly, every 6 months)]* to review any hours reporting and consider the Workload Measures data for the purpose of assessing workload, and where there is an identifiable growth trend, discuss potential solutions, including but not limited to submitting a proposal for workload funding through the provincial workload funding process set out in section 5.3 of the Alternative Payments Subsidiary Agreement.

Schedule “E” to the Alternative Payments Subsidiary Agreement
INDIVIDUAL TEMPLATE SERVICE CONTRACT

BETWEEN:

<name of physician/corporation>

(the “Physician”)

AND:

(the “Agency”)

WHEREAS the Physician wishes to contract with the Agency and the Agency wishes to contract with the Physician to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Service Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physician and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:
- (a) “**Contract**” or “**Service Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 24.
 - (b) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“Doctors of BC”), as subsequently amended from time to time.
 - (c) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “Term”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing. If either party wishes to renew this Contract, it must provide written notice to the other party no later than ninety (90) days prior to the end of the Term and, as soon as practical thereafter, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.
- 2.3 Subject to clause 2.4, if both parties agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either party in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 Subject to clause 3.2, either party may terminate the Contract without cause upon six (6) months’ written notice to the other party.
- 3.2 Either party may terminate this Contract immediately upon written notice if the other party breaches a fundamental term of this Contract. For clarity, loss of privileges related to the Services provided under this Contract by the Physician is a breach of a fundamental term of this Contract.

Article 4: Relationship of Parties

- 4.1 The Physician is an independent contractor and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician.
- 4.2 Neither the Physician nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If the Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:
 - (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of

whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or

(b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.

- 4.4 If the Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 The Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from the Physician’s failure to make any payments referred to in clause 4.5.
- 4.7 The indemnity in clause 4.6 survives the expiry or earlier termination of this Contract.

Article 5: Waiver/Assignment

- 5.1 Unless specified otherwise, the Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. The Physician may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the *Medicare Protection Act*, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.

- 5.2 Where the Available Amount is not a source of funding for this Contract, the Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required; or
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 5.3 Where the Available Amount is a source of funding for this Contract, the Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such other documentation in connection with such assignment as may be reasonably required.

Article 6: Autonomy

- 6.1 The Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.
- 6.2 Subject to clause 6.1, the Physician is entitled to professional autonomy in the provision of the Services.

Article 7: Doctors of BC

- 7.1 The Physician is entitled, at the Physician's option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 8: Dispute Resolution

- 8.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.
- 8.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that the parties are unable to resolve informally at the local level, may be referred to mediation on notice by either party to the others, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the

British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rule may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.

- 8.3 Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 8 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 8.4 The Agency and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 8.5 Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 9: Service Requirements

- 9.1 The Physician will provide the Services as described in Appendix 1 and will schedule the Physician's availability, as set out in Appendix 1, to reasonably ensure the provision of the Services.
- 9.2 Hours are as agreed upon by the parties at Appendix 1. It is understood that many circumstances require flexibility of hours and the Physician will respond to these needs.
- 9.3 If the Physician is unable to provide the Services under the terms of this Contract on a persistent basis due to significant unanticipated increases in volume or the departure of one or more Physicians, then the parties will meet to discuss and develop an approach to attempt to resolve the concern, which may include, temporarily adjusting the contract deliverables/service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Contract or a separate contract. If they are unable to reach an agreement, either party may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact-finding review and issue recommendations. If they are unable to reach agreement following the use of a Trouble Shooter, either the Doctors of BC or the Government may refer the matter to the Physician Services Committee as a Local Interest Issue.

Article 10: Licenses & Qualifications

- 10.1 During the Term, the Physician will maintain:

- (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
 - (b) all other licences, qualifications, privileges and credentials required to deliver the Services.
- 10.2 During the Term, it is a fundamental term of the Contract that the Physician maintains enrolment in the Medical Services Plan (MSP).
- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
 - (b) If the Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.
- 10.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physician will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.
- 10.4 All medical Services under this Contract will be provided either directly by the Physician, or a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

Article 11: Locum Coverage

- 11.1 The Physician and the Agency will work together in recruiting and retaining qualified locum physicians when necessary. Locum physicians are subject to the approval of the Agency, whose approval will not be unreasonably withheld.
- 11.2 In circumstances where a locum physician is providing Services and will report their hours under the Contract, the locum physician will be paid from the amounts available to be paid to the Physician under this Contract and the Physician will ensure that locum physicians:
- (a) do not bill FFS for the Services;
 - (b) sign a waiver/assignment in the form set out at Appendix 3, and the Physician will provide the waiver/assignment to the Agency prior to the locum physician providing Services under the Contract; and
 - (c) provide any reporting as required by the Contract.

11.3 In the event a locum is not available, the Agency and the Physician may agree that the Physician will provide hours of service in excess of the annual hours of service specified at Appendix 1. In this event the parties must agree upon appropriate compensation for the additional hours of service.

Article 12: Subcontracting

12.1 The Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.

12.2 The Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.

12.3 Prior to subcontracting any of their obligations, the Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

12.4 No subcontract relieves the Physician from their obligations or liabilities under this Contract.

Article 13: Parental Leave

13.1 The Physician must make all reasonable efforts to obtain a locum (per Article 11) or a subcontractor (per Article 12) in advance of taking a Parental Leave. The Physician will inform the Agency of the Physician's intention to take a Parental Leave and the anticipated start date and length of the Parental Leave as soon as practicable, and no less than 16 weeks from the anticipated start date of the Parental Leave. The Physician will work together with the Agency to recruit a locum or subcontractor.

13.2 In the event that either a locum or a subcontractor is not available to replace the Physician for a Parental Leave, the Physician and the Agency agree that the rights and obligations of both the Physician and the Agency under this Contract may be suspended for the duration of the Parental Leave. For clarity, the Term will continue for the duration of the Parental Leave.

13.3 The Physician will provide the Agency with formal written notice a minimum of four weeks in advance of the anticipated start date of the Parental Leave, such written notice to include the start date and length of the Parental Leave. If requested by the Agency, the Physician will provide any required supporting documentation.

13.4 For the purposes of this Article 13, "**Parental Leave**" means a leave taken upon the Physician becoming a parent by birth, adoption or surrogacy. Parental Leave must begin no earlier than 12 weeks before the expected birth or placement date of the child and must

conclude no later than 78 weeks after the actual birth or placement date of the child. The maximum length of a Parental Leave is 78 consecutive weeks.

- 13.5 A leave of up to a maximum of 17 consecutive weeks may be taken by the Physician in the event the Physician is pregnant for more than 19 weeks, or has recently given birth, and does not become a parent. The notice requirements set out in this Article 13 may not be applicable in these circumstances. The rights and obligations of both the Physician and Agency under this Contract may be suspended for the duration of a leave pursuant to this clause 13.5. For clarity, the Term will continue for the duration of this leave.

Article 14: Compensation

- 14.1 The Physician will invoice the Agency for all the Services provided in a form acceptable to the Agency, substantially in the form set out at Appendix 2A.
- 14.2 The Agency will pay the Physician pursuant to Appendix 2.
- 14.3 The Physician is entitled to access the Benefit Plans as defined and described in the Benefits Subsidiary Agreement (as defined in the Physician Master Agreement).
- 14.4 The Agency must forward the necessary information with respect to the Physician to the Doctors of BC Benefits Department, at the address set out below, prior to March 31 of each year in which the Contract is in effect. The Physician will provide the Agency with any information necessary for the Physician to access the Benefit Plans not in the possession of the Agency.

Benefits Manager

- 14.5 The Physician is not entitled under this Contract to any benefit from the Agency including Canada Pension Plan contributions, Employment Insurance premiums, supplemental health coverage for Physicians or their families, health benefits for travel outside Canada, dental insurance for preventative dental care and dental procedures, supplemental group life insurance, accidental death and dismemberment insurance death benefits, overtime or statutory holidays.

Article 15: Reporting

- 15.1 The parties acknowledge that the Agency has a responsibility to transmit the details of the Services to the Ministry of Health, the same as required for physicians billing fee-for-service, including:
- 15.1.1 the name and identity number of the patient;

- 15.1.2 the practitioner number of the practitioner who personally rendered or was responsible for the service;
 - 15.1.3 the details of the service, including the location where the service was rendered, the date and time the service was rendered, the length of time spent rendering the service, the diagnosis and the equivalent fee item or encounter record code.

- 15.3 The Physician will also:
- (a) report to the Agency all work done by the Physician in connection with the provision of the Services;
 - (b) comply with the reporting obligations set out in Appendix 4 of this Contract; and
 - (c) complete and submit to the Agency all reports reasonably required by the Agency within 30 days (subject to the specific requirements in Appendix 4) of the Agency's written request.
- 15.4 The Physician is responsible for the accuracy of all information and reports submitted by the Physician to the Agency.

Article 16: Records

- 16.1 Where the Physician is providing Services in an Agency facility and the Agency has procedures in place, the Physician will create Clinical Records in the clinical charts that are established by and owned by the Agency and used by the facility where the Services are provided.
- 16.2 Where the Physician is providing Services in an Agency facility, and the Agency does not have procedures in place, the Physician will create and maintain Clinical Records in the manner provided for in the Bylaws of the College of Physicians and Surgeons of British Columbia.
- 16.3 The Physician will keep business accounts, including records of expenses incurred in connection with the Services and invoices, receipts and vouchers for the expenses.
- 16.4 For the purposes of this Article 16, "**Clinical Record**" means a clinical record maintained in accordance with the Bylaws of the College of Physicians and Surgeons of British Columbia and an adequate medical record in accordance with the Medical Services Commission Payment Schedule.
- 16.5 If requested to do so by the Agency the Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete

or otherwise, that have been produced or developed by the Physician or provided to the Physician by the Agency in connection with the Services, that are in the Physician's possession or control.

Article 17: Third Party Claims

17.1 Each party will provide the other with prompt notice of any action against either or both of them arising out of this Contract.

Article 18: Liability Protection

18.1 The Physician will, without limiting the Physician's obligations or liabilities herein, purchase, maintain, and cause any sub-contractors to maintain, throughout the Term:

18.1.1 Where the Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

18.1.2 Membership with the Canadian Medical Protective Association or alternative professional/malpractice protection plan.

18.2 All of the insurance required under clause 18.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.

18.3 The Physician agrees to provide the Agency with evidence of the membership/protection plan or insurance coverage required under this Article 18 at the time of execution of this Contract and otherwise from time to time as requested by the Agency.

Article 19: Confidentiality

19.1 The Physician and the Agency will maintain as confidential and not disclose any patient information, except as required or permitted by law.

19.2 The Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:

19.2.1 necessary to fulfill the Physician's obligations under this Contract; or

19.2.2 made in accordance with professional obligations as identified by the College of Physicians and Surgeons of BC; or

19.2.3 in reference to this Contract.

19.3 For the purposes of this Article 19, information will be deemed to be confidential where all of the following criteria are met:

19.3.1 the information is not found in the public domain;

19.3.2 the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgement to be confidential; and

19.3.3 the Agency has maintained adequate internal control to ensure the information remained confidential.

Article 20: Conflict of Interest

20.1 During the Term, absent the written consent of the Agency, the Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest under this Contract.

20.2 The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach clause 20.1. If the parties are unable to resolve the issue, it will be referred to mediation and/or arbitration pursuant to Article 8 of this Contract.

Article 21: Ownership

21.1 The parties acknowledge that in the course of providing the Services intellectual or like property may be developed. The Physician agrees to be bound by and observe the relevant patent and licensing policies of the Agency in effect from time to time. Where such policies require the assignment of intellectual property to the Agency, the Physician will execute and deliver all documents and do all such further things as are reasonably required to achieve the assignment.

Article 22: Audit, Evaluation and Assessment

22.1 The Physician acknowledges and agrees that the auditing authority of the Medical Services Commission under section 36 of the *Medicare Protection Act* (the “Act”), as amended from time to time, is incorporated and applies in relation to this Contract. The Agency and the Physician agree that the terms in sections 15, 37 and 38 of the Act are hereby incorporated into this Contract, as modified by sections 22.2 and 22.3 below.

