

Changemaker Medical Resident & Student Advocacy Awards

Nomination Form

The Changemaker Awards recognize a Doctors of BC Medical Resident member and Medical Student member who have demonstrated exemplary leadership and dedication to the cause of advancing the policies, views, and goals of Doctors of BC, or of a Medical Resident/Student organization in BC, through grassroots advocacy efforts. These have been developed through Doctors of BC's Council on Public Affairs and Communications (CPAC).

Each Medical Resident or Student nominee must:

1. Be enrolled in full-time studies during the year of nomination.
2. Be registered as a Doctors of BC member in good standing.
3. Demonstrate outstanding personal advocacy for political or medical issues in British Columbia. This can be done by actively participating in grassroots political advocacy (example: working constructively with elected officials to improve the political climate, supporting quality patient care, or a strong health care system) and/or medical advocacy (working with stakeholders to improve the health care provided for the citizens of British Columbia, or improving the educational process for Medical Residents or Students)

Each award recipient will receive an engraved plaque and a \$1,000 cheque, and be featured in the *BC Medical Journal* and on the Doctors of BC website. If located outside Vancouver, the winners will be flown to Vancouver for the Doctors of BC Annual General Meeting Awards Ceremony in May where all successful candidates will receive their awards from CPAC Chair Dr Barry Turchen.

Nomination deadline is March 31, 2015.
