

# BUSINESS PATHWAYS

Business Pathways is an initiative that exclusively focuses on supporting and streamlining business operations for BC's doctors.

Whether you are opening your office, planning for retirement, or at one of the many stages in between, you told us you need operational support every step of the way.

## Optimizing your practice. Every step of the way.

- **Guidance on starting a practice**
- **Resources to lead your staff**
- **Preferred rates on legal & financial services**
- **Comprehensive toolkits**
- **Webinars from industry experts**
- **Business Advisors to help guide you**