- 22.2 Without limiting section 22.1, the Physician acknowledges and agrees that for audits of this Contract conducted by the Medical Services Commission: (i) the Physician is a “practitioner” as defined in the *Act*; and, (ii) the terms in sections 36(3) to 36(11) of the *Act* are hereby incorporated into this Contract for the purposes of audits in relation to this Contract.
- 22.3 Without limiting sections 22.1 and 22.2, in relation to this Contract, the Physician acknowledges and agrees that: (i) the incorporated reference in section 37(1) of the *Act* which states “the commission had paid an amount” also includes an amount paid by the Agency under this Contract; and (ii) the requirement to repay the Medical Services Commission under Sections 37(1)(d) and (1.1) includes that the Medical Services Commission may require the Physician to pay money to the Agency.
- 22.4 Prior to attending the clinic/practice for audit under this Article, a notice of inspection of an audit must be provided to the Physician. Unless determined otherwise by the Medical Services Commission, which in no case would include a random audit, notice of inspection must be provided at least 14 days prior to the inspection.
- 22.5 The Physician must reasonably cooperate with Medical Services Commission auditors for an audit in relation to this Contract, including by producing and allowing Medical Services Commission auditors to access relevant records, including the clinic/practice EMR.
- 22.6 Notwithstanding Article 8 (Dispute Resolution) or any other provision of this Contract, the parties agree that the Medical Services Commission has exclusive jurisdiction to determine disputes about alleged misbilling for Services under this Contract. The parties acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission recommends that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the parties acknowledge and agree that a Medical Services Commission audit or hearing for the Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

Article 23: Notices

- 23.1 Any notice, report, or any or all of the documents that either party may be required to give or deliver to the other in writing, unless impractical or impossible, must be delivered by e-mail, mail or by hand. Delivery will be conclusively deemed to have been validly made and received by the addressee:

APPENDIX 5

WORKLOAD MEASURES

The inclusion of one to three Workload Measures, or more by agreement, in this Appendix is mandatory. If the parties are unable to agree to the proposed Workload Measure(s), the Provincial Workload Measure(s) applicable to that Practice Category/Clinical Service Area will be included instead. For clarity, the Agency and the Physician(s) are not precluded from agreeing to include one or more Provincial Workload Measure(s) in combination with one or more other Workload Measure(s). If the parties are unable to agree to the proposed Workload Measure(s) and there are no applicable Provincial Workload Measure(s), the parties will refer the matter to the Trouble Shooter for non-binding recommendations.

Physicians under multiple individual Service Contracts or Salary Agreements for similar Physician Services are encouraged to work together to support consistency in the identification of Workload Measure(s) across those contracts.

1. A “**Workload Measure**” is a tool to identify relevant information for the review of physician workload.
2. The following Workload Measure(s) are included in this Appendix:
 - (a) *[Insert Workload Measure(s) here]*
 - (b) *[Insert Workload Measure(s) here]*
3. For clarity, the Workload Measures included in this Appendix:
 - (a) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (b) may, and are expected to, change over time;
 - (c) do not preclude the Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (d) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (e) do not create any contractual obligations on the Agency or the Physician(s).
4. The Physician(s) and the Agency will meet [*insert agreed upon timeframe (e.g. quarterly, every 6 months)*] to review any hours reporting and consider the Workload Measures data for the purpose of assessing workload, and where there is an identifiable growth trend, discuss potential solutions, including but not limited to submitting a proposal for workload funding through the provincial workload funding process set out in section 5.3 of the Alternative Payments Subsidiary Agreement.

are referred to as the “**Physicians**”)

OR

[PARTNERSHIP NAME]

(the “**Partnership**”)

OR

[CORPORATION NAME]

(the “**Corporation**”)

If this Contract is between the Agency and a partnership or a corporation, the Contract requires amendments that reflect the legal status of the parties.

AND:

(the “**Agency**”)

WHEREAS the Physicians wish to contract with the Agency and the Agency wishes to contract with the Physicians to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Service Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physicians and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician

Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

- (a) “**Contract**” or “**Service Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 25.
- (b) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
- (c) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing:
 - (a) If the Physicians wish to renew this Contract, the Physicians must provide written notice to the Agency no later than ninety (90) days prior to the end of the Term.
 - (b) If the Agency wishes to renew this Contract, it must provide written notice to the Physicians no later than ninety (90) days prior to the end of the Term.

As soon as practical after either the Physicians or the Agency has provided notice in accordance with this clause 2.2, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.

- 2.3 Subject to clause 2.4, if both the Physicians and the Agency agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either the Physicians or the Agency in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 The Physicians (collectively) or the Agency may terminate the Contract without cause upon six (6) months' written notice to the other, or immediately upon written notice if the other breaches a fundamental term of this Contract.
- 3.2 Subject to clause 3.3 and without affecting the rights and obligations of the remaining Physicians:
 - (a) each Physician has the separate and distinct right to terminate the Contract as between that Physician and the Agency without cause upon six (6) months' written notice to the Agency, with an information copy of such notice to the remaining Physicians; and
 - (b) the Agency may terminate the Contract as between the Agency and any individual Physician without cause upon six (6) months' written notice to that Physician, with an information copy of such notice to the remaining Physicians.
- 3.3 Each Physician or the Agency may terminate the Contract as between that Physician and the Agency immediately upon written notice if the other breaches a fundamental term of this Contract. For clarity, loss of privileges by a Physician related to the Services provided under this Contract is a breach of a fundamental term of this Contract.
- 3.4 No Physician will be required to resign privileges as a result of a termination of the Contract except in accordance with a fully executed and attached Appendix 7 (Resignation of Privileges Under Exclusive Contracts), if applicable. If Appendix 7 is not attached to this Contract or fully executed by the Physicians (collectively) and the Agency, it does not apply to or form part of this Contract.

Article 4: Relationship of Parties

- 4.1 Each Physician is an independent contractor to the Agency and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician. No partnership relationship between the Physicians is created by this Contract or by the provision of the Services to the Agency by the Physicians. None of the Physicians intends to carry on a business with a view to profit with the other Physicians in respect of the Services.
- 4.2 None of the Physicians nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If a Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:

- (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or
 - (b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.
- 4.4 If a Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 Each Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The liability of the Physicians for payments referred to in clause 4.5 is several and not joint.
- 4.7 Each Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from that Physician’s failure to make any payments referred to in clause 4.5.
- 4.8 The indemnity in clause 4.7 survives the expiry or earlier termination of this Contract.

Article 5: Unincorporated Groups

- 5.1 As the Services are provided under this Contract by multiple Physicians, each Physician will be party to, and bound by, this Contract.

Parties to select one of three options for clause 5.2 in negotiations.

- 5.2 The Physicians will develop a process or agreement to govern their intra-group relationship.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also

becomes a party to the intra-physician group governance agreement. If the Physicians are failing to provide the Services pursuant to the terms of this Contract on a persistent basis and the Agency reasonably believes that such failure is related to the Physicians' intra-physician group governance agreement, the Agency may request a copy of the intra-physician group governance agreement from the Physicians, and the Physicians will not unreasonably deny the Agency's request.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. The Physicians will provide the Agency with a copy of the intra-physician group governance agreement within two months of the first day of the Term. Any amendments to the intra-physician group governance agreement made during the Term will be promptly disclosed to the Agency.
- 5.3 Subject to sub-clause 3.2(b), the Physicians may designate a representative from among the Physicians to represent the Physicians with respect to notices, the proposed addition of new physicians to the Contract and all invoicing and payment matters under this Contract (the "**Representative**") and will notify the Agency of the identity of the Representative. If the Representative changes during the Term, the Physicians will notify the Agency of the new Representative.
- 5.4 Where a notice under any term of this Contract is to be given to all of the Physicians, the Physicians agree that a single notice to the Representative sent to the address provided in Article 24 will constitute notice to all of the Physicians. Where notice is to be given to less than all of the Physicians, it must be given to those individual Physicians at the address(es) provided at Appendix 5.
- 5.5 In the event of the departure of a Physician pursuant to clauses 3.2 or 3.3, the parties will meet to discuss whether amendments to any Appendices are required and to make agreed changes.
- 5.6 The Physicians must use reasonable efforts to replace departing Physicians.
- 5.7 Any replacement or new physicians that the Physicians propose to add are subject to approval by the Agency in accordance with its normal policies, by-laws, and rules. Such approval will not be unreasonably withheld.
- 5.8 Subject to clause 5.7, for any new physician added to this Contract who is not an initial signatory to this Contract, the Physicians (collectively) or their Representative, the Agency, and the new physician will sign and deliver to the others an acknowledgement and agreement in the form set out in Appendix 6 ("**New Physician – Agreement to Join**"), agreeing that the new physician will become party to and bound by the terms of this Contract.

Article 6: Waiver/Assignment

- 6.1 Unless specified otherwise, each Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. Physicians may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 6.2 Where the Available Amount is not a source of funding for this Contract, each Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required;
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 6.3 Where the Available Amount is a source of funding for this Contract, each Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such documentation in connection with such assignment as may be reasonably required.

Article 7: Autonomy

- 7.1 Each Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.
- 7.2 Subject to clause 7.1, each Physician is entitled to professional autonomy in the provision of the Services.

Article 8: Doctors of BC

- 8.1 Each Physician separately and the Physicians collectively are entitled, at their option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 9: Dispute Resolution

- 9.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.
- 9.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that any Physician(s) and the Agency (the Physician(s) or the Agency, each a **“Party to the Dispute”** or collectively **“Parties to the Dispute”**) are unable to resolve informally at the local level, may be referred to mediation on notice by either Party to the Dispute to the other, with the assistance of a neutral mediator jointly selected by the Parties to the Dispute. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the Parties to the Dispute in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.
- 9.3 Upon agreement of the Parties to the Dispute, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 9 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 9.4 The Parties to the Dispute must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 9.5 Any dispute settlement achieved by the Parties to the Dispute, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 10: Service Requirements

- 10.1 The Physicians will provide the Services as described in Appendix 1 and will schedule their availability, as set out in Appendix 1, to reasonably ensure the provision of the Services.
- 10.2 Hours are as agreed upon by the parties at Appendix 1. It is understood that many circumstances require flexibility of hours and the Physicians will respond to these needs.
- 10.3 If the Physicians are unable to provide the Services under the terms of this Contract on a persistent basis due to significant unanticipated increases in volume or the departure of one or more Physicians, then the Agency and the Physicians will meet to discuss and develop an approach to attempt to resolve the concern, which may include, temporarily adjusting the contract deliverables/service expectations, making operational changes, bringing in alternate providers or locum physicians, or temporarily compensating the Physician for additional hours of Services under this Contract or a separate contract. If they are unable to reach an agreement, either the Physicians or the Agency may request, through the Doctors of BC or the Government, the use of a Trouble Shooter who will conduct a fact-finding review and issue recommendations. If they are unable to reach an agreement following the use of a Trouble Shooter, either the Doctors of BC or the Government may refer the matter to the Physician Services Committee as a Local Interest Issue.

Article 11: Licenses & Qualifications

- 11.1 During the Term, each Physician will maintain:
 - (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
 - (b) all other licences, qualifications, privileges and credentials required to deliver the Services.
- 11.2 During the Term, it is a fundamental term of the Contract that each Physician maintains enrolment in the Medical Services Plan (MSP).
 - (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
 - (b) If a Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.
- 11.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physicians providing

the Specialist Services will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.

- 11.4 All medical Services under this Contract will be provided either directly by a Physician, or a resident under the supervision and responsibility of a Physician, or by a clinical fellow under the supervision and responsibility of a Physician.

Article 12: Locum Coverage

- 12.1 The Physicians and the Agency will work together in recruiting and retaining qualified locum physicians when necessary. Locum physicians are subject to the approval of the Agency, whose approval will not be unreasonably withheld
- 12.2 In circumstances where a locum physician is providing Services and will report their hours under the Contract, the locum physician will be paid from the amounts available to be paid to the Physicians under this Contract and the Physicians will ensure that locum physicians:
- (a) do not bill FFS for the Services;
 - (b) sign a waiver/assignment in the form set out at Appendix 3, and the Physicians will provide the waiver/assignment to the Agency prior to the locum physician providing Services under the Contract; and
 - (c) provide any reporting as required by the Contract.
- 12.3 In the event a locum is not available, the Agency and the Physicians may agree that the Physicians will provide hours of service in excess of the annual hours of service specified at Appendix 1. In this event the parties must agree upon appropriate compensation for the additional hours of service.

Article 13: Subcontracting

- 13.1 Each Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.
- 13.2 Each Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.
- 13.3 Prior to subcontracting any of their obligations, each Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

- 13.4 No subcontract relieves a Physician from their obligations or liabilities under this Contract.

