

Changemaker Awards

Each award is presented in recognition of a Doctors of BC Medical Resident member and a Doctors of BC Medical Student member who have demonstrated exemplary leadership, commitment, and dedication to the cause of advancing the policies, views and goals of the doctors of BC, or a Resident or Student organization within BC, through grassroots advocacy efforts. Residents and Students shall be chosen based on the following criteria:

- Demonstrated an outstanding level of personal advocacy furthering the objectives of the Doctors of BC's or the Resident or Student organizations' political or medical goals.
- Demonstrated outstanding personal advocacy regarding political or medical issues in British Columbia.
- Actively and effectively participated in grassroots political advocacy (example: working onstructively with elected officials to improve the political climate, supporting quality patient care and a strong health care system) and/or medical advocacy (working with stakeholders to improve the health care provided for the citizens of British Columbia, and improving the educational process for medical Residents or Students).
