

BUSINESS PATHWAYS

Doctors of BC introduces Business Pathways, a new initiative that helps physicians navigate the operational side of managing a business.

A one-stop shop to access tools, resources, and services based on current and future needs, Business Pathways makes it easy to get help.

Optimizing your practice. Every step of the way.

- Guidance on starting a practice
- Resources to lead your staff
- Preferred rates on legal & financial services
- Comprehensive toolkits
- Webinars from industry experts