- 14.4 If a locum or subcontractor is required, the Physicians will work together with the Agency to recruit a locum or subcontractor. If the Agency recruits a qualified locum physician, the Physicians will not unreasonably withhold their agreement to that locum physician being added to the Contract to replace the Physician taking Parental Leave.
- 14.5 In the event that either a locum or a subcontractor is not available to replace the Physician for a period of Parental Leave or a leave under 14.9, the Physicians and the Agency agree that the rights and obligations of the Physician taking Parental Leave or a leave under 14.9 under this Contract may be suspended for the duration of the Parental Leave or a leave under 14.9 without affecting the rights and obligations of the remaining Physicians under the Contract. For clarity, the Term will continue for the duration of the Parental Leave or a leave under 14.9.
- 14.6 The Physician taking Parental Leave will provide the Agency with formal written notice a minimum of four weeks in advance of the anticipated start date of the Parental Leave, such written notice to include the start date and length of the Parental Leave. If requested by the Agency, the Physician will provide any required supporting documentation.
- 14.7 Upon formal notification of a Parental Leave in accordance with 14.6, the Physicians and the Agency will meet to discuss whether any amendments to the Contract are required and to make agreed changes.
- 14.8 For the purposes of this Article 14, "**Parental Leave**" means a leave taken upon a Physician becoming a parent by birth, adoption or surrogacy. Parental Leave must begin no earlier than 12 weeks before the expected birth or placement date of the child and must conclude no later than 78 weeks after the actual birth or placement date of the child. The maximum length of a Parental Leave is 78 consecutive weeks.

- 14.9 A leave of up to a maximum of 17 consecutive weeks may be taken by the Physician in the event the Physician is pregnant for more than 19 weeks, or has recently given birth, and does not become a parent. The notice requirements set out in this Article 14 may not be applicable in these circumstances.

The Physicians and the Agency acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission determines that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the Physicians and the Agency acknowledge and agree that a Medical Services Commission audit or hearing for a Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

 - (a) provide the Agency and the Physician(s) with a tool through which to inform discussion and identify relevant information for the review of physician workload;
 - (b) may, and are expected to, change over time;
 - (c) do not preclude the Agency and/or the Physician(s) from considering or discussing any other workload data or workload measure(s) in the assessment of physician workload;
 - (d) do not preclude or supersede the use of any existing or future workload models used for staffing or resource allocation; and
 - (e) do not create any contractual obligations on the Agency or the Physician(s).
4. The Physician(s) and the Agency will meet *[insert agreed upon timeframe (e.g. quarterly, every 6 months)]* to review any hours reporting and consider the Workload Measures data for the purpose of assessing workload, and where there is an identifiable growth trend, discuss potential solutions, including but not limited to submitting a proposal for workload funding through the provincial workload funding process set out in section 5.3 of the Alternative Payments Subsidiary Agreement.

Schedule “F” to the Alternative Payments Subsidiary Agreement
INDIVIDUAL TEMPLATE SESSIONAL CONTRACT

BETWEEN:

<name of physician/corporation>

(the “Physician”)

AND:

(the “Agency”)

WHEREAS the Physician wishes to contract with the Agency and the Agency wishes to contract with the Physician to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Sessional Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physician and the Agency agree as follows:

Article 1: Definitions

1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

- (a) “**Contract**” or “**Sessional Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 22.
- (b) “**Fiscal Quarter**” means a three-month period consisting of one of April 1 to June 30, July 1 to September 30, October 1 to December 31, or January 1 to March 31, in any given year.
- (c) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
- (d) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in

Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.

- (e) “**Session**” means 3.5 hours of Services and may be an accumulation of lesser time intervals adding up to 3.5 hours.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing. If either party wishes to renew this Contract, it must provide written notice to the other party no later than ninety (90) days prior to the end of the Term and, as soon as practical thereafter, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.
- 2.3 Subject to clause 2.4, if both parties agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either party in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 Subject to clause 3.2, either party may terminate the Contract without cause upon six (6) months’ written notice to the other party.
- 3.2 Either party may terminate this Contract immediately upon written notice if the other party breaches a fundamental term of this Contract. For clarity, loss of privileges related to the Services provided under this Contract by the Physician is a breach of a fundamental term of this Contract.

Article 4: Relationship of Parties

- 4.1 The Physician is an independent contractor and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician.
- 4.2 Neither the Physician nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.

- 4.3 If the Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:
- (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or
 - (b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.
- 4.4 If the Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 The Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from the Physician’s failure to make any payments referred to in clause 4.5.
- 4.7 The indemnity in clause 4.6 survives the expiry or earlier termination of this Contract.

Article 5: Waiver/Assignment

- 5.1 Unless specified otherwise, the Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. The Physician may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and

- (c) billings for Services provided to persons who are not beneficiaries under the *Medicare Protection Act*, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 5.2 Where the Available Amount is not a source of funding for this Contract, the Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required; or
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 5.3 Where the Available Amount is a source of funding for this Contract, the Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such other documentation in connection with such assignment as may be reasonably required.

Article 6: Autonomy

- 6.1 The Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.
- 6.2 Subject to clause 6.1, the Physician is entitled to professional autonomy in the provision of the Services.

Article 7: Doctors of BC

- 7.1 The Physician is entitled, at the Physician's option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 8: Dispute Resolution

- 8.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.

- 8.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that the parties are unable to resolve informally at the local level, may be referred to mediation on notice by either party to the others, with the assistance of a neutral mediator jointly selected by the parties. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the parties in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rule may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.
- 8.3 Upon agreement of both parties, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 8 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 8.4 The Agency and the Physician must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 8.5 Any dispute settlement achieved by the parties, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 9: Service Requirements

- 9.1 The Physician will provide the Services and the number of Sessions as described in Appendix 1.

Article 10: Licenses & Qualifications

- 10.1 During the Term, the Physician will maintain:
- (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
 - (b) all other licences, qualifications, privileges and credentials required to deliver the Services.
- 10.2 During the Term, it is a fundamental term of the Contract that the Physician maintains enrolment in the Medical Services Plan (MSP).

- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
 - (b) If the Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.
- 10.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physician will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.
- 10.4 All medical Services under this Contract will be provided either directly by the Physician, or a resident under the supervision and responsibility of the Physician, or by a clinical fellow under the supervision and responsibility of the Physician.

Article 11: Subcontracting

- 11.1 The Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.
- 11.2 The Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.
- 11.3 Prior to subcontracting any of their obligations, the Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.
- 11.4 No subcontract relieves the Physician from their obligations or liabilities under this Contract.

Article 12: Compensation

- 12.1 The Physician will invoice the Agency for all the Services provided in a form acceptable to the Agency, substantially in the form set out at Appendix 2A.
- 12.2 The Agency will pay the Physician pursuant to Appendix 2.
- 12.3 The Physician is entitled to access the Benefit Plans as defined and described in the Benefits Subsidiary Agreement (as defined in the Physician Master Agreement).

- 12.4 The Agency must forward the necessary information with respect to the Physician to the Doctors of BC Benefits Department, at the address set out below, prior to March 31 of each year in which the Contract is in effect. The Physician will provide the Agency with any information necessary for the Physician to access the Benefit Plans not in the possession of the Agency.

Article 13: Reporting

- 13.1 The parties acknowledge that the Agency has a responsibility to transmit the details of the Services to the Ministry of Health, the same as required for physicians billing fee-for-service, including:

13.1.1 the name and identity number of the patient;

13.1.2 the practitioner number of the practitioner who personally rendered or was responsible for the service;

13.1.3 the details of the service, including the location where the service was rendered, the date and time the service was rendered, the length of time spent rendering the service, the diagnosis and the equivalent fee item or encounter record code.

- 13.2 The Physician will co-operate with the Agency and make all reasonable efforts to provide it with the information it requires in order to meet its obligation referred to in clause 13.1, by providing the information listed at Appendix 4.

- 13.3 The Physician will also:

(a) report to the Agency all work done by the Physician in connection with the provision of the Services;

(c) complete and submit to the Agency all reports reasonably required by the Agency within 30 days (subject to the specific requirements in Appendix 4) of the Agency's written request.

13.4 The Physician is responsible for the accuracy of all information and reports submitted by the Physician to the Agency.

Article 14: Records

14.1 Where the Physician is providing Services in an Agency facility and the Agency has procedures in place, the Physician will create Clinical Records in the clinical charts that are established by and owned by the Agency and used by the facility where the Services are provided.

14.2 Where the Physician is providing Services in an Agency facility, and the Agency does not have procedures in place, the Physician will create and maintain Clinical Records in the manner provided for in the Bylaws of the College of Physicians and Surgeons of British Columbia.

14.3 The Physician will keep business accounts, including records of expenses incurred in connection with the Services and invoices, receipts and vouchers for the expenses.

14.4 For the purposes of this Article 14, "**Clinical Record**" means a clinical record maintained in accordance with the Bylaws of the College of Physicians and Surgeons of British Columbia and an adequate medical record in accordance with the Medical Services Commission Payment Schedule.

14.5 If requested to do so by the Agency the Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete or otherwise, that have been produced or developed by the Physician or provided to the Physician by the Agency in connection with the Services, that are in the Physician's possession or control.

Article 15: Third Party Claims

15.1 Each party will provide the other with prompt notice of any action against either or both of them arising out of this Contract.

Article 16: Liability Protection

16.1 The Physician will, without limiting the Physician's obligations or liabilities herein, purchase, maintain, and cause any sub-contractors to maintain, throughout the Term:

16.1.1 Where the Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional insured and

the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

16.1.2 Membership with the Canadian Medical Protective Association or alternative professional/malpractice protection plan.

16.2 All of the insurance required under clause 16.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.

16.3 The Physician agrees to provide the Agency with evidence of the membership/protection plan or insurance coverage required under this Article 16 at the time of execution of this Contract and otherwise from time to time as requested by the Agency.

Article 17: Confidentiality

17.1 The Physician and the Agency will maintain as confidential and not disclose any patient information, except as required or permitted by law.

17.2 The Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:

17.2.1 necessary to fulfill the Physician's obligations under this Contract; or

17.2.2 made in accordance with professional obligations as identified by the College of Physicians and Surgeons of BC; or

17.2.3 in reference to this Contract.

17.3 For the purposes of this Article 17, information will be deemed to be confidential where all of the following criteria are met:

17.3.1 the information is not found in the public domain;

17.3.2 the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgement to be confidential; and

17.3.3 the Agency has maintained adequate internal control to ensure the information remained confidential.

Article 18: Conflict of Interest

- 18.1 During the Term, absent the written consent of the Agency, the Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest under this Contract.
- 18.2 The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach clause 18.1. If the parties are unable to resolve the issue, it will be referred to mediation and/or arbitration pursuant to Article 8 of this Contract.

Article 19: Ownership

- 19.1 The parties acknowledge that in the course of providing the Services intellectual or like property may be developed. The Physician agrees to be bound by and observe the relevant patent and licensing policies of the Agency in effect from time to time. Where such policies require the assignment of intellectual property to the Agency, the Physician will execute and deliver all documents and do all such further things as are reasonably required to achieve the assignment.

Article 20: Audit, Evaluation and Assessment

- 20.1 The Physician acknowledges and agrees that the auditing authority of the Medical Services Commission under section 36 of the *Medicare Protection Act* (the “*Act*”), as amended from time to time, is incorporated and applies in relation to this Contract. The Agency and the Physician agree that the terms in Sections 15, 37 and 38 of the *Act* are hereby incorporated into this Contract, as modified by sections 20.2 and 20.3 below.
- 20.2 Without limiting section 20.1, the Physician acknowledges and agrees that for audits of this Contract conducted by the Medical Services Commission: (i) the Physician is a “practitioner” as defined in the *Act*; and, (ii) the terms in sections 36(3) to 36(11) of the *Act* are hereby incorporated into this Contract for the purposes of audits in relation to this Contract.
- 20.3 Without limiting sections 20.1 and 20.2, in relation to this Contract, the Physician acknowledges and agrees that: (i) the incorporated reference in section 37(1) of the *Act* which states “the commission had paid an amount” also includes an amount paid by the Agency under this Contract; and (ii) the requirement to repay the Medical Services Commission under Sections 37(1)(d) and (1.1) includes that the Medical Services Commission may require the Physician to pay money to the Agency.
- 20.4 Prior to attending the clinic/practice for audit under this Article, a notice of inspection of an audit must be provided to the Physician. Unless determined otherwise by the Medical Services Commission, which in no case would include a random audit, notice of inspection must be provided at least 14 days prior to the inspection.

