

Technology Innovation Engagement Forum

Attention

- ✓ Doctors
- ✓ Medical Residents
- ✓ Medical Students

- Are you **interested in finding out more about technologies in medicine**, to solve clinical problems?
- Are you actively **seeking colleagues, mentors and mentees to work on innovations** to improve clinical care?
- Are you **searching for funding or technology experts** to work on your inventions?
- Are you **interested to help implement technological innovations into our health care system**?

If one or more of these questions describe you, then this Technology Forum is for you!

In this forum, you will discover

- Examples of **innovations** developed by medical colleagues, residents and students in healthcare today
- Various **pathways** for you to consider to find technology partners, funding, or introduce solutions
- Channels to give your **opinions** and try out technology solutions to improve healthcare delivery
- How you can **get involved** in this rapidly evolving area through joining Vancouver Physician Staff Association eFIT Community

- Opening Remarks by **Mary Ackenhusen, President & CEO, VCH**
- Featured Organizations in Panel Discussion:
 - Vancouver Coastal Health
 - Joule by Canadian Medical Association
 - UBC School of Biomedical Engineering
 - UBC Hatching Health
