

LFP PAYMENT MODEL: TOP SIX THINGS TO GET YOU STARTED

1

Read information about the new [LFP Payment Model](#), such as enrolment requirements and registration, answers to frequently asked questions, and new information releases.

2

Review the [Guide to Cost Sharing Agreements](#) to help you consider what model would work best for the clinic, keeping in mind that all models can be adapted to fit your clinic.

3

Review [Tips for a Successful Meeting](#)

4

Review [contract templates](#) to consider when negotiating a Service Contract, Cost Sharing Agreement, Release of Information Agreement, and Group Governance Agreement.

5

Connect with your bookkeeper and/or accountant to fully understand and be able to explain business costs to your associates.

6

Access trusted legal counsel, either from vetted [law firms through Club MD](#) or your current legal team, to complete template agreements.

The resources listed are intended for doctors to use as a starting point for negotiations and discussions around expectations. It is imperative all parties retain their own legal counsel during the completion of the contract/agreement templates below.

More information about the implementation of the new LFP Payment Model can be found [here](#).