- 20.5 The Physician must reasonably cooperate with Medical Services Commission auditors for an audit in relation to this Contract, including by producing and allowing Medical Services Commission auditors to access relevant records, including the clinic/practice EMR.
- 20.6 Notwithstanding Article 8 (Dispute Resolution) or any other provision of this Contract, the parties agree that the Medical Services Commission has exclusive jurisdiction to determine disputes about alleged misbilling for Services under this Contract. The parties acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission recommends that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the parties acknowledge and agree that a Medical Services Commission audit or hearing for the Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

Article 24: No Waiver Unless in Writing

24.1 No provision of this Contract and no breach by either party of any such provision will be deemed to have been waived unless such waiver is in writing signed by the other party. The written waiver of a party of any breach of any provision of this Contract by the other party must not be construed as a waiver of any subsequent breach of the same or of any other provision of this Contract.

25.1 The headings in this Contract have been inserted for reference only and in no way define, limit or enlarge the scope of any provision of this Contract.

Article 26: Enforceability and Severability

26.1 If any provision of this Contract is determined to be invalid, void, illegal or unenforceable, in whole or in part, such invalidity, voidance, or unenforceability will attach only to such provision or part of such provision, and all other provisions or the remaining part of such provision, as the case may be, continue to have full force and effect.

Article 27: Physician Master Agreement and Physician Master Subsidiary Agreements

27.1 This Contract is subject to the 2022 Physician Master Agreement and the Physician Master Subsidiary Agreements, and amendments thereto.

27.2 In the event that during the Term, a new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s) come into effect, the parties agree to meet on notice by one party to the other to re-negotiate and amend the terms of this Contract to ensure compliance with the new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s).

Article 28: Execution of the Contract

The parties to this Contract agree that this Contract in electronic form will be the equivalent of an original written paper agreement between the parties.

Schedule “F” to the Alternative Payments Subsidiary Agreement
GROUP TEMPLATE SESSIONAL CONTRACT

BETWEEN:

**THOSE PHYSICIANS AND PROFESSIONAL MEDICAL CORPORATIONS LISTED
ON THE SIGNATURE PAGE OF THIS CONTRACT**

(each is individually a “**Physician**” and collectively all
are referred to as the “**Physicians**”)

OR

[PARTNERSHIP NAME]

(the “**Partnership**”)

OR

[CORPORATION NAME]

(the “**Corporation**”)

If this Contract is between the Agency and a partnership or a corporation, the Contract requires amendments that reflect the legal status of the parties.

AND:

(the “**Agency**”)

WHEREAS the Physicians wish to contract with the Agency and the Agency wishes to contract with the Physicians to provide clinical and related teaching, research and clinical administrative services on the terms, conditions and understandings set out in this Sessional Contract;

THEREFORE in consideration of the mutual promises contained in this Contract, the Physicians and the Agency agree as follows:

Article 1: Definitions

- 1.1 Words used in this Contract, including in the recitals and the Appendices, that are defined in the 2022 Physician Master Agreement or Physician Master Subsidiary Agreements have the same meaning as in the 2022 Physician Master Agreement or the Physician

Master Subsidiary Agreements, unless otherwise defined in this Contract. In addition, in this Contract, including the recitals and Appendices, the following definitions apply:

- (a) “**Contract**” or “**Sessional Contract**” means this document including the Appendices, as amended from time to time in accordance with Article 23.
- (b) “**Fiscal Quarter**” means a three-month period consisting of one of April 1 to June 30, July 1 to September 30, October 1 to December 31, or January 1 to March 31, in any given year.
- (c) “**2022 Physician Master Agreement**” means the agreement titled “2022 Physician Master Agreement” and entered into as of April 1, 2022 among the Government, the Medical Services Commission and the Association of Doctors of BC (“**Doctors of BC**”), as subsequently amended from time to time.
- (d) “**Services**” means clinical and related teaching, research and clinical administrative services, and those Services provided under this Contract are specifically described in Appendix 1, as amended from time to time by written agreement between the Agency and the Physician.
- (e) “**Session**” means 3.5 hours of Services and may be an accumulation of lesser time intervals adding up to 3.5 hours.

Article 2: Term & Renewal

- 2.1 This Contract will be in effect from <insert date> to <insert date> notwithstanding the date of its execution, unless terminated earlier as provided herein (the “**Term**”).
- 2.2 This Contract may be renewed for such period of time and on the terms as the parties may mutually agree to in writing:
 - (a) If the Physicians wish to renew this Contract, the Physicians must provide written notice to the Agency no later than ninety (90) days prior to the end of the Term.
 - (b) If the Agency wishes to renew this Contract, it must provide written notice to the Physicians no later than ninety (90) days prior to the end of the Term.

As soon as practical after either the Physicians or the Agency has provided notice in accordance with this clause 2.2, the parties will meet to discuss and endeavour to settle in a timely manner the terms of such a renewal.

- 2.3 Subject to clause 2.4, if both the Physicians and the Agency agree to renew the Contract the terms and conditions of this Contract must remain in effect until the new contract is signed and any continuation past the Term is without prejudice to issues of retroactivity.
- 2.4 In the event that notice is given by either the Physicians or the Agency in accordance with clause 2.2 above and if a new contract is not completed within six (6) months following

the end of the Term, this Contract and any extensions will terminate without further obligation on either party.

Article 3: Termination

- 3.1 The Physicians (collectively) or the Agency may terminate the Contract without cause upon six (6) months' written notice to the other, or immediately upon written notice if the other breaches a fundamental term of this Contract.
- 3.2 Subject to clause 3.3 and without affecting the rights and obligations of the remaining Physicians:
 - (a) each Physician has the separate and distinct right to terminate the Contract as between that Physician and the Agency without cause upon six (6) months' written notice to the Agency, with an information copy of such notice to the remaining Physicians; and
 - (b) the Agency may terminate the Contract as between the Agency and any individual Physician without cause upon six (6) months' written notice to that Physician, with an information copy of such notice to the remaining Physicians.
- 3.3 Each Physician or the Agency may terminate the Contract as between that Physician and the Agency immediately upon written notice if the other breaches a fundamental term of this Contract. For clarity, loss of privileges by a Physician related to the Services provided under this Contract is a breach of a fundamental term of this Contract.

Article 4: Relationship of Parties

- 4.1 Each Physician is an independent contractor to the Agency and not the servant, employee, or agent of the Agency. No employment relationship is created by this Contract or by the provision of the Services to the Agency by the Physician. No partnership relationship between the Physicians is created by this Contract or by the provision of the Services to the Agency by the Physicians. None of the Physicians intends to carry on a business with a view to profit with the other Physicians in respect of the Services.
- 4.2 None of the Physicians nor the Agency will in any manner commit or purport to commit the other to the payment of any monies or to the performance of any other duties or responsibilities except as provided for in this Contract, or as otherwise agreed to in writing between the parties.
- 4.3 If a Physician employs other persons or is a professional medical corporation, the Physician will apply to register with WorkSafeBC and:
 - (a) if registered as an employer maintain that registration during the Term and provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible, or

- (b) if advised by WorkSafeBC that the Physician is a “worker”, advise the Agency and provide the Agency with any related documentation from WorkSafeBC.
- 4.4 If a Physician purchases Personal Optional Protection coverage with WorkSafeBC as an independent operator (at the Physician’s Option), the Physician will provide the Agency with proof of that registration in the form of the registration number, copies of whatever documentation is issued by WorkSafeBC to confirm registration, and a clearance letter with a clearance date as far into the future as possible.
- 4.5 Each Physician must pay any and all payments and/or deductions required to be paid by the Physician, including those required for income tax, Employment Insurance premiums, workers’ compensation premiums, Canada Pension Plan premiums or contributions, and any other statutory payments or assessments of any nature or kind whatsoever that the Physician is required to pay to any government (whether federal, provincial or municipal) or to any body, agency, or authority of any government in respect of any money paid to the Physician pursuant to this Contract.
- 4.6 The liability of the Physicians for payments referred to in clause 4.5 is several and not joint.
- 4.7 Each Physician agrees to indemnify the Agency from any and all losses, claims, damages, actions, causes of action, liabilities, charges, penalties, assessments, re-assessments, costs or expenses suffered by it arising from that Physician’s failure to make any payments referred to in clause 4.5.
- 4.8 The indemnity in clause 4.7 survives the expiry or earlier termination of this Contract.

Article 5: Unincorporated Groups

- 5.1 As the Services are provided under this Contract by multiple Physicians, each Physician will be party to, and bound by, this Contract.

Parties to select one of three options for clause 5.2 in negotiations.

- 5.2 The Physicians will develop a process or agreement to govern their intra-group relationship.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. If the Physicians are failing to provide the Services pursuant to the terms of this Contract on a persistent basis and the Agency reasonably believes that such failure is related to the Physicians’ intra-

physician group governance agreement, the Agency may request a copy of the intra-physician group governance agreement from the Physicians, and the Physicians will not unreasonably deny the Agency's request.

OR

- 5.2 The Physicians will develop an intra-physician group governance agreement. Each of the Physicians will be a party to the intra-physician group governance agreement, and the Physicians will ensure that any physician who becomes a Physician during the Term also becomes a party to the intra-physician group governance agreement. The Physicians will provide the Agency with a copy of the intra-physician group governance agreement within two months of the first day of the Term. Any amendments to the intra-physician group governance agreement made during the Term will be promptly disclosed to the Agency.
- 5.3 Subject to sub-clause 3.2(b), the Physicians may designate a representative from among the Physicians to represent the Physicians with respect to notices, the proposed addition of new physicians to the Contract and all invoicing and payment matters under this Contract (the "**Representative**") and will notify the Agency of the identity of the Representative. If the Representative changes during the Term, the Physicians will notify the Agency of the new Representative.
- 5.4 Where a notice under any term of this Contract is to be given to all of the Physicians, the Physicians agree that a single notice to the Representative sent to the address provided in Article 22 will constitute notice to all of the Physicians. Where notice is to be given to less than all of the Physicians, it must be given to those individual Physicians at the address(es) provided at Appendix 5.
- 5.5 In the event of the departure of a Physician pursuant to clauses 3.2 or 3.3, the parties will meet to discuss whether amendments to any Appendices are required and to make agreed changes.
- 5.6 The Physicians must use reasonable efforts to replace departing Physicians.
- 5.7 Any replacement or new physicians that the Physicians propose to add are subject to approval by the Agency in accordance with its normal policies, by-laws, and rules. Such approval will not be unreasonably withheld.
- 5.8 Subject to clause 5.7, for any new physician added to this Contract who is not an initial signatory to this Contract, the Physicians (collectively) or their Representative, the Agency, and the new physician will sign and deliver to the others an acknowledgement and agreement in the form set out in Appendix 6 ("**New Physician – Agreement to Join**"), agreeing that the new physician will become party to and bound by the terms of this Contract.

Article 6: Waiver/Assignment

- 6.1 Unless specified otherwise, each Physician must not retain fee-for-service billings, including third party billings, for the Services provided under the terms of this Contract. Physicians may bill fee-for-service or directly for any and all services delivered outside the scope of this Contract. For the purposes of this Article, third party billings include but are not limited to:
- (a) billings for Services associated with WorkSafeBC, ICBC, Armed Forces, Corrections (provincial and federal), Interim Federal Health Programs for Refugee Claimants and disability insurers,
 - (b) billings for non-insured Services, excluding medical/legal services, and
 - (c) billings for Services provided to persons who are not beneficiaries under the Medicare Protection Act, including but not limited to billings for persons in respect of whom MSP may seek payment from another Canadian province under a reciprocal payment arrangement.
- 6.2 Where the Available Amount is not a source of funding for this Contract, each Physician will sign:
- (a) a waiver in the form attached hereto as Appendix 3A and such other documentation in connection with such waiver as may be reasonably required;
 - (b) if the Physician is required to assign to the Agency any and all rights the Physician has to receive third party billings for any of the Services provided under the terms of this Contract, a waiver and assignment in the form attached hereto as Appendix 3B and such other documentation in connection with such waiver and assignment as may be reasonably required.
- 6.3 Where the Available Amount is a source of funding for this Contract, each Physician will assign to the Agency any and all rights the Physician has to receive fee-for-service payments from the Available Amount for any of the Services provided under the terms of this Contract and will sign an assignment in the form attached hereto as Appendix 3C and such documentation in connection with such assignment as may be reasonably required.

