- Toolkit for Employers: Resources for Supporting Family Caregivers to provide employers and employees with information and resources to help minimize the impact of caregiving on both employee and the workplace. www.familycaregiversbc.ca/uncategorized/new-toolkit-for-employers/

- The handbook provides information to assist family or friend caregivers of the elderly. The handbook covers topics ranging from health care, housing to law.

Better at Home Program - www.betterathome.ca
- Better at Home is a program that helps seniors with day-to-day tasks so that they can continue to live independently in their homes and remain connected with their communities. Funded by the Government of British Columbia, the program is managed by the United Way of the Lower Mainland and services are provided by local non-profit organizations.
- Seniors living in a community which offers Better at Home can contact a local organization to find out more information and to apply for services.

HealthLink BC – www.healthlinkbc.ca
Call 811 (711 for the hearing impaired) from anywhere in BC to speak with a nurse (24/7), dietician (Mon to Fri 9am-5pm) or a pharmacist (Mon-Sun 5pm to 9am). Translation services are available.

bc211 – www.bc211.ca
- bc211 (bc211 answers calls 24 hours a day & 365 days a year) is a Lower Mainland based organization that specializes in providing information and referral regarding community, government, and social services in the Fraser Valley, Metro Vancouver, Squamish-Lillooet, and the Sunshine Coast.
- bc211 can also be contacted via text message from 8am-11pm (365 days a year). bc211 is expected to begin serving all of BC by the end of 2016.

BC Bereavement Helpline (BCBH) - www.bcbereavementhelpline.com
Call the BCBH at 1-877-779-2223 for a free and confidential service that connects individuals to grief support services in BC.

First Nations Health Authority (FNHA) - www.fnha.ca
The FNHA plans, designs, manages, and funds the delivery of First Nations health programs and services in BC. These community-based services are largely focused on health promotion and disease prevention.
Community Resources for Family Caregivers in BC (cont’d)
