

DR DON RIX AWARD FOR PHYSICIAN LEADERSHIP NOMINATION FORM

Doctors of BC members may nominate candidates for the *Dr Don Rix Award for Physician Leadership*. Lifetime achievement is the prime requisite in determining the recipient for this award. Such achievement should be so outstanding as to serve as an inspiration and a challenge to the medical profession in British Columbia.

Medalists may have achieved distinction in one or more of the following ways:

- Supported lifelong learning opportunities
- Promoted excellence in medical education
- Built consensus amongst physicians and groups of physicians
- Provided leadership for new initiatives both in business and clinical practice
- Provided leadership and service to the general community or province either by direct support or through philanthropy
- Provided service to the medical profession through participation in the Doctors of BC.
- Provided leadership to the broader medical community
- Participated in legislative and other political activities in support of Healthcare.

Use additional pages as needed or you may prefer to attach a letter of nomination.

A current Curriculum Vitae for the nominee and any further supporting documents must accompany the nomination. Submit this form along with the information required to Aria Gray at agray@doctorsofbc.ca by **November 30, 2015**.