Article 7: Autonomy

- 7.1 Each Physician will provide the Services under this Contract in accordance with applicable standards of law, professional ethics and medical practice and any Agency policies, by-laws, rules, and regulations that are not inconsistent with or represent a material change to the terms of this Contract.
- 7.2 Subject to clause 7.1, each Physician is entitled to professional autonomy in the provision of the Services.

Article 8: Doctors of BC

- 8.1 Each Physician separately and the Physicians collectively are entitled, at their option, to representation by the Doctors of BC in the discussion or resolution of any issue arising under this Contract, including without limitation the re-negotiation or termination of this Contract.

Article 9: Dispute Resolution

- 9.1 This Contract is governed by and is to be construed in accordance with the laws of British Columbia.
- 9.2 All disputes with respect to the interpretation, application or alleged breach of this Contract that any Physician(s) and the Agency (the Physician(s) or the Agency, each a “**Party to the Dispute**” or collectively “**Parties to the Dispute**”) are unable to resolve informally at the local level, may be referred to mediation on notice by either Party to the Dispute to the other, with the assistance of a neutral mediator jointly selected by the Parties to the Dispute.. If the dispute cannot be settled within thirty (30) days after the mediator has been appointed, or within such other period as agreed to by the Parties to the Dispute in writing, the dispute will be referred to arbitration administered pursuant to the British Columbia *Arbitration Act* and the Domestic Arbitration Rules of the Vancouver International Arbitration Centre (or its successor), as those rules may be amended from time to time, by a sole arbitrator. The place of arbitration will be _____, British Columbia and the language of the arbitration will be English.
- 9.3 Upon agreement of the Parties to the Dispute, the dispute may bypass the mediation step and be referred directly to arbitration. Nothing in this Article 9 will prevent any party from commencing arbitration at any time in order to preserve a legal right, including but not limited to relating to a limitation period.
- 9.4 The Parties to the Dispute must advise the Ministry of Health and the Doctors of BC respectively prior to referring any dispute to arbitration. The Ministry of Health and the Doctors of BC will have the right to apply to intervene in the arbitration and such application will rely on the common-law test for granting intervenor status. All intervenors are responsible for their own costs and any other costs the arbitrator may order them to pay.
- 9.5 Any dispute settlement achieved by the Parties to the Dispute, up to the point of arbitration, will be deemed to have been concluded without prejudice to other disputes or proceedings involving other parties, and will not be referred to in any other dispute or proceeding.

Article 10: Service Requirements

- 10.1 The Physicians will provide the Services and the number of Sessions as described in Appendix 1.

Article 11: Licenses & Qualifications

11.1 During the Term, each Physician will maintain:

- (a) registered membership in good standing with the College of Physicians and Surgeons of British Columbia and will conduct the practice of medicine consistent with the conditions of such registration; and
- (b) all other licences, qualifications, privileges and credentials required to deliver the Services.

11.2 During the Term, it is a fundamental term of the Contract that each Physician maintains enrolment in the Medical Services Plan (MSP).

- (a) For clarity, an order of the Medical Services Commission under section 15(2)(a) of the *Medicare Protection Act* for the duration of that order, is a breach of a fundamental term of this Contract.
- (b) If a Physician is no longer enrolled in MSP or is de-enrolled from MSP, the Physician must immediately notify the Agency of the period of the lack of enrollment or de-enrollment.

11.3 If all or some of the Services provided under this Contract are Specialist Services, as defined in the Alternative Payments Subsidiary Agreement, then the Physicians providing the Specialist Services will be and remain registered by the College of Physicians and Surgeons of BC to provide these Specialist Services.

11.4 All medical Services under this Contract will be provided either directly by a Physician, or a resident under the supervision and responsibility of a Physician, or by a clinical fellow under the supervision and responsibility of a Physician.

Article 12: Subcontracting

12.1 Each Physician may, with the written consent of the Agency, subcontract or assign any of the Services. The consent of the Agency will not be unreasonably withheld.

12.2 Each Physician will ensure that any contract between the Physician and a subcontractor will require that the subcontractor comply with all relevant terms of the Contract, including that the subcontractor sign a waiver/assignment in the form set out at Appendix 3. Further, the Physician will provide a copy of that waiver/assignment to the Agency prior to the subcontractor providing any Services under this Contract.

12.3 Prior to subcontracting any of their obligations, each Physician will review the capabilities, knowledge and experience of the potential subcontractor in a manner sufficient to establish that the potential subcontractor is able to meet the requirements of this Contract.

12.4 No subcontract relieves a Physician from their obligations or liabilities under this Contract.

Article 13: Compensation

13.1 The Physicians will invoice the Agency for all the Services provided in a form acceptable to the Agency, substantially in the form set out at Appendix 2A.

13.2 The Agency will pay the Physicians pursuant to Appendix 2.

13.3 Each Physician is entitled to access the Benefit Plans as defined and described in the Benefits Subsidiary Agreement (as defined in the Physician Master Agreement).

13.4 The Agency must forward the necessary information with respect to each Physician to the Doctors of BC Benefits Department, at the address set out below, prior to March 31 of each year in which the Contract is in effect. The Physicians will provide the Agency with any information necessary for the Physicians to access the Benefit Plans not in the possession of the Agency.

Benefits Manager
Doctors of BC

Vancouver, BC V6J 5A4

13.5 No Physician is entitled under this Contract to any benefit from the Agency including Canada Pension Plan contributions, Employment Insurance premiums, supplemental health coverage for the Physicians or their families, health benefits for travel outside Canada, dental insurance for preventative dental care and dental procedures, supplemental group life insurance, accidental death and dismemberment insurance death benefits, overtime or statutory holidays.

Article 14: Reporting

14.1 The parties acknowledge that the Agency has a responsibility to transmit the details of the Services to the Ministry of Health the same as required for physicians billing fee-for-service, including:

14.1.1 the name and identity number of the patient;

14.1.2 the practitioner number of the practitioner who personally rendered or was responsible for the service;

14.1.3 the details of the service, including the location where the service was rendered, the date and time the service was rendered, the length of time spent rendering the service, the diagnosis and the equivalent fee item or encounter record code.

- 14.2 Each Physician will co-operate with the Agency and make all reasonable efforts to provide it with the information it requires in order to meet its obligation referred to in clause 14.1, by providing the information listed at Appendix 4.
- 14.3 Each Physician will also:
- (a) report to the Agency all work done by the Physician in connection with the provision of the Services;

 - (c) complete and submit to the Agency all reports reasonably required by the Agency within 30 days (subject to the specific requirements in Appendix 4) of the Agency's written request.
- 14.4 Each Physician is responsible for the accuracy of all information and reports submitted by the Physician to the Agency.

Article 15: Records

- 15.1 Where a Physician is providing Services in an Agency facility and the Agency has procedures in place, each Physician will create Clinical Records in the clinical charts that are established by and owned by the Agency and used by the facility where the Services are provided.
- 15.2 Where a Physician is providing Services in an Agency facility and the Agency does not have procedures in place, each Physician will create and maintain Clinical Records in the manner provided for in the Bylaws of the College of Physicians and Surgeons of British Columbia.
- 15.3 The Physicians will keep business accounts, including records of expenses incurred in connection with the Services and invoices, receipts and vouchers for the expenses.
- 15.4 For the purposes of this Article 15, "**Clinical Record**" means a clinical record maintained in accordance with the Bylaws of the College of Physicians and Surgeons of British Columbia and an adequate medical record in accordance with the Medical Services Commission Payment Schedule.
- 15.5 If requested to do so by the Agency each Physician will promptly return to the Agency all materials, including all findings, data, reports, documents and records, whether complete or otherwise, that have been produced or developed by the Physician or provided to the Physician by the Agency in connection with the Services, that are in that Physician's possession or control.

Article 16: Third Party Claims

16.1 The Physicians and the Agency will provide the others with prompt notice of any action against any of them arising out of this Contract.

Article 17: Liability Protection

17.1 Each Physician will, without limiting the Physician's obligations or liabilities herein, purchase, maintain, and cause any sub-contractors to maintain, throughout the Term:

17.1.1 Where a Physician owns or rents the premises where the Services are provided, comprehensive or commercial general liability insurance with a limit of not less than \$2,000,000. The Physician will add the Agency as an additional insured and the policy(s) will contain a cross liability clause. It is understood by the parties that this comprehensive or commercial general liability insurance is a reasonable overhead expense.

17.1.2 Membership with the Canadian Medical Protective Association or an alternative professional/malpractice protection plan.

17.2 All of the insurance required under clause 17.1.1 will be primary and will not require the sharing of any loss by any insurer of the Agency and must be endorsed to provide the Agency with 30 days' advance written notice of cancellation or material change.

17.3 Each Physician agrees to provide the Agency with evidence of the membership/protection plan or insurance coverage required under this Article 17 at the time of execution of this Contract and otherwise from time to time as requested by the Agency.

Article 18: Confidentiality

18.1 Each Physician and the Agency will maintain as confidential and not disclose any patient information, except as required or permitted by law.

18.2 Each Physician must not, without the prior written consent of the Agency, publish, release, or disclose or permit to be published, released, or disclosed before, during the Term or otherwise, any other confidential information supplied to, obtained by, or which comes to the knowledge of the Physician as a result of this Contract unless the publication, release or disclosure is required or permitted by law and is:

18.2.1 necessary for the Physician to fulfill the Physician's obligations under this Contract; or

18.2.2 made in accordance with the Physician's professional obligations as identified by the College of Physicians and Surgeons of BC; or

18.2.3 in reference to this Contract.

18.3 For the purposes of this Article 18, information will be deemed to be confidential where all of the following criteria are met:

18.3.1 the information is not found in the public domain;

18.3.2 the information was imparted to the Physician and disclosed in circumstances of confidence, or would be understood by parties exercising reasonable business judgement to be confidential; and

18.3.3 the Agency has maintained adequate internal control to ensure the information remained confidential.

Article 19: Conflict of Interest

19.1 During the Term, absent the written consent of the Agency, each Physician must not perform a service for or provide advice to any person, firm or corporation where the performance of the service or the provision of the advice may or does give rise to a conflict of interest under this Contract.

19.2 The parties will attempt to resolve at the local level any question as to whether the Physician has breached or may breach clause 19.1. If the parties are unable to resolve the issue, it will be referred to mediation and/or arbitration pursuant to Article 9 of this Contract.

Article 20: Ownership

20.1 The parties acknowledge that in the course of providing the Services intellectual or like property may be developed. Each Physician agrees to be bound by and observe the relevant patent and licensing policies of the Agency in effect from time to time. Where such policies require the assignment of intellectual property to the Agency, each Physician will execute and deliver all documents and do all such further things as are reasonably required to achieve the assignment.

Article 21: Audit, Evaluation and Assessment

21.1 Each Physician acknowledges and agrees that the auditing authority of the Medical Services Commission under section 36 of the *Medicare Protection Act* (the “Act”), as amended from time to time, is incorporated and applies in relation to this Contract. The Agency and the Physician agree that the terms in Sections 15, 37 and 38 of the Act are hereby incorporated into this Contract, as modified by sections 21.2 and 21.3 below.

22.2 Without limiting sections 21.1, each Physician acknowledges and agrees that for audits of this Contract conducted by the Medical Services Commission: (i) the Physician is a “practitioner” as defined in the *Act*; and, (ii) the terms in sections 36(3) to 36(11) of the *Act* are hereby incorporated into this Contract.

- 21.3 Without limiting sections 21.1 and 21.2 in relation to this Contract, each Physician acknowledges and agrees that: (i) the incorporated reference in section 37(1) of the *Act* which states “the commission had paid an amount” also includes an amount paid by the Agency under this Contract; and (ii) the requirement to repay the Medical Services Commission under Sections 37(1)(d) and (1.1) includes that the Medical Services Commission may require the Physician to pay money to the Agency.
- 21.4 Prior to attending the clinic/practice for audit under this Article, a notice of inspection of an audit must be provided to the Physicians. Unless determined otherwise by the Medical Services Commission, which in no case would include a random audit, notice of inspection must be provided at least 14 days prior to the inspection.
- 21.5 Each Physician must reasonably cooperate with Medical Services Commission auditors for an audit in relation to this Contract including by producing and allowing Medical Services Commission auditors to access relevant records, including the clinic/practice EMR.
- 21.6 Notwithstanding Article 9 (Dispute Resolution) or any other provision of this Contract, the Physicians and the Agency agree that the Medical Services Commission has exclusive jurisdiction to determine disputes about alleged misbilling for Services under this Contract. The Physicians and the Agency acknowledge and agree that the hearing process and rules for a hearing by the Medical Services Commission will be the same as those that the Medical Services Commission would follow in a hearing for a physician billing fee-for-service under the *Act*, unless the Medical Services Commission determines that a different process or rules would be more appropriate in the circumstances and the parties agree to adopt the recommendation. Further, the Physicians and the Agency acknowledge and agree that a Medical Services Commission audit or hearing for a Physician in relation to this Contract may occur simultaneously with one or more audits or hearings in relation to fee-for-service claims under the *Act* or other contracts.

Article 22: Notices

- 22.1 Any notice, report, or any or all of the documents that either the Physicians or the Agency may be required to give or deliver to the other in writing, unless impractical or impossible, must be delivered by e-mail, mail or by hand. Delivery will be conclusively deemed to have been validly made and received by the addressee:

Article 25: No Waiver Unless in Writing

25.1 No provision of this Contract and no breach by either a Physician or the Agency of any such provision will be deemed to have been waived unless such waiver is in writing signed by the other. The written waiver of a Physician or the Agency of any breach of any provision of this Contract by the other must not be construed as a waiver of any subsequent breach of the same or of any other provision of this Contract.

Article 26: Headings

26.1 The headings in this Contract have been inserted for reference only and in no way define, limit or enlarge the scope of any provision of this Contract.

Article 27: Enforceability and Severability

- 28.1 This Contract is subject to the Physician Master Agreement and the Physician Master Subsidiary Agreements, and amendments thereto.
- 28.2 In the event that during the Term, a new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s) come into effect, the Physicians and the Agency agree to meet on notice by one to the other to re-negotiate and amend the terms of this Contract to ensure compliance with the new Physician Master Agreement and/or new Physician Master Subsidiary Agreement(s).

6.9 The Government and physicians will share ongoing cost increases to the CMPA Fee Schedule in Fiscal Year 2022/23 and for each Fiscal Year thereafter for the term of this Agreement. 6.10 For each of the Fiscal Years 2022/23 through to 2024/25 inclusive, the Benefit Committee will support the level of the Benefit Plans (excluding the CMPA Rebate Program) in existence as of March 31, 2022 by:

7.2 The costs associated with administering the Benefit Plans that are the subject of the 2022 Benefits Administration Agreement will be paid from the annual funding made available for those Benefit Plans.

7.3 During the term of this Agreement, either the Government or the Doctors of BC may, at its own expense, initiate a review of the Benefit Plans. The other party will be fully reimbursed for the costs of its participation in the review. Where one party initiates a review under this section the other party will fully cooperate.

Public Sector Governance and Accountability

The Ministry and Health Authorities have taken important steps to strengthen governance and accountability in the health system in British Columbia, including:

- Developing principles to strengthen accountability, promote cost control and ensure public sector entities operate in the best interests of taxpayers.
- Regularly setting out government's strategic priorities for the health system as part of Ministry annual Service Plans

There is an ongoing desire to strengthen and clarify relationships, both across the public sector and within the health sector, in order to promote strategic collaboration and ensure public funds are spent in a responsible manner.

Strengthening the Relationship with Physicians

Within this context, the Ministry and Health Authorities are committed to and mutually accountable for clarifying and strengthening their relationship with physicians at provincial, regional and local levels.

At the provincial level, the parties have agreed to continue a Memorandum of Understanding with the aim of improving engagement and dialogue between senior executives of the Ministry, Health Authorities, and the Doctors of BC through a number of key points of contact and senior level committees.

- c. Support physicians to acquire, with continued or expanded Joint Clinical Committee funding support, the leadership and other skills required to participate effectively in discussions regarding issues and matters directly affecting physicians and their role in the health care system.

The parties commit that the Ministry's Health Sector Workforce Division and Doctors of BC Departments of Engagement and Quality Improvement, and Economics, Advocacy and Negotiation will play a key role in continuing to support both the Health Authorities and physicians in successfully implementing this Memorandum.

Health Authorities and physicians are mutually accountable for the quality of their relationship with the goal of providing high quality health care services. The actions to be taken by Health Authorities set out in this Memorandum will continue to be incorporated into the Ministry's accountability letters to Health Authority Boards and Executives, and will continue to be subject to ongoing monitoring and reporting for the period of this agreement. Further, the quality of engagement and consultation and mutual accountability of the parties will be the subject of ongoing dialogue at a senior level through the various points of interface identified in the Memorandum of Understanding on Provincial Engagement.

MEMORANDUM OF AGREEMENT

DECLARATION ON THE RIGHTS OF INDIGENOUS PEOPLES AND ELIMINATING INDIGENOUS-SPECIFIC RACISM AND DISCRIMINATION IN HEALTH CARE

BETWEEN:

HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA,
as represented by the Ministry of Health

(the “**Ministry**”)

AND:

**FRASER HEALTH AUTHORITY, INTERIOR HEALTH AUTHORITY,
VANCOUVER ISLAND HEALTH AUTHORITY, VANCOUVER
COASTAL HEALTH AUTHORITY, NORTHERN HEALTH
AUTHORITY, PROVINCIAL HEALTH SERVICES AUTHORITY
AND PROVIDENCE HEALTH CARE**

(the “**Agencies**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

(individually a “**party**” and collectively the “**parties**”)

Declaration

The parties acknowledge the pervasive and ongoing harms of colonialism faced by Indigenous peoples. These harms include the widespread systemic racism against Indigenous peoples in BC’s health system, as highlighted in the 2020 *In Plain Sight* report.

The parties agree to uphold the *United Nations Declaration on the Rights of Indigenous Peoples*, which has been brought into the laws of British Columbia under the *Declaration on the Rights of Indigenous Peoples Act*, SBC 2019, c 44.

The parties commit to working together to address the ongoing harms of colonialism and racism faced by Indigenous patients and by health care staff and providers, including by:

- committing to reconciliation in health care by supporting comprehensive, system-wide changes that enable Cultural Safety through Cultural Humility and Indigenous-Specific Anti-Racism (ISAR);

- actively addressing opportunities and rectifying barriers in the Physician Master Agreement;
- increasing the representation of Indigenous physicians/other healthcare providers/workers in the healthcare workforce.

Provincial Forum

The parties acknowledge that a coordinated and integrated provincial and sector-wide approach is crucial to further these joint commitments to eliminate Indigenous-specific racism and to create a culturally safe health care system.

To date, and in furtherance of recommendation no. 19 of the *In Plain Sight* report, the Ministry has partnered with the National Collaborating Centre for Indigenous Health (NCCIH), housed at University of Northern BC, to build a collection of anti-racism, cultural safety and trauma-informed standards, policy, tools and resources for health care organizations, including developing new tools and resources specific to BC.

Accordingly, building on the work underway, the parties support the creation of a provincial forum, led by the Indigenous Health branch of the Ministry, that will include representatives from Health Employers Association of BC (“**HEABC**”), Vice Presidents (VPs) of Indigenous Health and other leaders from Agencies, representatives of other HEABC members, health sector bargaining associations and the Doctors of BC to engage in collaborative discussions that will inform the work moving forward and best position the parties in future rounds of collective bargaining and Physician Master Agreement negotiations (the “**Forum**”). The Ministry may also invite representatives from other relevant groups identified by the Ministry, including Indigenous elders or knowledge keepers, to participate in the Forum from time to time or on an ongoing basis.

The Ministry will establish the Forum and present the Terms of Reference that will set out the purpose:

- to create a Forum for health authority Indigenous leaders and other leaders, and representatives of other HEABC members, unions and Doctors of BC to have continuing dialogue on the commitments stated above. The parties may use the Forum to present their ongoing or developing organizational initiatives, including the implementation of the Cultural Safety and Humility Standard, complaints processes, education, and training to eliminate Indigenous-specific racism and to hardwire cultural safety and humility into the workplace;
- to discuss ways to leverage resources being developed by NCCIH and the Ministry, as well as raising awareness of the wealth of resources within the health system now, including the repository of work housed with the NCCIH and resources already developed by health authorities;
- to discuss ways to address recruitment and retention of Indigenous staff, physicians and other health care providers, which may include developing recommendations for changes to Collective Agreement or Master Agreement language in the next round of collective bargaining and negotiations;

- to provide an opportunity for the Ministry to solicit feedback and report out on ongoing provincial initiatives, including continuing implementation of the *In Plain Sight* recommendations and the phased roll-out of the *Anti-Racism Data Act*, SBC 2022, c.18; and
- to improve awareness of and compliance with the *Declaration on the Rights of Indigenous Peoples Act*, SBC 2019, c 44.

It is understood that the Forum should serve all interested parties in the provincial health care sector. To that end, the parties will make all reasonable efforts to promote participation in the Forum on a provincial and sector-wide basis.

The Ministry shall hold the Forum quarterly, or more frequently as deemed necessary.

Physician Specific Provincial Committee on ISAR and Cultural Safety.

1. In recognition of:
 - a. the unique and important role physicians play in the healthcare system;
 - b. the nature of many physicians’ relationships with the healthcare systems as independent contractors (some of whom have no relationship with the Agencies); and
 - c. the opportunity for collaborative work through existing Physician Master Agreement Joint Committee structures, and also the need to ensure that the work of the Joint Committees with respect to ISAR and Cultural Safety and Humility is aligned;

the parties agree to establish a new physician specific provincial ISAR and Cultural Safety committee (the “**Committee**”).

2. The Committee will be composed of eight members, four of whom will be appointed by the government and four of whom will be appointed by the Doctors of BC, or such greater, equal number of members as agreed to by the Government and Doctors of BC. The members appointed by the Government will consist of at least one representative from the VPs of Indigenous Health, one representative from the Office of Indigenous Health and Reconciliation, one representative from Health Authority/PHC Medical Affairs and one representative from First Nations Health Authority.
3. The Committee will:
 - a. provide a provincial forum to consult on physician-specific issues related to Indigenous-specific racism and Cultural Safety and Humility. For example, ongoing or developing organizational initiatives, such as implementation of the Cultural Safety and Humility Standard, complaints processes, education, and training to eliminate Indigenous-specific racism and to hardwire cultural safety and humility into the workplace;

- b. provide advice and recommendations to the Physician Services Committee (PSC) and the Provincial Medical Services Executive Council, on matters related to Indigenous-specific racism, Cultural Safety and Humility and supporting improvements in the care experiences for Indigenous peoples in advance and in support of the PSC engaging with the Joint Committees in the process set out at section 6.3(a) of the Physician Master Agreement.
 - c. consider measures to address the under-representation of Indigenous physicians.
4. The Committee may engage on matters of importance regarding ISAR and cultural safety including policies, processes and Medical Staff Rule changes related to ISAR or cultural safety activities.
 5. The Terms of Reference for the committee would include requirements that decisions regarding recommendations are made by consensus and that the parties share relevant information to conduct its work.
 6. The Committee and its operations will be funded through the Joint Clinical Committees as determined by the PSC.
 7. The Committee will meet a minimum of four times per year and will be co-chaired by a member chosen by the Government members and a member chosen by the Doctors of BC members. Either co-chair may call additional meetings. Any such additional meetings must take place within two weeks of the call, unless otherwise agreed.

MEMORANDUM OF AGREEMENT
PHYSICIAN ADMINISTRATIVE BURDENS

BETWEEN:

**HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF BRITISH
COLUMBIA, as represented by the Ministry of Health**

(the "Ministry")

AND:

**FRASER HEALTH AUTHORITY, INTERIOR HEALTH AUTHORITY,
VANCOUVER ISLAND HEALTH AUTHORITY, VANCOUVER
COASTAL HEALTH AUTHORITY, NORTHERN HEALTH
AUTHORITY and PROVINCIAL HEALTH SERVICES AUTHORITY**

(individually a "Health Authority" and
collectively the "Health Authorities")

AND:

ASSOCIATION OF DOCTORS OF BC

(the "Doctors of BC")

(individually a "party" and collectively the "parties")

PHYSICIAN ADMINISTRATIVE BURDENS

The Ministry, Doctors of BC, and the Health Authorities are committed to working together to review current physician administrative requirements in an effort to reduce administrative burden and maximize physician resources to support public policy health objectives, including supporting access and quality of care.

It is the mutual interest and desire of the parties to establish a collaborative working group structure to identify physician burdens, review, problem-solve, and develop recommendations to reduce or eliminate physician administrative burdens.

Administrative Burdens Working Group

The Administrative Burdens Working Group (“ABWG”) is established with three representatives of Doctors of BC and three representatives of the Ministry/Health Authorities. Each party will ensure that at least one of its three representatives is a senior staff member.

A Terms of Reference will be developed and maintained by the ABWG following the execution of the 2022 Physician Master Agreement. Decisions of the ABWG are by consensus. The ABWG reports to the Physicians Services Committee. The BC Patient Safety and Quality Council will provide secretariat and project team support for the ABWG. This support will include stakeholder engagement, analysis of identified burdens and working with the parties to assess the feasibility and impact of recommendations, among other functions necessary for the work of the ABWG. Unless otherwise agreed by the majority of representatives of the ABWG, the ABWG will meet once per calendar month.

Scope of Work

Focus will be on the most significant burdens that the Ministry of Health, Health Authorities, Doctors of BC, and physicians are able to influence. The scope of the subject areas to be addressed are limited to burdens that are created by, or within the control of the Ministry of Health, Health Authorities, Doctors of BC, and physicians. Generally, requirements around the creation of a patient record are out of scope. No recommended change will reduce quality of care for patients.

Phased Approach

The parties intend a phased approach to this work to allow the parties to assess progress and renew their commitment to continue their collaborative work. The collaboration will begin with a one-year pilot phase. The first meeting of the ABWG will occur within 60 days of the execution of the 2022 Physician Master Agreement.

Pilot Phase

The objectives during the one-year pilot phase are as follows:

1. To analyze the specified forms/processes that create physician administrative burdens and identify alternatives that will achieve the intended purpose with reduced physician burden.
2. To develop joint recommendations from the parties to the organization(s) or individuals that have control of the form or process.
3. To present the joint recommendations to the Ministry of Health (Leadership Council) and the Doctors of BC Board of Directors for endorsement or feedback.
4. To develop shared expertise and capacity for future application.

The ABWG will complete a review of the following specified forms/processes listed below during the one-year pilot phase:

1. Special Authority Forms.
2. Consider whether Health Authorities may take on the responsibility to contact patients, provide the necessary information and finalize their appointments for services in Health Authority managed programs where physicians currently manage these processes. As part of this review, the ABWG will prioritize the following Health Authority programs:
 - Fraser Health Imaging (across all sites);
 - BC Women's Hospital Ambulatory Clinic Referrals, Diagnostic Imaging;
 - St. Paul's Hospital Echo Lab and Imaging; and
 - Lions Gate Hospital Imaging.
3. BC Cancer forms and processes. The ABWG will identify specific forms and processes for this review.

The ABWG will be guided by the following work processes during the one-year pilot phase:

1. The ABWG will request source representative(s) with the appropriate authority/expertise/influence to participate directly in problem-solving.
2. The ABWG may create sub-groups to guide, investigate and make recommendations to the ABWG on the specified forms/processes, or on topics directed by the ABWG.
3. The ABWG will review and problem-solve each of the specified forms/processes by:
 - Conducting a collaborative review within one year;
 - Providing an opportunity for all parties to raise interests and concerns;

- Identifying the purpose for the form or process, and the extent to which it supports quality patient care;
 - Identifying alternative options to achieve the intended purpose; and
 - Developing an assessment of required cost/effort of improvement.
4. The ABWG will endeavour to develop recommendations to reduce or eliminate the physician burden by consensus.
 5. The parties agree to provide relevant and available information and data necessary to effect the objectives of the Memorandum of Agreement.
 6. Where the source is undertaking process improvement efforts that may relate to the same forms/processes, then the work of the ABWG will be intended as a complement to those efforts, and that the ABWG will not ask that those efforts be discontinued.
 7. The ABWG will seek feedback and endorsement from Leadership Council and the Board of Directors of Doctors of BC.
 8. Once a recommendation is endorsed:
 - a. if the source of the form/process is the Ministry of Health or a Health Authority, the Ministry will communicate non-binding recommendations to the source;
 - b. if the source of the form/process is physicians, the Ministry and the Doctors of BC will jointly communicate non-binding recommendations to the source.

Evaluation/Continued Collaboration

Following the completion of the pilot phase, and the review of each of the specified forms/processes outlined above, the parties will evaluate the collaboration with the view to continue, or update the objectives and process. Any changes will be upon mutual agreement of the parties. The evaluation will occur after the first year, and annually, as needed, after that.

Funding

- Effective April 1, 2022: \$400,000 per year.
- Effective April 1, 2023: \$700,000 per year.

Through the Physician Services Committee, additional funding may be allocated from Joint Clinical Committee funds. Costs related to secretariat support, ABWG sub-groups and physician expenses for participating in the ABWG are paid out of this Memorandum of Agreement.

Resolution of Disagreements

If any of the parties has a concern respecting this Memorandum of Agreement, the parties directly impacted (e.g. Doctors of BC and a Health Authority) will meet to attempt to resolve the issues. If they cannot resolve the issues, the CEO of the Doctors of BC, the Deputy Minister of Health and/or the Health Authority CEOs will meet to attempt to resolve the issues. Failing resolution, there are no further steps under the Memorandum to address such concerns.

Termination

This Memorandum of Agreement shall terminate effective March 31, 2025, if either party provides notice, by no later than January 31, 2025, to terminate it. If no such notice is provided, it will have the same term as, and will terminate concurrent with any termination of the 2022 Physician Master Agreement.

MEMORANDUM OF UNDERSTANDING
COLLABORATIVE GENDER-BASED FEE REVIEW

BETWEEN:

**HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF
BRITISH COLUMBIA**, as represented by the Ministry of Health

(the “**Ministry**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

(individually a “**party**” and collectively the “**parties**”)

Collaborative Gender Based Fee Review

The Government of British Columbia (the “**Government**”) has issued policy direction to ensure that a Gender-Based Analysis Plus (GBA+) lens will inform all stages of the policy-making process.

A component of the Government’s Gender Equity work is to expand access to health care for British Columbians, including for women and gender diverse patients.

The Government has an interest in exploring and potentially addressing whether services designed and provided for women and gender diverse patients are compensated at lower rates than similar services designed and provided for men.

Doctors of BC and various Physician Sections are also undertaking similar explorations.

Joint Collaborative Working Group

Government and Doctors of BC agree to establish a joint collaborative working group (the “**Working Group**”).

1. The Working Group will develop principles and a methodology to assess whether gender-based inequities in fees for services exist.

2. The Working Group will focus on:
 - a. inequities in fees for services provided to patients who are women or gender diverse relative to those provided to patients who are men; and
 - b. inequities in fees for services provided predominately by physicians who are women relative to those provided predominately by physicians who are men.
3. The Working Group will look at a number of different ways to assess whether gender-based inequities in fees for services exist, including the relative fee prices, or the impact on the practice patterns of physicians providing the service. Reasonable efforts will be made to appropriately account or control for other variables.
4. The Working Group will determine the scope of the initial review – i.e. which fees or sections of the Payment Schedule to review first (the “**Initial Review**”). For example, the Working Group may agree to start with a review of the most commonly used fee items.
5. The Working Group will use principles and methodology to undertake the Initial Review.
6. The Initial Review will allow the parties to assess the nature and scale of any gender-based fee inequities, as well as to refine the process and methodology for further assessment.
7. Results of the Initial Review may be shared with appropriate Sections.
8. The Working Group’s timeline to complete the Initial Review will be 1 to 2 years.
9. For clarity, it is not the parties’ intention that these timelines would block any gender-analysis-informed micro-allocation proposals that come forward before the Working Group completes the Initial Review.
10. Results of the Initial Review may be shared with the appropriate Physician Sections.

Resolution of Disagreements

11. If either party has a concern respecting this Memorandum of Understanding, that party may refer the matter to the Physician Services Committee for resolution. Failing resolution, there are no further steps under the Physician Master Agreement to address the concern.

Termination

12. This Memorandum of Understanding shall have the same term as, and shall terminate concurrent with, any termination of the 2022 Physician Master Agreement.

IN WITNESS WHEREOF the parties have executed this Memorandum of Understanding by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022

MEMORANDUM OF AGREEMENT

COLLABORATION ON VIRTUAL CARE FEES

BETWEEN:

HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA,
as represented by the Ministry of Health

(the “**Ministry**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

AND:

MEDICAL SERVICES COMMISSION

(the “**MSC**”)

(individually a “**party**” and collectively the “**parties**”)

COLLABORATION ON VIRTUAL CARE FEES

WHEREAS:

- A. At the outset of the COVID-19 pandemic, the parties agreed to make temporary changes to the MSP payment schedule, including establishing new temporary fees to support patient access to services and physician income security in a time of great uncertainty.
- B. Changes to clinical services through telehealth over the course of the pandemic have impacted the expectations of both patients and physicians for how the delivery of health care services may be provided.
- C. The temporary virtual fee structure has supported patient access to virtual medical services but has also created challenges in which some patients are facing barriers to obtaining appropriate in-person medical care.
- D. The College of Physicians and Surgeons of BC (“**CPSBC**”) has issued a clear Practice Standard with regards to virtual care that outlines the minimum standard of professional behaviour and ethical conduct expected by the CPSBC.
- E. The parties agree that the exclusive provision of virtual care is inappropriate in most circumstances. In most cases the routine use of telehealth as a screening modality is also not appropriate.
- F. The parties agree that appropriate care includes both in-person and virtual care. A patient can request an in-person or virtual visit which should be provided in a time frame appropriate to the urgency and type of patient concern. If the clinical judgement of the physician determines that an in-person visit is necessary for meeting care requirements, a patient request for a virtual visit will not override the professional judgement of the physician.
- G. Recognizing the need to better integrate virtual care service delivery within practices in the post-pandemic environment, the parties agree there is a need to develop more detailed practice guidance on virtual care to use as a basis for more permanent rules and fees for virtual care services in the Payment Schedule.
- H. The parties recognize the importance of consultation with Doctors of BC and its Sections to establish rules and fees that support the provision of appropriate medical services to patients.

Therefore, the parties agree to the following:

1. Virtual Care Clinical Reference Group

- a. The Ministry will establish a Virtual Care Clinical Reference Group (“**VCCRG**”) to develop detailed guidance on clinical practice to support the provision of high quality

- patient care through the appropriate provision of virtual care together with in-person care (the “**Guidance**”)
- i. The purpose of the Guidance is to inform the Ministry of Health and the Tariff Committee on decisions regarding the appropriate rules and fees for telehealth services.
 - ii. The Guidance should be relevant to all physicians who may provide telehealth clinical services to patients.
 - iii. The VCCRG will not make any recommendations for revisions to Virtual Care fees.
- b. The VCCRG will be comprised of a chairperson mutually selected by the parties who will select the rest of the VCCRG after consultation with the parties.
- i. The VCCRG will include the following additional members: 2 family physicians, one of which has rural experience; 2 specialists; a representative of the CPSBC; two experts with telehealth expertise relevant to medical practice from outside BC who are viewed as leaders in the field.
- c. The VCCRG will be in place from November 7, 2022, to February 28, 2023, and the focus of the VCCRG will be on two main objectives for guidance:
- i. Identify, create and or recommend consolidated guidance to support an appropriate balance of both in person and virtual care in primary care and specialty care. Guidance should include but not be limited to:
 1. Clinical considerations such as practice setting (e.g. primary care, specialty care), location (e.g. urban, rural), relationship with patient (such as longitudinal, episodic, new), nature of concern;
 2. Provider considerations such as practice readiness and legal considerations;
 3. Individual patient considerations such as language barriers, digital literacy and geographic barriers.
 - ii. The VCCRG will consider the future need to develop a framework to measure safety and quality of virtually provided care and with a practical implementation strategy.
- d. The process for the VCCRG will include:
- i. Compile existing guidance and literature, including a McMaster Rapid Evidence review or like process.
 - ii. Input from Doctors of BC Sections and Societies.

- iii. Relevant data from the MSC. The MSC will provide any data requested by the VCCRG on an expedited basis.
- e. The Ministry will provide appropriate secretariat support to the VCCRG.
- f. The VCCRG will begin its work as soon as possible after the Doctors of BC Board of Directors recommends that the 2022 Physician Master Agreement (“PMA”) be sent to its members for approval.
- g. The VCCRG will provide the Guidance to the Ministry and the Tariff Committee by February 28, 2023.

2. Collaborative Review of Virtual Care Fees

- a. “**Virtual Care Fees**” include all virtual care fees, including the temporary virtual care fees and revisions to fees to facilitate virtual care implemented during the COVID-19 pandemic.
- b. Any revisions of Virtual Care Fees will be carried out through the process set out in Articles 12 and 13 of the PMA as amended through this memorandum.
- c. After February 28, 2023 and considering the Guidance provided by the VCCRG, the Ministry will notify the Doctors of BC (through the Tariff Committee), by no later than March 10, 2023, in writing, of its recommendation for the creation or revision of any Virtual Care Fee items in accordance with section 12.2 of the PMA, as modified below.
- d. In order to expedite the fee review process for Virtual Care Fees as outlined in section 12.2 (a)(i) (b), (c), (d) and (f) of the PMA as amended below, the parties will begin the process for selecting an ad hoc joint review panel within 2 weeks of when the Doctors of BC Board recommends that the PMA be sent to its members for approval so that, if it is required, it is available to begin its work without delay.
 - i. 12.2(a)(i) consult with the Tariff Committee to identify any comments or concerns they may have respecting such recommendations, for up to 60 (sixty) days, commencing when the Government notifies the Doctors of BC, in writing, of its recommendation for the creation or revision of Virtual Care Fee items.
 - ii. 12.2(b) If agreement is not reached between the Government and the Doctors of BC pursuant to section 12.2(a)(ii) within 60 (sixty) days of written notification from the Government to the Doctors of BC of a proposed revision(s) pursuant to this section 12.2, the Government will refer the matter to an ad hoc joint review panel as provided in section 12.2(c).

- iii. 12.2(c) The joint review panel must be appointed no later than March 31, 2023. The composition of the joint review panel shall be three members, with one member appointed by the Doctors of BC, one member appointed by the Government, and the third member who shall be the Chair, selected by the Government and the Doctors of BC. If the Government and the Doctors of BC cannot agree, by February 28, 2023 on the selection of the Chair, the MSC will appoint the Chair.
 - 1. The funding for the cost of the Chair will be shared by the Ministry of Health and by Doctors of BC. Funding for the Doctors of BC portion of the cost of the Chair and of the Doctors of BC member on the joint review panel will be provided from one-time funds available to the Shared Care Committee.
- iv. 12.2(d) The joint review panel must render a majority recommendation to the parties and the MSC within one month of the date of referral under 12.2(b).
- v. 12.2(f) If either the Government or the Doctors of BC does not support in writing the recommendation of the joint review panel within one week of the recommendations being issued, the MSC will decide the matter in accordance with section 13.2, and if the MSC decides that a change to the Guide to Fees should be made, the Doctors of BC will implement the change to the Guide to Fees.

3. Continuation of Temporary Virtual Care Fees

- a. The MSC will not unilaterally cancel any of the temporary Virtual Care Fees nor act on the cancellation of any temporary Virtual Care Fee by the Provincial Health Officer.
- b. Any changes to the temporary Virtual Care Fees will be accomplished through the application of Articles 12 and 13 of the PMA as amended by this Memorandum of Agreement.

4. Dispute Resolution

- a. Where there is a dispute between the Ministry and Doctors of BC regarding the interpretation, application, operation or alleged breach of this Memorandum of Agreement, it shall be resolved in the same manner as set out in Article 22 of the PMA for resolution of Provincial Disputes.

IN WITNESS WHEREOF the parties have executed this Memorandum of Agreement by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022.

MEMORANDUM OF AGREEMENT

SPECIALIST PHYSICIAN CONSULTATIONS, REFERRALS AND RE-REFERRALS

BETWEEN:

HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA,
as represented by the Ministry of Health

(the “**Ministry**”)

AND:

ASSOCIATION OF DOCTORS OF BC

(the “**Doctors of BC**”)

(individually a “**party**” and collectively the “**parties**”)

WHEREAS:

- A. The parties share an interest in ensuring that the provisions of the Payment Schedule established under the *Medicare Protection Act* (the “**Payment Schedule**”) support the provision of high quality and cost-effective health care services, including timely access to primary care and specialized care.
- B. Patients, family physicians and specialist physicians have raised concerns regarding the current provisions of the Payment Schedule related to consultations, referrals and re-referrals, particularly in connection with the experience of patients who need a re-referral from their family physician where the specialist physician has determined that another consultation is medically required.
- C. In response to these concerns, the Doctors of BC Tariff Committee established a Consultation Working Group in January, 2020 comprised of representatives from the Ministry, the Doctors of BC’s Tariff Committee, BC Family Doctors, and Consultant Specialists of BC to undertake a thorough review of the Payment Schedule provisions related to referrals and consultations.

- D. On advice of the Consultation Working Group, Doctors of BC and MSP has issued clarifications to help interpret the language of the Payment Schedule.
- E. The parties agree that changes to the Payment Schedule are necessary in order to address the issues and concerns that have been raised.

THEREFORE:

1. The parties will establish a Consultation and Referral Working Group (“**CRWG**”) with a mandate to develop recommendations for changes to the Payment Schedule in relation to consultations and referrals. The CRWG will develop recommendations by March 31, 2023.
2. The CRWG will be comprised of representatives appointed by the Ministry and the 6 Doctors of BC members who are presently members of the Consultation Working Group of the Tariff Committee. The CRWG will be supported by Eric Harris, KC, who will act as a neutral facilitator.
3. Funding to pay for half the cost of the facilitator and for the participation of the Doctors of BC representatives on the CRWG will be provided from one-time funds available to the Shared Care Committee. The Ministry will directly fund the other half of the cost of the facilitator.
4. The Ministry will provide \$5 million in on-going funding effective April 1, 2023 for the cost of implementing the recommendations of the CRWG, in addition to any projected cost savings from the recommendations. If some or all of the funding is not required for the recommendations, then the remaining funding will be provided to the Consulting Specialists of BC as additional funding for new/adjusted fees for Specialist Physicians.
5. In developing its recommendations, the CRWG will be guided by the following principles:
 - a. The criteria and requirements for payment for consultations, follow-up and continuing care services by the consultant physician should support access to initial consultations by specialists and longitudinal primary care.
 - b. In circumstances where, in the physician’s clinical judgement, repeated consultations are medically necessary to provide appropriate ongoing care, the current level of administrative burden for family physicians and consultant physicians should be decreased, and the patient experience should be improved, as compared with the current state.
 - c. Concerns about inappropriate billing should be addressed through claims adjudication, audit and education.

- d. Any amendments to the Payment Schedule should be clear, easy to apply and appropriate to enable adjudication and audit.
 - e. The recommendations will not result in overall reduction in compensation for any Section within the Doctors of BC.
6. In the event that the members of the CRWG are unable to reach a consensus on the recommendations by March 31, 2023, the facilitator will determine the recommendations by April 30, 2023. For the CRWG a consensus decision is a decision which has the support of the representatives of the Ministry of Health and at least 5 of the 6 representatives of Doctors of BC.

7. The recommendations of the CRWG or the facilitator pursuant to section 6, will be submitted to the Medical Services Commission as Revisions By Agreement in accordance with Article 13.1 of the 2022 Physician Master Agreement.

IN WITNESS WHEREOF the parties have executed this Memorandum of Agreement by or in the presence of their respective duly authorized signatories as of the 1st day of April, 2022.

Re: Doctors of BC Support

Doctors of BC strongly endorses the Practice Standard issued by the College of Physicians and Surgeons of BC as the appropriate mechanism for integrating virtual care into physician practices and believes that educating physicians and the public is the most effective method to support its appropriate application.

This is to confirm that Doctors of BC endorses the following actions to support the Practice Standard:

- a. There should be increased public communication by the College of Physicians and Surgeons of BC to ensure that physicians meet its Practice Standard on Virtual Care accompanied by appropriate education of physicians and the public.
- b. It is appropriate that the MSC express concern on patient access to in-person care where it is aligned with the Practice Standard on Virtual Care issued by the College of Physicians and Surgeons of BC, as well as its intention to follow up with individual physicians as needed using the following mechanisms:
 - i. The Patterns of Practice Committee may monitor and report to physicians on their use of virtual vs in person services in comparison to their reference group. The Patterns of Practice Committee can act immediately to review the current utilization of virtual care fees and identify physicians who provide low or no access to in-person services. This data can be provided to those physicians, and they may be asked to explain how their services are consistent with College guidelines.
 - ii. The Billing Integrity Program may audit physician practices where it is appropriate to do so.
- c. It is appropriate for the Minister and Ministry of Health to raise concerns about appropriate access to in-person care in line with the Practice Standard on Virtual Care issued by the College of Physicians and Surgeons of BC.
- d. Doctors of BC understands that, as a means of ensuring the safety of patients, the Ministry of Health will provide interim guidance to physicians and the public on appropriate access to virtual care within physician practices pending the Guidance that will be provided by the Virtual Care Clinical Reference Group. The Ministry will

develop any such interim guidance in consultation with the College of Physicians and Surgeons of BC and will seek endorsement by the College of Physicians and Surgeons of BC.

RE: Billing for BC Residents without MSP

As per our discussions during recent PMA negotiations, this letter is to confirm that the Ministry of Health will undertake a two-year pilot project, starting within 90 days of ratification, to change the criteria for physicians to claim compensation for services provided to BC residents who are eligible for enrolment in MSP but who are not enrolled. The pilot project details are attached, including a simple form that Health Authority staff and/or physicians will complete to secure physician payment. This form may still require minor adjustments, including formatting adjustments. The Ministry of Health will also create detailed instructions and guidance for physicians and Health Authorities in order to administer the pilot program, and the Ministry of Health will consult with Doctors of BC before finalizing the form and any guidance/instruction documents.

The Ministry reserves the right to amend or terminate the program at the end of the two-year pilot project. Prior to making a decision as to whether to continue, amend or terminate the program at the end of the pilot project, the Ministry of Health will share and discuss the results of the evaluation with the Doctors of BC.

Sincerely,

Mark Armitage

Health Sector Workforce and Beneficiary Services Division, Ministry of Health

RE: Doctors of BC Representation of Physicians

The Ministry of Health and the undersigned Health Authorities and Providence Health Care acknowledge the role of Doctors of BC in representing the collective and individual interests of physicians and in particular, Doctors of BC's role in representing physicians in negotiating contractual arrangements as set out in Article 3 of the Physician Master Agreement (PMA).

In complying with the PMA and in respecting the representation rights of Doctors of BC as set out in the PMA, the Ministry, the Health Authorities and Providence Health Care commit to the following:

1. The Ministry will provide written direction requiring the Health Authorities and Providence Health Care to advise physicians of their right to be represented by the Doctors of BC in contract negotiation and to negotiate in good faith, and the Ministry will require the Health Authorities and Providence Health Care to recognize the Doctors of BC's right to represent those physicians who request the assistance of Doctors of BC in contract negotiations.
2. The Health Authorities and Providence Health Care will advise physicians of their right to be represented by Doctors of BC in contract negotiations as soon as practicable and no later than the first meeting of the parties or when a draft contract is proposed to the physician(s), whichever is earliest, and will recognize and respect the Doctors of BC's right to represent physicians who request the assistance of Doctors of BC in contract negotiations.

In support of the above commitments, the Health Authorities and Providence Health Care will take appropriate steps to ensure that all staff involved in physician contract discussions and negotiations are aware of and comply with these commitments.

These commitments apply to any physician contract for physician services with agencies using a local contract, and to contracts for the provision of provincially funded clinical services under an alternative payment model.

Re: Physician Respectful Workplace/Disciplinary Process

As per the agreement reached between the Government and the Doctors of BC in the recently concluded Physician Master Agreement negotiations, the undersigned Health Authorities and Providence Health Care agree to adopt policy and/or changes to the Medical Staff Rules such that physicians who are required to attend a formal meeting with the Health Authority regarding respectful workplace and/or disciplinary matters will be notified in advance of their option to have a colleague from the medical staff, Doctors of BC or CMPA attend the meeting with the physician.

For the purposes of this letter, a formal meeting is one where expectations will be set with respect to the physician’s behaviour and failure to meet those expectations will have consequences, and the outcome of the meeting will be formally and permanently documented with the health authority. For clarity, a formal meeting does not include informal discussions, investigatory meetings for the purposes of fact-finding in which no disciplinary decision will be made, or situations where immediate action is needed to protect patient care and/or staff/medical staff/volunteer safety.

Dear Mr. Aikman,

On behalf of the Ministry of Mental Health and Addictions (MMHA), I would like to offer my appreciation for our collaborations with Doctors of BC to date, and our shared goal of improving overall engagement between the MMHA and physicians who provide mental health and substance use services to British Columbians.
